The Official Statement, dated April 14, 2005, relating to the captioned bonds is hereby amended pursuant to this Addendum dated April 19, 2005 (the "Addendum"). The first full paragraph on Page 27 is amended in its entirety to read as follows:

On March 1, 2004, DEPFA announced that it intended to sell its German subsidiary, DEPFA Deutsche Pfandbriefbank AG. However, none of the bids submitted met DEPFA Group's full internal value for the DEPFA Deutsche Pfandbriefbank AG. Therefore, on April 18, 2005, the Board of Directors of DEPFA BANK plc announced its conclusion that a sale was not in the best interest of shareholders. This means that the corporate structure of DEPFA group, which has been operating since 2002, is unchanged. Information regarding the status of the sale of DEPFA Deutsche Pfandbriefbank AG is available on DEPFA's website at: www.depfa.com <http://www.depfa.com/>.

Vinson & Elkins L.L.P., Bond Counsel, is of the opinion, that subject to certain conditions described herein, (i) prior to the first change of interest rate modes for which an opinion of nationally recognized Bond Counsel is required, interest on the Series 2005A Bonds is excludable from gross income for federal income tax under existing law, and (ii) interest on the Series 2005A Bonds is an item of tax preference that is includable in alternative minimum taxable income for purposes of determining the alternative minimum tax imposed on individuals and corporations. See "TAX MATTERS" herein for a discussion of Bond Counsel's opinion, including a description of the federal alternative minimum tax on individuals and corporations and the requirement for an opinion of nationally recognized bond counsel in the event of certain changes of interest rate modes.

NEW ISSUE - BOOK-ENTRY ONLY

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS \$100,000,000 Single Family Variable Rate Mortgage Revenue Refunding Bonds 2005 Series A (AMT)

Interest Accrues: Date of Delivery

Due: September 1, 2036

The Texas Department of Housing and Community Affairs Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2005 Series A (the "Series 2005A Bonds"), are issuable by the Texas Department of Housing and Community Affairs (the "Department") only as fully registered bonds, without coupons, and will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Series 2005A Bonds. The Series 2005A Bonds will be available to purchasers only in book-entry form in denominations of \$100,000 and any integral multiples of \$5,000 in excess thereof. For as long as Cede & Co. is the exclusive registered owner of the Series 2005A Bonds, the principal or redemption price of and interest on the Series 2005A Bonds will be payable by J.P. Morgan Trust Company, National Association, as Trustee, to DTC, which will be responsible for making such payments to DTC Participants (as defined herein), for subsequent remittance to the owners of beneficial interests in the Series 2005A Bonds. The purchasers of the Series 2005A Bonds will not receive certificates representing their beneficial ownership interest. See "THE SERIES 2005A BONDS - DTC and Book-Entry."

The scheduled payment of the principal of and interest on the Series 2005A Bonds will be insured by a Municipal Bond Insurance Policy to be issued by Financial Security Assurance Inc. concurrently with the delivery of the Series 2005A Bonds. See "BOND INSURANCE" herein.

The Series 2005A Bonds will initially bear interest at the Weekly Interest Rate from their date of original issuance and delivery unless and until converted to a different Interest Rate Period at the direction of the Department and upon satisfaction of certain conditions described herein. While the Series 2005A Bonds bear interest at a Weekly Interest Rate, interest on the Series 2005A Bonds will be payable to DTC commencing on September 1, 2005, and semi-annually thereafter on each March 1 and September 1 until maturity or prior redemption thereafter, all as more fully described herein. The interest rate on the Series 2005A Bonds may be changed from time to time by the Department to a Daily Interest Rate, Weekly Interest Rate, Short-Term Interest Rate, Alternate Rate or to a Long-Term Interest Rate, to be determined by the Remarketing Agent (initially, Bear, Stearns & Co. Inc.) in the manner described herein. Interest will be payable on the Series 2005A Bonds at the times and in the manner described herein.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

The registered owners of the Series 2005A Bonds will have the right, and in certain circumstances may be required, to tender their Series 2005A Bonds for purchase in the manner described herein, at a purchase price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the date of purchase. The Bondholders will have no right to elect to retain their Series 2005A Bonds following any mandatory purchase. The purchase price of any Series 2005A Bonds tendered or deemed tendered for purchase and not remarketed by the purchase date will (subject to certain conditions described herein) be payable from (i) amounts made available under a Standby Bond Purchase Agreement between the Department, the Tender Agent and DEPFA BANK plc, acting by and through its New York Branch (the "Liquidity Facility") and (ii) amounts made available by the Department.

THE SERIES 2005A BONDS ARE SUBJECT TO OPTIONAL AND MANDATORY TENDER. See "THE SERIES 2005A BONDS - Tender Provisions". THE SERIES 2005A BONDS ARE SUBJECT TO SPECIAL REDEMPTION, MANDATORY SINKING FUND REDEMPTION, AND OPTIONAL REDEMPTION ON THE DATES AND AT THE REDEMPTION PRICES, INCLUDING REDEMPTION AT PAR UNDER CERTAIN CIRCUMSTANCES, WHICH ARE MORE FULLY DESCRIBED HEREIN. See "THE SERIES 2005A BONDS -- Redemption Provisions."

The Series 2005A Bonds are being issued for the primary purpose of refunding a portion of the Department's Single Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes, Series A and the Department's Single Family Mortgage Revenue Bonds, 2004 Series F, thereby providing funds for the purchase of mortgage-backed, pass-through certificates (the "Mortgage Certificates") backed by qualifying FHA-insured or VA- or RHS-guaranteed mortgage loans, or conventional mortgage loans made to eligible borrowers for single-family residences located in the State of Texas. For certain purchase price and income restrictions, see "THE PROGRAM AND THE MORTGAGE LOANS." The Mortgage Certificates will be guaranteed as to timely payment of principal and interest by either the Government National Mortgage Association ("Ginnie Mae") (the "Ginnie Mae Certificates"), Freddie Mac ("Freddie Mac") ("Freddie Mac Certificates") or Fannie Mae ("Fannie Mae") (the "Fannie Mae Certificates"). See APPENDIX C-1, APPENDIX C-2 and APPENDIX C-3. The Series 2005A Bonds, the Prior Bonds (as defined herein), and, unless subordinated, all bonds subsequently issued under the Trust Indenture are equally and ratably secured by the Trust Estate (as defined herein) held by the Trustee under the Trust Indenture. See "SECURITY FOR THE BONDS" and "THE TRUST INDENTURE."

THE SERIES 2005A BONDS ARE LIMITED OBLIGATIONS OF THE DEPARTMENT AND ARE PAYABLE SOLELY FROM THE REVENUES AND FUNDS PLEDGED FOR THE PAYMENT THEREOF AS MORE FULLY DESCRIBED HEREIN. NEITHER THE STATE OF TEXAS (THE "STATE") NOR ANY AGENCY OF THE STATE, OTHER THAN THE DEPARTMENT, NOR THE UNITED STATES OF AMERICA OR ANY AGENCY, DEPARTMENT OR OTHER INSTRUMENTALITY THEREOF, INCLUDING GINNIE MAE, FREDDIE MAC, AND FANNIE MAE, IS OBLIGATED TO PAY THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2005A BONDS. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR THE UNITED STATES OF AMERICA IS PLEDGED, GIVEN OR LOANED TO SUCH PAYMENT. THE DEPARTMENT HAS NO TAXING POWER. GINNIE MAE, FREDDIE MAC, AND FANNIE MAE GUARANTEE ONLY THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE GINNIE MAE CERTIFICATES, THE FREDDIE MAC CERTIFICATES, AND THE FANNIE MAE CERTIFICATES, RESPECTIVELY, WHEN DUE AND DO NOT GUARANTEE THE PAYMENT OF THE SERIES 2005A BONDS OR ANY OTHER OBLIGATIONS ISSUED BY THE DEPARTMENT.

The Series 2005A Bonds are offered when, as, and if issued by the Department. Delivery of the Series 2005A Bonds is subject to approval of the legality thereof by Vinson & Elkins L.L.P., Bond Counsel, and by the Attorney General of the State of Texas, and certain other conditions. Certain legal matters will be passed upon for the Department by its Acting General Counsel, Anne O. Reynolds, Esq., and by its Disclosure Counsel, McCall, Parkhurst & Horton L.L.P. Certain legal matters will be passed upon for the Underwriters by their counsel, Andrews Kurth LLP. It is expected that the Series 2005A Bonds will be available for delivery to DTC in book-entry only form on or about April 20, 2005.

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS

\$100,000,000

**Single Family Variable Rate Mortgage
Revenue Refunding Bonds
2005 Series A (AMT)**

INTRODUCTION

This Official Statement provides certain information concerning the Texas Department of Housing and Community Affairs (the "Department") in connection with the issuance of its \$100,000,000 Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2005 Series A (the "Series 2005A Bonds"). Capitalized terms used but not otherwise defined herein shall have the respective meanings for such terms as set forth in "APPENDIX A - GLOSSARY".

The Department, a public and official governmental agency of the State of Texas (the "State"), was created and organized pursuant to and in accordance with the provisions of Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, collectively, the "Act"), among other things, to finance sanitary, decent and safe housing for individuals and families of low and very low income and families of moderate income. The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and all functions and obligations of which were transferred to the Department pursuant to the Act. Under the Act, the Department may issue bonds, notes and other obligations to finance or refinance residential housing and multi-family developments located in the State of Texas and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. See "THE DEPARTMENT."

The Series 2005A Bonds are authorized to be issued pursuant to the Act, a resolution adopted by the Governing Board of the Department on April 7, 2005, a Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 1980 (the "Master Indenture" and, as amended and supplemented from time to time, collectively, the "Trust Indenture") between the Agency or the Department, as the case may be, and The Fort Worth National Bank or its successor, J.P. Morgan Trust Company, National Association, as trustee (the "Trustee"), and a Forty-Second Supplemental Single Family Mortgage Revenue Bond Trust Indenture (the "Forty-Second Supplemental Indenture") between the Department and the Trustee, dated as of April 1, 2005 with respect to the Series 2005A Bonds. The Forty-Second Supplemental Indenture is also referred to as the "2005 Supplemental Indenture". The Trust Indenture authorizes the Department to issue bonds to provide funds to acquire or refinance single family mortgage loans or participations therein ("Mortgage Loans") which are made to eligible borrowers, as determined from time to time by the Department, to refund Outstanding Bonds issued under the Trust Indenture, and to pay costs associated therewith. The Department has previously issued thirty-seven prior series of single family mortgage revenue bonds (the "Prior Bonds") under the Trust Indenture of which \$654,845,000 in aggregate principal amount was Outstanding as of December 31, 2004. See "SECURITY FOR THE BONDS -- The Single Family Mortgage Revenue Bonds." The Series 2005A Bonds, the Prior Bonds and, unless subordinated, all bonds subsequently issued pursuant to the Trust Indenture (collectively, the "Bonds" or the "Single Family Mortgage Revenue Bonds") will be equally and ratably secured by the Trust Estate held by the Trustee pursuant to the Trust Indenture. See "THE TRUST INDENTURE" and

"SECURITY FOR THE BONDS - Additional Bonds" and "SECURITY FOR THE BONDS - Junior Lien Bonds."

In addition to the Single Family Mortgage Revenue Bonds, the Department has previously issued four (4) series of Junior Lien Bonds (the "Prior Junior Lien Bonds"), of which \$14,085,000 in aggregate principal amount was outstanding as of December 31, 2004. The Junior Lien Bonds are limited obligations of the Department and are payable solely from revenues (as defined in the Junior Lien Trust Indenture) and funds pledged for the payment thereof on a basis which is junior and subordinate to the Bonds. See "THE TRUST INDENTURE" and "SECURITY FOR THE BONDS - Junior Lien Bonds."

The Series 2005A Bonds are being issued for the primary purpose of refunding a portion of the Department's Single Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes, Series A (the "Refunded Notes) and the Department's Single Family Mortgage Revenue Bonds, 2004 Series F (the "Refunded Bonds") thereby providing funds for the purchase of mortgage pass-through certificates (the "2005 Mortgage Certificates") guaranteed as to timely payment of principal and interest by either the Government National Mortgage Association ("Ginnie Mae"), Freddie Mac or Fannie Mae which represent beneficial ownership of pools of Mortgage Loans (the "2005 Mortgage Loans"), for funding capitalized interest, and for paying a portion of the costs of issuance of the Series 2005A Bonds. Approximately \$17,600,000 of the lendable funds made available through the issuance of the Series 2005A Bond will be set aside for at least one year for the purpose of making Mortgage Loans to borrowers in certain federally designated targeted areas. The remaining lendable funds will be made available for Mortgage Loans to borrowers of low and moderate incomes whose family income does not exceed, for families of three persons or more, one hundred fifteen percent (115%) (one hundred forty percent (140%) in targeted areas) of applicable median family income, and, for individuals and families of two persons, one hundred percent (100%) (one hundred twenty percent (120%) in targeted areas) of applicable median family income. See "THE PROGRAM AND THE MORTGAGE LOANS - Targeted Area Reservation", -- "-Low and Moderate Income Reservation," "-Grant Assistance Program and Down Payment Assistance Program" and "ASSUMPTIONS AND RISKS - Non-Origination of Mortgage Loans."

The Bonds are payable solely from and are secured by a pledge of and lien on the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), Investment Securities, moneys held in the Funds (excluding the Rebate Account, the 2005 A Swap Agreement Termination Payment Subaccount, the 2005 A Swap Agreement Termination Receipt Subaccount and the Policy Payments Account) and other property pledged under the Trust Indenture (collectively, the "Trust Estate"). All payments with respect to principal of and interest on Mortgage Loans (net of servicers' fees) and on Mortgage Certificates (net of servicing and guaranty fees) received by the Department and the earnings on investments of Funds and Accounts held pursuant to the Trust Indenture other than the excluded Funds and Accounts constitute Revenues. Bondholders have no rights to or lien on the Swap Agreement. The pledge of and lien on the Trust Estate is subject to discharge if moneys or qualified securities sufficient to provide for the payment of all Outstanding Bonds are deposited and held in trust for such payment. See "SECURITY FOR THE BONDS - The Prior Bonds" and "SWAP AGREEMENT."

The Series 2005A Bonds are on a parity in all respects with all outstanding Prior Bonds, and, unless subordinated, any bonds subsequently issued under the Trust Indenture. The Mortgage Loans securing the Bonds must be (i) in an amount not greater than eighty percent (80%) of the lesser of (a) the appraised value of the mortgaged property or (b) the sales price of the mortgaged property, or (ii) insured by the Federal Housing Administration ("FHA") or guaranteed by the Department of Veterans Affairs (formerly, the Veterans Administration) ("VA") or (iii) insured by a private mortgage insurance company which has been approved by the Department in the amount by which the Mortgage Loan exceeds eighty percent (80%) of the value of the mortgaged property. The Trust Indenture also permits the acquisition of Mortgage Loans

guaranteed by another agency or instrumentality of the United States exercising powers similar to FHA or VA, such as the United States Department of Agriculture Rural Housing Services ("RHS"). In addition, the Department may purchase Mortgage Certificates that are backed by Mortgage Loans. In connection with each series of Prior Bonds, the Department either obtained a mortgage pool insurance policy in an amount at least equal to ten percent (10%) of the initial aggregate amount of Mortgage Loans purchased, provided for a mortgage pool self-insurance reserve or used proceeds to acquire Mortgage Certificates. As of December 31, 2004, \$284,375,576 of Mortgage Loans were held under the Trust Indenture. Also as of December 31, 2004, of the \$34,339,542 Mortgage Loans (excluding Mortgage Certificates representing Mortgage Loans) held under the Trust Indenture, according to principal amount, \$17,703,396 were Conventional Mortgage Loans, \$15,389,594 were FHA Mortgage Loans, and \$1,246,552 were VA-guaranteed Mortgage Loans. Each Eligible Borrower is required to maintain standard hazard insurance coverage and, if applicable, flood insurance.

The Trust Indenture establishes a Debt Service Reserve Account (the "Debt Service Reserve Account") within the Debt Service Fund. The Trust Indenture requires that the Debt Service Reserve Account be maintained in an amount at least equal to three percent (3%) of the aggregate principal amount of the Mortgage Loans outstanding (zero percent (0%) for Mortgage Loans represented by Mortgage Certificates) from time to time (the "Debt Service Reserve Account Requirement"). Moneys in the Debt Service Reserve Account will be made available in the event that there are insufficient funds on deposit in the other accounts of the Debt Service Fund and the Mortgage Loan Fund, respectively, to pay, when due, principal of and interest on the Series 2005A Bonds or any other Outstanding Bonds. As of December 31, 2004, the Debt Service Reserve Account Requirement for the Single Family Mortgage Revenue Bonds was \$949,091 and \$949,091 was on deposit in the Debt Service Reserve Account. Because the Mortgage Loans to be made with proceeds of the Series 2005A Bonds are to be backed by Mortgage Certificates, no deposit to the Debt Service Reserve Account will be made in connection with the issuance of the Series 2005A Bonds. See "THE TRUST INDENTURE" herein.

THE SERIES 2005A BONDS ARE LIMITED OBLIGATIONS OF THE DEPARTMENT AND ARE PAYABLE SOLELY FROM THE REVENUES AND FUNDS PLEDGED FOR THE PAYMENT THEREOF AS MORE FULLY DESCRIBED HEREIN. NEITHER THE STATE NOR ANY AGENCY OF THE STATE, OTHER THAN THE DEPARTMENT, NOR THE UNITED STATES OF AMERICA OR ANY AGENCY, DEPARTMENT OR OTHER INSTRUMENTALITY THEREOF, INCLUDING GINNIE MAE, FREDDIE MAC AND FANNIE MAE, IS OBLIGATED TO PAY THE PRINCIPAL OR REDEMPTION PRICE OF, OR INTEREST ON, THE SERIES 2005A BONDS. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR THE UNITED STATES OF AMERICA IS PLEDGED, GIVEN OR LOANED TO SUCH PAYMENT. THE DEPARTMENT HAS NO TAXING POWER. GINNIE MAE, FREDDIE MAC AND FANNIE MAE GUARANTEE ONLY THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE GINNIE MAE CERTIFICATES, FREDDIE MAC CERTIFICATES AND FANNIE MAE CERTIFICATES, RESPECTIVELY, WHEN DUE AND DO NOT GUARANTEE THE PAYMENT OF THE SERIES 2005A BONDS OR ANY OTHER OBLIGATIONS ISSUED BY THE DEPARTMENT.

There follows in this Official Statement a brief description of the plan of finance, the Department and its bond programs, together with summaries of certain terms of the Series 2005A Bonds, the Trust Indenture, and certain provisions of the Act, as well as other matters. All references herein to the Act, the Trust Indenture, and other agreements are qualified in their entirety by reference to each such document, copies of which are available from the Department, and all references to the Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto contained in the Trust Indenture.

For information concerning the Prior Bonds, see "SECURITY FOR THE BONDS - The Prior Bonds." For information concerning the mortgage loan program financed by the Prior Bonds and information concerning other programs of the Department, see "APPENDIX F-1 - THE DEPARTMENT'S MORTGAGE LOAN PORTFOLIO" AND "APPENDIX F-2 - OTHER INDEBTEDNESS OF THE DEPARTMENT."

PLAN OF FINANCE

Proceeds of the Series 2005A Bonds are to be applied to refund and redeem, respectively, the Refunded Notes and Refunded Bonds, thereby making additional funds available to be deposited into the 2005 A Mortgage Loan Account of the Mortgage Loan Fund and used to purchase 2005 Mortgage Certificates. See "SOURCES AND USES OF FUNDS" herein.

In connection with the issuance of the Series 2005A Bonds, the Department will enter into an interest rate swap agreement (the "Swap Agreement ") with Bear Stearns Financial Products, Inc.(the "Swap Provider"), which will become effective upon the delivery of the Series 2005A Bonds. Pursuant to the Swap Agreement payments will begin accruing on August 1, 2005 and payments will be made semiannually beginning on September 1, 2005, computed based on a variable rate intended to approximate the variable interest rate on the Series 2005A Bonds, on a notional amount corresponding to the outstanding principal amount of the Series 2005A Bonds, provided that the variable rate payments to the Department may not equal the variable interest payable on the Series 2005A Bonds. The Department will agree to pay to the Swap Provider on such dates, payments computed at a fixed rate, on the same notional amount. Payments from the Department to the Swap Provider under the Swap Agreement are subordinate to payments of principal of and interest on the Bonds. The Department's scheduled payments under the Swap Agreement to the Swap Provider will be insured by Financial Security Assurance Inc. (the "Swap Policy"). The Swap Policy does not insure payments of principal of or interest on the Series 2005A Bonds. See "SWAP AGREEMENT."

THE SERIES 2005A BONDS

General

The Series 2005A Bonds will be dated the date of delivery and will mature, subject to prior redemption as described below, on September 1, 2036. The Series 2005A Bonds will be issued as fully registered bonds in book-entry-only form and will be subject to the provisions of the book-entry-only system described under "-- DTC and Book-Entry" below. While the Series 2005A Bonds bear interest at a Daily Interest Rate, Weekly Interest Rate or Bond Interest Term Rates, individual purchases of Series 2005A Bonds by the beneficial owners will be made in denominations of \$100,000 and any whole multiple of \$5,000 in excess of \$100,000. While Series 2005A Bonds bear interest at a Long-Term Interest Rate, individual purchases of Series 2005A Bonds by the beneficial owners will be made in denominations of \$5,000 or any whole multiple thereof.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

The Series 2005A Bonds will initially bear interest at a Weekly Interest Rate. The method of determining interest rates on the Series 2005A Bonds is subject to being changed from a Weekly Interest Rate to a Daily Interest Rate, Bond Interest Term Rates, a Long-Term Interest Rate or an Alternate Rate as described below. Each period during which a Daily Interest Rate is in effect is known as a Daily Interest Rate Period, each period during which a Weekly Interest Rate is in effect is known as a Weekly Interest Rate Period, each period during which Bond Interest Term Rates are in effect is known as a Short-Term Interest Rate Period, each period during which a Long-Term Interest Rate is in effect is known as a Long-Term Interest Rate Period, and each period during which an Alternate Rate is in effect is known as an Alternate Rate Period. An Interest Rate Period means any Daily Interest Rate Period, Weekly Interest Rate Period, Short-Term Interest Rate Period, Long-Term Interest Rate Period or Alternate Rate Period.

Interest on the Series 2005A Bonds shall be payable on each Interest Payment Date for such Series 2005A Bonds by the Paying Agent during any Daily Interest Rate Period, Weekly Interest Rate Period, or Long-Term Interest Rate Period, by check mailed on the date on which interest is due to the Owners of the Series 2005A Bonds at the close of business on the Record Date in respect of such Interest Payment Date at the addresses of Owners as they shall appear on the registration books maintained pursuant to the Forty-Second Supplemental Indenture. In the case of (i) Series 2005A Bonds bearing interest at Bond Interest Term Rates, (ii) Series 2005A Bonds purchased with moneys furnished by the Bank pursuant to the Liquidity Facility (the "Escrow Bonds") or (iii) any Owner of Series 2005A Bonds bearing interest at other than a Bond Interest Term Rate in an aggregate principal amount in excess of \$1,000,000, as shown on the registration books kept by the Paying Agent who, prior to the Record Date next preceding any Interest Payment Date for such Series 2005A Bonds, shall have provided, to the Paying Agent wire transfer instructions, interest payable on such Series 2005A Bonds shall be paid by wire transfer (in the continental United States) of immediately available funds in accordance with the wire transfer instructions provided by the Owner of such Series 2005A Bonds (or by the Remarketing Agent on behalf of such Owner); provided, however, that during any Short-Term Interest Rate Period for any Series 2005A Bonds, interest on any Series 2005A Bond shall be payable only upon presentation and surrender of such Series 2005A Bond to the Tender Agent at its principal office.

As the Paying Agent for the Series 2005A Bonds, J.P. Morgan Trust Company, National Association will keep the books of the Department for registration, registration of transfer, exchange and payment of the Series 2005A Bonds as provided in Forty-Second Supplemental Indenture.

The Series 2005A Bonds will be subject to optional and mandatory tender for purchase under certain circumstances as described below.

Interest Rates

Interest on the Series 2005A Bonds will be computed, in the case of a Daily Interest Rate Period, a Weekly Interest Rate Period, a Short-Term Interest Rate Period or an Alternate Rate Period, on the basis of a 365 or 366-day year, as appropriate, for the actual number of days elapsed and, in the case of a Long-Term Interest Rate Period, on the basis of a 360-day year consisting of twelve 30-day months. The first Interest Rate Period for the Series 2005A Bonds shall commence on the date of original issuance of the Series 2005A Bonds and shall be a Weekly Interest Rate Period. On or prior to such date of original issuance, the initial Weekly Interest Rate borne by the Series 2005A Bonds shall be determined by the Remarketing Agent.

The term of the Series 2005A Bonds will be divided into separate Interest Rate Periods selected by the Department during each of which the Series 2005A Bonds will bear interest at either a Daily Interest Rate, a Weekly Interest Rate, Bond Interest Term Rates, or a Long-Term Interest Rate (other than Escrow Bonds which shall bear interest at the Bank Bond Interest Rate). During a Short-Term Interest Rate Period, Series 2005A Bonds may bear interest at different Bond Interest Term Rates and have Bond Interest Terms of different durations. At no time will any Series 2005A Bond bear interest in excess of the maximum rate allowed by law (the "Maximum Rate").

For any Daily Interest Rate Period or Weekly Interest Rate Period, interest on the Series 2005A Bonds will be payable on each March 1 and September 1, commencing September 1, 2005, or the next Business Day if such day is not a Business Day. Interest will be paid for the immediately preceding semiannual period beginning on March 1 and ending on August 31, as applicable, or beginning on September 1 and ending on February 28 or 29, as applicable, as the case may be. Interest shall also be payable on the last day of any Daily Interest Rate Period or Weekly Interest Rate Period as applicable. Interest payable on September 1, 2005 will be payable from the Delivery Date. For any Short-Term Interest Rate Period or Long-Term Interest Rate Period, interest will be payable on each Interest Payment Date for the period commencing on and including the immediately preceding Interest Accrual Date and ending on and including the day immediately preceding the Interest Payment Date.

Daily Interest Rate Period. The Daily Interest Rate will be determined by the Remarketing Agent by 9:30 a.m., New York City time, on each Business Day during a Daily Interest Rate Period. The Daily Interest Rate will be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable to the Series 2005A Bonds in the judgment of the Remarketing Agent and known by the Remarketing Agent to have been priced or traded under then-prevailing market conditions) to be the minimum interest rate which, if borne by the Series 2005A Bonds, would enable the Remarketing Agent to sell the Series 2005A Bonds on such date of determination at a price (without regard to accrued interest) equal to the principal amount thereof. If the Remarketing Agent fails to establish a Daily Interest Rate for the Series 2005A Bonds for any day during a Daily Interest Rate Period, the interest rate for such day will be the same as the Daily Interest Rate for the immediately preceding Business Day, if the Daily Interest Rate for such preceding Business Day was determined by the Remarketing Agent. If for any reason the Remarketing Agent did not determine the Daily Interest Rate for the immediately preceding day, or if a Daily Interest Rate determined by the Remarketing Agent for any day is held to be invalid or unenforceable by a court of law, the interest rate for the Series 2005A Bonds for such day will be a rate per annum equal to the BMA Swap Index Rate on the day the Daily Interest Rate would otherwise be determined by the Remarketing Agent.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

Weekly Interest Rate Period. The Weekly Interest Rate will be determined by the Remarketing Agent on Wednesday of each week during a Weekly Interest Rate Period or on the next succeeding Business Day if such Wednesday is not a Business Day. The first Weekly Interest Rate determined for each Weekly Interest Rate Period will be determined on or prior to the first day of such Weekly Interest Rate Period and will apply to the period commencing on the first day of such Weekly Interest Rate Period and ending on the next succeeding Wednesday. Thereafter, each Weekly Interest Rate will apply to the period commencing on Thursday and ending on the next succeeding Wednesday, unless such Weekly Interest Rate Period ends on a day other than Wednesday, in which event the Weekly Interest Rate will apply to the period commencing on the Thursday preceding the last day of such Weekly Interest Rate Period and ending on the last day of such Weekly Interest Rate Period.

The Weekly Interest Rate will be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable to the Series 2005A Bonds in the judgment of the Remarketing Agent and known by the Remarketing Agent to have been priced or traded under then-prevailing market conditions) to be the minimum interest rate which, if borne by the Series 2005A Bonds, would enable the Remarketing Agent to sell the Series 2005A Bonds on such date of determination at a price (without regard to accrued interest) equal to the principal amount thereof. If the Remarketing Agent fails to establish a Weekly Interest Rate for the Series 2005A Bonds for any week during a Weekly Interest Rate Period, the interest rate for such week will be the same as the Weekly Interest Rate for the immediately preceding week, if the Weekly Interest Rate for such preceding week was determined by the Remarketing Agent. If for any reason the Remarketing Agent did not determine the Weekly Interest Rate for the immediately preceding week, or if a Weekly Interest Rate determined by the Remarketing Agent for any week is held to be invalid or unenforceable by a court of law, the interest rate for the Series 2005A Bonds for such week will be the BMA Swap Index Rate on the day the Weekly Interest Rate would otherwise be determined by the Remarketing Agent.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

Short-Term Interest Rate Period. During each Short-Term Interest Rate Period, each Series 2005A Bond will bear interest at the Bond Interest Term Rate determined for the Bond Interest Term applicable to such Series 2005A Bond by the Remarketing Agent no later than the first day of each Bond Interest Term. The Bond Interest Term and the Bond Interest Term Rate need not be the same for any two Series 2005A Bonds, even if determined on the same date. Each Bond Interest Term will be a period ranging from 1 to 180 days as determined by the Remarketing Agent to be the period which, together with all other Bond Interest Terms for all Series 2005A Bonds then outstanding, will result in the lowest overall interest expense on the Series 2005A Bonds for the next succeeding 180 days. In determining the number of days of each Bond Interest Term, the Remarketing Agent will take into account the following factors: (a) existing short-term tax-exempt market rates and indices of such short-term rates, (b) existing market supply and demand for short-term tax-exempt securities, (c) existing yield curves for short-term and long-term tax-exempt securities for obligations of credit quality comparable to the Series 2005A Bonds, (d) general economic conditions, (e) economic and financial conditions that may affect or be relevant to the Series 2005A Bonds, (f) the Bond Interest Terms of other Series 2005A Bonds and (g) such other facts, circumstances and conditions pertaining to financial markets as the Remarketing Agent, in its sole discretion, determines to be relevant.

The Remarketing Agent will announce, by no later than 9:00 a.m., New York City time, on the first day of each Bond Interest Term, the ranges of possible Bond Interest Terms.

The Bond Interest Term Rate for each Bond Interest Term for each Series 2005A Bond will be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable to the Series 2005A Bonds in the judgment of the Remarketing Agent and known by the Remarketing Agent to have been priced or traded under the then-prevailing market conditions) to be the minimum interest rate which, if borne by such Series 2005A Bond for such Bond Interest Term, would enable the Remarketing Agent to sell such Series 2005A Bond on the date and at the time of such determination at a price (without regard to accrued interest) equal to the principal amount thereof.

If for any reason a Bond Interest Term for any Series 2005A Bond cannot be determined by the Remarketing Agent, or if the determination of such Bond Interest Term is held by a court of law to be invalid or unenforceable, such Bond Interest Term will be 30 days, provided that if the last day so determined is not a day immediately preceding a Business Day, such Bond Interest Term will end on the first day immediately preceding the Business Day next succeeding such last day, or if such last day would be after the day immediately preceding any maturity date of the Series 2005A Bonds, such Bond Interest Term will end on the day immediately preceding the maturity date. If for any reason a Bond Interest Term Rate for any Series 2005A Bond is not so established by the Remarketing Agent for any Bond Interest Term, or such Bond Interest Term Rate is determined by a court of law to be invalid or unenforceable, then the Bond Interest Term Rate for such Bond Interest Term shall be the rate per annum equal to seventy percent (70%) of the interest rate on high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal on the first day of such Bond Interest Term with a maturity that most nearly equals the Bond Interest Term for which a Bond Interest Term Rate is being so calculated.

Any Series 2005A Bond purchased on behalf of the Department and remaining unsold by the Remarketing Agent as of the close of business on the first day of the Bond Interest Term for that Series 2005A Bond shall have a Bond Interest Term of one day or, if that Bond Interest Term would not end on a day immediately preceding a Business Day, a Bond Interest Term ending on the day immediately preceding the next Business Day.

At any time during a Short-Term Interest Rate Period, the Department may elect that the Series 2005A Bonds no longer shall bear interest at Bond Interest Term Rates (so long as the Department has delivered a Favorable Opinion of Bond Counsel and evidence that a Liquidity Facility will be in effect after such Interest Rate Period adjustment) and shall instead bear interest at a Weekly Interest Rate, a Long-Term Interest Rate or a Daily Interest Rate as specified in such election.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

Long-Term Interest Rate Period. The duration of a Long-Term Interest Rate Period will be determined by the Department, which duration will be at least 181 days. The Long-Term Interest Rate for any Long-Term Interest Rate Period will be determined by the Remarketing Agent on a Business Day no earlier than two weeks before the effective date of such Long-Term Interest Rate Period and no later than the effective date of such Long-Term Interest Rate Period. The Long-Term Interest Rate will be the rate of interest per annum determined by the Remarketing Agent (based on the examination of tax-exempt obligations comparable to the Series 2005A Bonds in the judgment of the Remarketing Agent and known by the Remarketing Agent to have been priced or traded under then-prevailing market conditions) to be the minimum interest rate which, if borne by the Series

2005A Bonds, would enable the Remarketing Agent to sell the Series 2005A Bonds on such date of determination at a price (without regard to accrued interest) equal to the principal amount thereof. If for any reason the Remarketing Agent does not determine a Long-Term Interest Rate on or prior to the first day of such Long-Term Interest Rate Period, then the Series 2005A Bonds will bear interest at a Weekly Interest Rate, and will continue to bear interest at a Weekly Interest Rate until properly adjusted otherwise as provided in the Forty-Second Supplemental Indenture.

At any time during a Long Term Interest Rate Period, the Department may elect that the Series 2005A Bonds shall no longer bear interest at a Long Term Interest Rate (so long as the Department has delivered a Favorable Opinion of Bond Counsel and evidence that a Liquidity Facility will be in effect after such Interest Rate Period adjustment) and shall instead bear interest at a Daily Interest Rate, a Weekly Interest Rate, Bond Interest Term Rates or a new Long Term Interest Rate. The Department shall specify the effective date of the new Interest Rate Period, which shall be (i) a Business Day no earlier than the 15th day following the second Business Day after receipt by the Paying Agent of the election by the Department to adjust the Interest Rate Period in the case of an adjustment to a Daily Interest Rate Period or Weekly Interest Rate Period or (ii) a Business Day not earlier than the 30th day following the second Business Day after receipt by the Paying Agent of the election by the Department to adjust the Interest Rate Period in the case of an adjustment to a new Long Term Interest Rate Period. The Department shall also specify the day on which the Series 2005A Bonds shall be subject to optional redemption as set forth below in "THE SERIES 2005A BONDS - Redemption Provisions - Optional Redemption." The Series 2005A Bonds shall be subject to mandatory tender for purchase on the effective date of the new Interest Rate Period at a purchase price equal to the optional Redemption Price on such date in accordance with the optional redemption provisions set forth below in "THE SERIES 2005A BONDS - Redemption Provisions - Optional Redemption."

Owners and prospective purchasers of the Series 2005A Bonds should not rely on this Official Statement with respect to information concerning the Series 2005A Bonds on or after adjustment to a rate period other than the Weekly Interest Rate Period, but should look solely to supplements, revisions or substitutions to this Official Statement for information concerning the Series 2005A Bonds on or after adjustment to a Long-Term Interest Rate Period.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

Adjustment of Interest Rate Periods

The Department may elect at any time to adjust the Interest Rate Period on the Series 2005A Bonds from one Interest Rate Period to an alternate Interest Rate Period (or during a Long-Term Interest Rate Period, to establish another Long-Term Interest Rate Period), subject to certain conditions specified in the Forty-Second Supplemental Indenture, including delivery of a Favorable Opinion of Bond Counsel and evidence that a Liquidity Facility will be in effect after adjustment to such Interest Rate Period (other than a Long-Term Interest Rate Period for which the Long-Term Interest Rate is fixed to the maturity date of the Series 2005A Bonds).

If the Department elects to adjust the Series 2005A Bonds to a different Interest Rate Period (including during a Long-Term Interest Rate Period, the establishment of a new Long-Term Interest Rate Period), all of the Series 2005A Bonds will be subject to such different Interest Rate Period. The written direction by which the Department makes such election will specify (a) in the case of an adjustment to a Long-Term Interest Rate Period, the duration of such Long-Term Interest Rate Period; (b) the effective date of the adjustment to a different Interest Rate Period, which effective date will be (i) a Business Day not earlier than the 12th day (15th

day in the case of an adjustment to a Daily Interest Rate Period, a Weekly Interest Rate Period or Short-Term Interest Rate Period from a Long-Term Interest Rate Period, and 30th day in the case of an adjustment to a, or the establishment of another, Long-Term Interest Rate Period) following the second Business Day after receipt by the Paying Agent of such direction from the Department, (ii) in the case of an adjustment from a Long-Term Interest Rate Period, the day immediately following the last day of the then-current Long-Term Interest Rate Period or a day on which the Series 2005A Bonds would otherwise be subject to optional redemption during such Long-Term Interest Rate Period if such adjustment did not occur, (iii) in the case of an adjustment from a Daily Interest Rate Period or a Weekly Interest Rate Period to a Short-Term Interest Rate Period, the day immediately following the last day of such Daily Interest Rate Period or Weekly Interest Rate Period and (iv) in the case of an adjustment from a Short-Term Interest Rate Period, the day immediately following the last day of the Short-Term Interest Rate Period; and (c) the date of delivery for the Series 2005A Bonds to be purchased. With respect to any adjustment to a Long-Term Interest Rate Period, such direction of the Department may specify Redemption Prices greater, and after periods longer, than those set forth in "THE SERIES 2005A BONDS - Redemption Provisions - Optional Redemption" below, if approved by a Favorable Opinion of Bond Counsel. A change to a different Interest Rate Period may not take place unless a Favorable Opinion of Bond Counsel is delivered on the effective date of such change and evidence that a Liquidity Facility is in existence as required by the Forty-Second Supplemental Indenture.

The Paying Agent will give notice by first class mail of any adjustment to a new Interest Rate Period not less than 12 days (15 days if the then-current Interest Rate Period is a Long-Term Interest Rate Period, and 30 days in the case of an adjustment to a, or establishment of another, Long-Term Interest Rate Period) prior to the effective date of such new Interest Rate Period. Such notice will state (a) that the interest rate on the Series 2005A Bonds will be adjusted to a Daily Interest Rate, Weekly Interest Rate, Bond Interest Term Rates or a Long-Term Interest Rate, or continue to be a Long-Term Interest Rate, as appropriate, unless (i) Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel on the effective date of such adjustment or (ii) in the case of an adjustment to a, or establishment of another, Long-Term Interest Rate Period, the Department elects, on or prior to the date of determination of such Long-Term Interest Rate, to rescind its election to cause such adjustment, in which case the Series 2005A Bonds, if being adjusted from a Daily Interest Rate Period, a Weekly Interest Rate Period or a Short-Term Interest Rate Period, will continue to bear interest at a Daily Interest Rate, Weekly Interest Rate or Bond Interest Term Rates as in effect prior to such proposed adjustment in the Interest Rate Period, or, if being adjusted from a Long-Term Interest Rate Period, will bear interest at a Weekly Interest Rate, for the period commencing on the date which would have been the effective date of such proposed Interest Rate Period; (b) the effective date of such different Interest Rate Period, and in the case of an adjustment to a, or the establishment of another, Long-Term Interest Rate Period, the last day of such Long-Term Interest Rate Period or in the case of an adjustment to a Short-Term Interest Rate Period, that a Bond Interest Term and a Bond Interest Term Rate for each Series 2005A Bond will be determined not later than the first day of such Bond Interest Term; (c) that the Series 2005A Bonds are subject to mandatory tender for purchase on the effective date of the new Interest Rate Period; and (d) the applicable purchase price on such date.

Upon the failure of an adjustment to a different Interest Rate Period, the Series 2005A Bonds will bear interest as provided in clause (a) of the notice described above. If notice of such adjustment has been mailed to the Owners of the Series 2005A Bonds as provided in the Forty-Second Supplemental Indenture and Bond Counsel fails to deliver a Favorable Opinion of Bond Counsel on the effective date as therein described, the Series 2005A Bonds will continue to be subject to mandatory tender for purchase on the date which would have been the effective date of such adjustment.

If the Department determines to adjust the Series 2005A Bonds to a different Interest Rate Period (other than a Long-Term Interest Rate Period for which the Long-Term Interest Rate is fixed to the maturity date of

the Series 2005A Bonds), the Department, as a condition to exercising its option to cause such a conversion, must deliver to the Paying Agent evidence that the Liquidity Facility to be in effect after the conversion will satisfy the requirements of the Forty-Second Supplemental Indenture.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

Establishment of an Alternate Rate

The Department, with the prior written consent of the Remarketing Agent, the Bond Insurer and the Bank, if any, is authorized to amend or supplement the Forty-Second Supplemental Indenture to provide for (or subsequently modify) an alternate rate determination method, which may include provisions for a dutch auction method of determination, (the "Alternate Rate") for the Series 2005A Bonds. Such amendment shall specify the period and dates for accrual and payment of interest (an "Alternate Rate Period"), the intervals and dates at which the rate will be established, the intervals and procedures by which the Series 2005A Bonds may be optionally or mandatorily tendered and the redemption provisions for Series 2005A Bonds in an Alternate Rate Period. These changes will be noted on the Series 2005A Bonds or an amended Series 2005A Bond form will be provided for in the amendment in order to reflect them. The election to change the interest rate determination method is to be made by the Department, with the prior written consent of the Remarketing Agent, the Bond Insurer and the Bank, if any, in the manner prescribed by the amendment or supplement to the Forty-Second Supplemental Indenture.

A change to an Alternate Rate Period from another Interest Rate Period shall cause a mandatory purchase of the Series 2005A Bonds. The requirements of the Forty-Second Supplemental Indenture regarding notice, receipt of the prior written consent of the Remarketing Agent, the Bond Insurer and the Bank, if any, and delivery of a Favorable Opinion of Bond Counsel shall apply to any such change. The effective date of a change to an Alternate Rate Period shall be (1) a Business Day not earlier than the 12th day (15th day if the then current Interest Rate Period for the Series 2005A Bonds shall be a Long-Term Interest Rate Period) following the second Business Day after receipt by the Paying Agent of an election by the Department to change to an Alternate Rate Period, (2) in the case of an adjustment from a Long-Term Interest Rate Period, the day immediately following the last day of the then-current Long-Term Interest Rate Period or a day on which the Series 2005A Bonds would otherwise be subject to optional redemption as set forth below in "THE SERIES 2005A BONDS - Redemption Provisions -- Optional Redemption" if such adjustment did not occur and (3) in the case of an adjustment from a Short-Term Interest Rate Period, the day immediately following the last day of the Short-Term Interest Rate Period. If a change to an Alternate Rate Period would take effect after a Bond Interest Term, then for any Series 2005A Bonds having Bond Interest Terms which end before the effective date of the Alternate Rate, the Remarketing Agent shall determine the Bond Interest Terms that will best promote an orderly transition to the Alternate Rate Period such that the day next succeeding the last day of all Bond Interest Terms with respect to such Series 2005A Bonds shall be the effective date of the Alternate Rate Period.

Each Alternate Rate is to be set at the minimum rate that the Remarketing Agent determines, in its sole discretion based on market conditions, would be necessary to sell all the Series 2005A Bonds on the day the rate is set at a price (without regarding accrued interest) equal to the principal amount thereof.

The amendment to the Forty-Second Supplemental Indenture shall establish an index and/or method by which the rate will be set, to be used if the Remarketing Agent does not set an Alternate Rate for an Alternate Rate Period or a court holds that the rate set for the Alternate Rate Period is invalid or unenforceable.

WITH RESPECT TO THE SERIES 2005A BONDS, THIS OFFICIAL STATEMENT DESCRIBES THE TERMS AND CONDITIONS OF THE SERIES 2005A BONDS ONLY WHILE THE SERIES 2005A BONDS BEAR INTEREST AT A WEEKLY INTEREST RATE.

Tender Provisions

THE FORTY-SECOND SUPPLEMENTAL INDENTURE PROVIDES THAT SO LONG AS CEDE & CO. IS THE SOLE REGISTERED OWNER OF THE SERIES 2005A BONDS, ALL TENDERS FOR PURCHASE AND DELIVERIES OF SERIES 2005A BONDS TENDERED FOR PURCHASE OR SUBJECT TO MANDATORY TENDER UNDER THE PROVISIONS OF THE FORTY-SECOND SUPPLEMENTAL INDENTURE SHALL BE MADE PURSUANT TO DTC'S PROCEDURES AS IN EFFECT FROM TIME TO TIME, AND NEITHER THE DEPARTMENT, THE TRUSTEE, THE PAYING AGENT, THE TENDER AGENT NOR THE REMARKETING AGENT SHALL HAVE ANY RESPONSIBILITY FOR OR LIABILITY WITH RESPECT TO THE IMPLEMENTATION OF SUCH PROCEDURES.

Tender for Purchase Upon Election of Owner During Daily Interest Rate Period. During any Daily Interest Rate Period, any Series 2005A Bond (other than Escrow Bonds) will be purchased in whole (or in part if both the amount to be purchased and the amount remaining unpurchased will consist of Authorized Denominations) from the Holder thereof at the option of such Holder on any Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, payable in immediately available funds, upon delivery by such Holder to the Tender Agent and the Remarketing Agent at their respective Principal Offices by no later than 11:00 a.m., New York City time, on such Business Day of an irrevocable written notice which states the principal amount of such Series 2005A Bond and the date on which such Series 2005A Bond is to be purchased, which date will be the date of delivery of such notice to the Tender Agent and the Remarketing Agent. Any notice delivered to the Tender Agent or the Remarketing Agent after 11:00 a.m., New York City time, will be deemed to have been received on the next succeeding Business Day.

Tender for Purchase Upon Election of Owner During Weekly Interest Rate Period. During any Weekly Interest Rate Period, any Series 2005A Bond (other than Escrow Bonds) will be purchased in whole (or in part if both the amount purchased and the amount remaining unpurchased will consist of Authorized Denominations) from the Owner thereof at the option of such Owner on any Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, payable in immediately available funds, upon delivery by such Owner to the Tender Agent and the Remarketing Agent at their respective Principal Offices by no later than 4:00 p.m., New York City time, on such Business Day of an irrevocable written notice which states the principal amount of such Series 2005A Bond and the date on which such Series 2005A Bond is to be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of delivery of such notice to the Tender Agent and the Remarketing Agent. Any notice delivered to the Tender Agent or the Remarketing Agent after 4:00 p.m., New York City time, will be deemed to have been received on the next succeeding Business Day.

Mandatory Tender for Purchase on Day Next Succeeding Last Day of Each Bond Interest Term. On the day next succeeding the last day of each Bond Interest Term (unless such day is the first day of a new Interest Rate Period in which case the Series 2005A Bonds will be subject to mandatory tender for purchase as provided in the next paragraph), the Owner of a Series 2005A Bond shall tender for purchase such Series 2005A Bond and such Series 2005A Bond will be purchased at a purchase price equal to the principal amount thereof payable in immediately available funds. The purchase price of any Series 2005A Bond so purchased shall be payable only upon surrender of such Series 2005A Bond to the Tender Agent at its Principal Office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank

by the Owner thereof or his duly authorized attorney, with such signature guaranteed by an institution which is a participant in the Securities Transfer Agent Medallion Program (STAMP) or similar program.

Mandatory Tender for Purchase on First Day of Each Interest Rate Period. The Series 2005A Bonds will be subject to mandatory tender for purchase on the first day of each Interest Rate Period (other than the initial Interest Rate Period), or on the day which would have been the first day of an Interest Rate Period had there been no occurrence of an event which resulted in the interest rate on the Series 2005A Bonds not being adjusted, at a purchase price payable in immediately available funds, equal to the principal amount of the Series 2005A Bonds.

Mandatory Tender for Purchase Upon Substitution, Expiration, Cancellation or Termination of Liquidity Facility. Prior to the date when the interest rate on the Series 2005A Bonds is established at a Long-Term Interest Rate fixed to the maturity thereof, if at any time the Paying Agent gives notice in accordance with the Forty-Second Supplemental Indenture that the Series 2005A Bonds will, on the date specified in such notice, cease to be subject to purchase pursuant to the Liquidity Facility (other than because of an Immediate Termination Event), the Series 2005A Bonds will be subject to mandatory tender for purchase at a purchase price equal to the principal amount thereof, plus accrued interest, if any, to the date of purchase:

(a) on a Business Day which is at least five days prior to the date on which the Liquidity Facility is to be cancelled by the Department in connection with its replacement by a Substitute Liquidity Facility; or

(b) on a Business Day which is at least five days prior to (i) a cancellation of the Liquidity Facility by the Department, (ii) a termination by the Bank of the Liquidity Facility upon the occurrence of an event of default under the Liquidity Facility, written notice of which has been delivered by the Bank to the Department, the Trustee, the Remarketing Agent, the Tender Agent, the Bond Insurer and the Paying Agent, or (iii) an expiration of the Liquidity Facility, except in the case of an Immediate Termination Event.

Notwithstanding the foregoing, in the event that in connection with any such cancellation, termination or expiration of an existing Liquidity Facility and substitution thereof with a Substitute Liquidity Facility, the Department delivers to the Trustee, the Paying Agent, the Tender Agent and the Remarketing Agent, prior to the date that notice of such cancellation, termination or expiration and substitution is given by the Paying Agent, written evidence from each Rating Agency then rating the Series 2005A Bonds to the effect that such cancellation, termination or expiration and substitution in and of itself will not result in the withdrawal or reduction of any rating then applicable to the Series 2005A Bonds, then the Series 2005A Bonds will not be subject to mandatory tender for purchase as provided above solely as a result of such cancellation, termination or expiration and substitution.

Mandatory Tender for Purchase at Election of the Department During Long-Term Interest Rate Period. The Series 2005A Bonds are subject to mandatory tender for purchase during any Long-Term Interest Rate Period (other than a Long-Term Interest Rate Period ending on the maturity date of the Series 2005A Bonds) on any date during the period in which such Series 2005A Bonds could be optionally redeemed, as designated by the Department, at a purchase price equal to the principal amount thereof, plus accrued interest, if any, to the date of purchase.

Irrevocable Notice Deemed to be Tender of Series 2005A Bonds. The giving of notice by an Owner of the election to have any Series 2005A Bond purchased during a Daily Interest Rate Period or a Weekly

Interest Rate Period will constitute the irrevocable tender for purchase of such Series 2005A Bond regardless of whether such Series 2005A Bond is delivered to the Tender Agent for purchase on the relevant purchase date.

Undelivered Bonds. If funds in the amount of the purchase price of any Series 2005A Bond which has not been delivered to the Tender Agent, in the case of a Series 2005A Bond purchased at the option of the Owner on the date specified for the purchase thereof or, in the case of a Series 2005A Bond subject to mandatory tender for purchase, on the date specified in the Forty-Second Supplemental Indenture, are available for payment to the Owner of such Series 2005A Bond on such date, from and after the date and time of that required delivery (a) such Series 2005A Bond will be deemed to be purchased and will no longer be deemed to be outstanding under the Trust Indenture or the Forty-Second Supplemental Indenture; (b) interest will no longer accrue on such Series 2005A Bond; and (c) funds in the amount of the purchase price of such Series 2005A Bond will be held by the Tender Agent for the benefit of the Owner thereof (provided that such Owner will have no right to any investment proceeds derived from such funds), to be paid on delivery (and proper endorsement) of such Series 2005A Bond to the Tender Agent at its Principal Office for delivery of Series 2005A Bonds.

Delivery Address For Tender Notices and Tendered Bonds. Notices in respect of tenders for purchase at the election of Owners during a Daily Interest Rate Period or a Weekly Interest Rate Period and Series 2005A Bonds subject to mandatory purchase as described above must be delivered to the Tender Agent. The initial address of the Tender Agent to which such notices and Series 2005A Bonds should be delivered is J.P. Morgan Trust Company, National Association, 2200 Ross Avenue, 6th Floor, Dallas, Texas 75201, Attention: Institutional Trust Services.

Payment of Purchase Price. For payment of the purchase price of any Series 2005A Bond required to be purchased pursuant to the Forty-Second Supplemental Indenture, such Series 2005A Bond must be delivered at or prior to 12:00 noon, New York City time, on the date specified in the notice relating to such purchase, to the Tender Agent at its Principal Office, accompanied by an instrument of transfer thereof, in form satisfactory to the Tender Agent, executed in blank by the Owner thereof or his duly authorized attorney, with such signature verified by an institution which is a participant in the Securities Transfer Agent Medallion Program (STAMP) or similar program. In the event any such Series 2005A Bond is delivered after 12:00 noon, New York City time, on such specified date, payment of the purchase price need not be made until the Business Day following the date of delivery of such Series 2005A Bond, but such Series 2005A Bond will nonetheless be deemed to have been purchased on the date specified in such notice, and no interest will accrue thereon after such date.

Immediate Termination Event or Suspension Event. The Series 2005A Bonds shall not be subject to mandatory tender as a result of the occurrence of an Immediate Termination Event or a Suspension Event. If the Paying Agent shall receive notice of the occurrence of an Immediate Termination Event or a Suspension Event, within one Business Day following its receipt of such notice, it shall notify the Owners of Series 2005A Bonds and the Bond Insurer that an Immediate Termination Event or a Suspension Event, as applicable, has occurred. See "THE LIQUIDITY FACILITY AND THE BANK."

Insufficient Funds for Purchase of Series 2005A Bonds. If payment of the purchase price of any Series 2005A Bond shall not be made to the Owner thereof on any purchase date (a "Failed Purchase Date"), such Series 2005A Bond shall be returned by the Tender Agent to the Owner thereof. Thereafter, commencing on the Failed Purchase Date and ending on the date that the Department in its discretion purchases or causes the purchase of all Series 2005A Bonds, the Series 2005A Bonds shall bear interest at a variable rate per annum equal to the BMA Swap Index plus one percent (1%). In the event that the Department purchases or causes the purchase of the Series 2005A Bonds and a Liquidity Facility is in effect, such Series 2005A Bonds shall

thereafter bear interest at a Daily Interest Rate, a Weekly Interest Rate, Bond Interest Term Rates, or a Long-Term Interest Rate as determined by the Department.

Redemption Provisions

The Series 2005A Bonds are subject to optional redemption, special redemption, and mandatory sinking fund redemption at various times prior to their scheduled maturities at various redemption prices as described below. **The Department anticipates that substantially all of the Series 2005A Bonds will be redeemed prior to their scheduled maturities as the result of the receipt by the Department of amounts representing Mortgage Loan Principal Prepayments, from certain excess Revenues from the Revenue Fund, and, in certain circumstances, from Surplus Indenture Revenues.**

Special Redemption from Unexpended Proceeds

The Series 2005A Bonds are subject to special redemption, at any time and from time to time, prior to their stated maturities, in whole or in part, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof plus accrued interest thereon to, but not including, the date of redemption, from amounts representing lendable proceeds of the Series 2005A Bonds, if any, that are not to be used to purchase 2005 Mortgage Certificates and are transferred to the 2005 A Redemption Subaccount. Such redemption shall occur as soon as practicable after receipt of the certification of the Department that such amounts will not be used to purchase 2005 Mortgage Certificates. The Department is not required to transfer unexpended proceeds to the 2005 A Redemption Subaccount unless such proceeds exceed \$250,000.

Special Redemption From Mortgage Loan Principal Prepayments

The Series 2005A Bonds are subject to redemption prior to maturity and shall be redeemed, in whole or in part, from time to time on or after September 1, 2005, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2005A Bonds or portions thereof to be redeemed, plus accrued interest to but not including the redemption date, from amounts representing Mortgage Loan Principal Prepayments in the case of the Series 2005A Bonds, to the 2005 A Redemption Subaccount, all in accordance with the Trust Indenture.

Special Redemption From Excess Revenues

The Series 2005A Bonds are subject to redemption prior to maturity and shall be redeemed, in whole or in part, from time to time on or after September 1, 2005, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2005A Bonds or portions thereof to be redeemed, plus accrued interest to but not including the redemption date, from excess Revenues (including Surplus Indenture Revenues whether or not derived in connection with the Series 2005A Bonds).

In general, excess Revenues (including Surplus Indenture Revenues derived in connection with the Series 2005A Bonds) will consist of funds remaining on each Interest Payment Date, in the case of the Series 2005A Bonds, in the 2005 A Revenue Account of the Revenue Fund after taking into account (1) the provision for payment of Debt Service, including Swap Agreement Periodic Payments, on the applicable Series 2005A Bonds on such Interest Payment Date, (2) the required transfers of amounts to the 2005 A Subaccount of the Redemption Account, (3) the amounts, if any, required to fund the Debt Service Reserve Account on such Interest Payment Date, and (4) the payment of Department Expenses in accordance with the Trust Indenture.

Optional Redemption

The Series 2005A Bonds are subject to redemption prior to maturity, after giving notice as provided in the Trust Indenture, as follows:

(a) During a Daily Interest Rate Period or a Weekly Interest Rate Period for the Series 2005A Bonds, the Series 2005A Bonds shall be subject to optional redemption by the Department, in whole or in part on any Business Day, at a Redemption Price equal to 100% of the principal amount thereof to be redeemed plus accrued interest, if any, to the redemption date.

(b) On the day succeeding the last day of any Bond Interest Term with respect to any Series 2005A Bond bearing interest at Bond Interest Term Rates, such Series 2005A Bond shall be subject to optional redemption by the Department, in whole or in part, at a Redemption Price equal to 100% of the principal amount thereof to be redeemed.

(c) During any Long-Term Interest Rate Period for the Series 2005A Bonds, the Series 2005A Bonds shall be subject to optional redemption by the Department, in whole or in part on any date, at a Redemption Price equal to 100% of the principal amount thereof to be redeemed, plus accrued interest, if any, to the redemption date (i) on the first day of such Long-Term Interest Rate Period and (ii) during the period set forth below opposite the applicable length of such Long-Term Interest Rate Period:

<u>Length of Long-Term Interest Rate Period (expressed in years)</u>	<u>Redemption Period</u>
Greater than 15	on or after the 10 th anniversary of the first day of such Long-Term Interest Rate Period
less than or equal to 15 and greater than 10	on or after the 7 th anniversary of the first day of such Long-Term Interest Rate Period
less than or equal to 10 and greater than 7	on or after the 5 th anniversary of the first day of such Long-Term Interest Rate Period
less than or equal to 7 and greater than 4	on or after the 3 rd anniversary of the first day of such Long-Term Interest Rate Period
less than or equal to 4	on or after the 2 nd anniversary of the first day of such Long-Term Interest Rate Period

Mandatory Sinking Fund Redemption

The Series 2005A Bonds maturing on the dates specified below are subject to scheduled mandatory redemption prior to maturity, after giving notice as provided in the Trust Indenture, in the principal amounts and on the dates set forth in the following tables, at a Redemption Price equal to one hundred percent (100%) of the principal amount of Series 2005A Bonds or portions thereof to be redeemed, plus accrued interest to the redemption date:

The principal amount of the Series 2005A Bonds to be redeemed on each such redemption date pursuant to mandatory sinking fund redemption shall be reduced by the principal amount of any Series 2005A Bonds which (A) at least 45 days prior to the mandatory sinking fund redemption date, (1) shall have been acquired by the Department and delivered to the Trustee for cancellation, or (2) shall have been acquired and canceled by the Trustee at the direction of the Department, or (3) shall have been redeemed other than pursuant to mandatory sinking fund redemption, and (B) shall have not been previously credited against a scheduled mandatory sinking fund redemption. Unless otherwise directed by the Department upon delivery of a Statement of Projected Revenues, (x) in the event Series 2005A Bonds are redeemed pursuant to special redemption from unexpended proceeds as set forth above, such redemption shall be credited against mandatory sinking funds in a manner as close to pro-rata as possible; and (y) in the event Series 2005A Bonds are redeemed pursuant to special redemption from Mortgage Loan Principal Prepayments or excess revenues as set forth above, such redemption shall be credited against mandatory sinking funds in a chronological order.

Selection of Series 2005A Bonds to be Redeemed

The particular Series 2005A Bonds or portions thereof to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. Any Series 2005A Bonds redeemed in part shall be redeemed in an amount such that the unredeemed portion thereof shall equal

an Authorized Denomination, and, in selecting Series 2005A Bonds for redemption, the Trustee shall treat each Series 2005A Bond in a denomination greater than the minimum Authorized Denomination as representing that number of Series 2005A Bonds of the minimum Authorized Denomination which is obtained by dividing the principal amount of such Series 2005A Bonds by the minimum Authorized Denomination.

Notice of Redemption

The Trustee shall give notice, in the name of the Department, of the redemption of Series 2005A Bonds to the holders thereof, which notice shall specify the series and maturities of the Series 2005 Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2005A Bonds of any like series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2005A Bonds so to be redeemed, and, in the case of Series 2005A Bonds to be redeemed in part only, such notices shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2005A Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof, in the case of Series 2005A Bonds to be redeemed in part only, together with interest accrued to but not including the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice by first class mail, postage prepaid, not less than 30 days prior to the redemption date, to the holders of any Series 2005A Bonds or portions thereof which are to be redeemed, at their last addresses, if any, appearing upon the registry books of the Trustee. The Trustee's obligation to give such notice shall not be conditioned upon the prior payment to the Trustee of funds sufficient to pay the Redemption Price on the Series 2005A Bonds to which such notice relates or interest thereon to the redemption date.

Payment of Redeemed Bonds

Notice having been given as provided in the Trust Indenture, the Series 2005A Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. Upon presentation and surrender thereof at the office specified in such notice, such Series 2005 Bonds or portions thereof shall be paid at the Redemption Price, plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Series 2005A Bond, the Department shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Series 2005A Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Series 2005A Bond so surrendered, registered Series 2005A Bonds in any of the Authorized Denominations. If, on the redemption date, moneys for the redemption of all the Series 2005A Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as specified in the Trust Indenture, then from and after the redemption date interest on the Series 2005A Bonds or portions thereof so called for redemption shall cease to accrue and become payable. If such moneys shall not be available on the redemption date, such Series 2005A Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Purchase in Lieu of Redemption

The Trust Indenture permits the purchase of Bonds, including the Series 2005A Bonds, in the open market in lieu of redemption of Bonds. Any such purchase may be at a price not exceeding the then current Redemption Price for such Bonds.

DTC and Book-Entry

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2005A Bonds. The Series 2005A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2005A Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2005A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2005A Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2005A Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' Records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2005A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2005A Bonds, except in the event that use of the book-entry system for the Series 2005A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2005A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2005A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2005A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2005A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2005A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2005A Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Series 2005A Bonds may wish to ascertain that the nominee holding the Series 2005A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2005A Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2005A Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Department as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2005A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments on the Series 2005A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Department or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Series 2005A Bonds held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the Department, subject to any statutory or regulatory requirements as may be in effect from time to time. Payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Department or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2005A Bonds at any time by giving reasonable notice to the Department or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Department may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation of, the Department, the Trustee or the Underwriters.

FOR AS LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2005A BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO HOLDERS OR OWNERS OF THE SERIES 2005A BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS, EXCEPT AS DESCRIBED HEREIN.

NEITHER THE DEPARTMENT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, OR THE PERSON FOR WHOM DTC PARTICIPANTS ACT AS NOMINEES, WITH RESPECT TO THE PAYMENTS ON THE SERIES 2005A BONDS OR THE PROVIDING OF NOTICE TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS, OR BENEFICIAL OWNERS OR THE SELECTION OF PORTIONS OF THE SERIES 2005A BONDS FOR REDEMPTION.

Discontinuation of Book-Entry-Only System

In the event that the book-entry-only system is discontinued by DTC or the Department, the following provisions will be applicable to the Series 2005A Bonds. Series 2005A Bonds may be exchanged for an equal aggregate principal amount of Series 2005A Bonds in other Authorized Denominations of the same series and maturity and interest rate upon surrender thereof at the applicable corporate trust office of the Trustee with a duly executed assignment in form satisfactory to the Trustee. The transfer of any Series 2005A Bond may be registered on the books maintained by the Trustee for such purpose only upon the surrender of such Series 2005A Bond to the Trustee with a duly executed assignment in form satisfactory to the Trustee. For every exchange or transfer of registration of Series 2005A Bonds, the Department and the Trustee may make a charge sufficient to reimburse them for any tax, fee, or other governmental charge required to be paid with respect to such exchange or registration of transfer, as well as the fee, if any, charged by the Trustee for the transfer or exchange. The Trustee will not be required to transfer or exchange any Series 2005A Bond for a period of 20 days next preceding an interest payment date on such Series 2005A Bonds or next preceding any selection of Series 2005A Bonds to be redeemed or thereafter until after mailing of any notice of redemption on any Series 2005A Bonds called for redemption, or transfer or exchange any Series 2005A Bonds called for redemption. The Department and the Trustee may treat the person in whose name a Series 2005A Bond is registered as the absolute owner thereof for all purposes, whether such Series 2005A Bond is overdue or not, including for the purpose of receiving payment of, or on account of, the principal of, and interest on, such Series 2005A Bond. If any Series 2005A Bond is not presented for payment when the principal or the Redemption Price therefor becomes due, and if moneys sufficient to pay such Series 2005A Bond (or the portion thereof called for redemption) or such interest, as is applicable, have been deposited under the Trust Indenture, all liability of the Department to the owner thereof for the payment of such Series 2005A Bonds (or portion thereof) or such interest, as applicable, will be discharged, and thereupon it shall be the duty of the Trustee to hold such money for the benefit of the owner of the applicable Series 2005A Bond, who will thereafter be restricted exclusively to such money, for any claim on his part under the Trust Indenture or on or with respect to, such principal, Redemption Price and/or interest. Money not claimed within three years will be turned over to the Comptroller of Public Accounts of the State of Texas (the "Comptroller"), in accordance with Title 6, Texas Property Code.

THE LIQUIDITY FACILITY AND THE BANK

There follows under this caption certain information concerning the Liquidity Facility and the Bank, DEPFA BANK plc, acting through its New York Branch ("DEPFA" or the "Bank"). No representation is made by the Department, the Underwriters or any of their counsel as to the accuracy, completeness or adequacy of such information, or as to the absence of any materially adverse changes in such information subsequent to the date hereof. Neither the Department, the Underwriters nor any of their counsel have made any independent investigation of DEPFA or the Liquidity Facility.

The Liquidity Facility

The Department will cause to be executed and delivered to the Trustee, simultaneously with the issuance of the Series 2005A Bonds, the Liquidity Facility, by and among the Department, the Tender Agent and the Bank, providing for the purchase, in accordance with the terms thereof, of each Series 2005A Bond, which is in a Daily Rate Period or a Weekly Rate Period and is tendered for purchase, as provided in the Trust

Indenture, and not remarketed; provided, however, that Series 2005A Bonds owned by the Department or any Affiliate (as defined in the Liquidity Facility) of the Department are not eligible for purchase. The Liquidity Facility contains various provisions, covenants and conditions, certain of which are summarized below. Various words or terms used in the following summary are defined in this Official Statement, the Liquidity Facility or the Trust Indenture, and reference thereto is made for full understanding of their import. *Unless otherwise noted below, (i) this summary of terms and provisions is applicable to the Liquidity Facility described in this Official Statement and (ii) the Liquidity Facility supports only the Series 2005A Bonds described therein.*

General. The purchase price of each Series 2005A Bond tendered for purchase is payable from the proceeds of the remarketing of such Series 2005A Bond and, to the extent remarketing proceeds are insufficient or not available therefor, from amounts available under the Liquidity Facility. The Liquidity Facility requires the Bank to provide funds for the purchase of Series 2005A Bonds which are "Eligible Bonds" (as defined in the Liquidity Facility), subject to certain conditions described below. Series 2005A Bonds to be purchased and held by the Bank will bear interest at the Bank Rate in accordance with (and as defined in) the Liquidity Facility.

The amount of the Liquidity Facility at any one time is determined by adding the Available Principal Commitment and the Available Interest Commitment therefor. The Available Principal Commitment is equal to the initial principal amount of the related Series 2005A Bonds adjusted as follows: (a) downward by the amount of any mandatory reduction of such amount pursuant to the Liquidity Facility, (b) downward by the principal amount of Series 2005A Bonds purchased by the Bank pursuant to the related Liquidity Facility and (c) upward by the principal amount of Series 2005A Bonds that were purchased by the Bank and subsequently remarketed by the Remarketing Agent or retained by the Bank in lieu of sale pursuant to a remarketing. The Available Interest Commitment is equal to 189 days interest with respect to the initial amount of the Available Principal Commitment based on an assumed rate of 12% per annum and a 365-day year for the actual number of days elapsed. The Available Interest Commitment will, from time to time, be reduced commensurate with any reduction to the Available Principal Commitment as described in clause (a) or (b) of this paragraph and increased commensurate with any increase in the Available Principal Commitment as described in clause (c) of this paragraph.

The Liquidity Facility will be effective on the date of delivery of the Series 2005A Bonds (the "Effective Date") and shall be effective from the Effective Date until the earliest of (i) April 20, 2008, or to an extended date as may become effective under the Liquidity Facility (the "Expiration Date"), (ii) the date on which no Series 2005A Bonds are Outstanding, (iii) the close of business on the Conversion Date (as defined in the Liquidity Facility), (iv) the date on which the Bank terminates its obligations to purchase Series 2005A Bonds pursuant to the Liquidity Facility, (v) the first date on which the Bonds are paid in full, or (vi) the date on which the Available Commitment (as defined in the Liquidity Facility) has been reduced to zero or terminated in its entirety pursuant to the Liquidity Facility.

On each date on which Series 2005A Bonds are to be purchased by the Bank pursuant to an optional tender or mandatory tender for purchase, by no later than 10:30 a.m., New York time, the Tender Agent will give notice to the Bank of the Series 2005A Bonds required to be purchased and the amount of principal and interest, respectively, required for such purchase, as set forth in the Liquidity Facility. Upon receipt of such notice, the Bank, subject to satisfaction of the conditions precedent to purchase as set forth in the Liquidity Facility, shall, by no later than 1:30 p.m., New York time, transfer to the Tender Agent, in immediately available funds, an amount equal to the purchase price of all Series 2005A Bonds required to be purchased by the Bank.

The obligations of the Bank to purchase Series 2005A Bonds pursuant to the Liquidity Facility is subject to the condition precedent that no Insurer Event of Default or Suspension Event shall have occurred. An "Insurer Event of Default" is any event specified in paragraph (a), (e), (f), (g) or (h)(i) under "Events of

Default" below. A "Suspension Event" is the suspension of the obligation to purchase Series 2005A Bonds by reasons of the remedies set forth in paragraph (2) under "Remedies Upon an Event of Default" below.

Events of Default. As described below, the Liquidity Facility provides that the obligation of the Bank to purchase Series 2005A Bonds tendered by Bondholders or subject to mandatory tender may be terminated or suspended upon the occurrence of certain events. If a Liquidity Facility is terminated, sufficient funds may not be available to purchase Series 2005A Bonds tendered by the Bondholders thereof. The following events are the Events of Default under the Liquidity Facility:

(a) Any principal or interest due on the Series 2005A Bonds (including Bank Bonds, as defined in the Liquidity Facility) is not paid when due by FSA when, as, and in the amounts required to be paid pursuant to the terms of the Policy; or

(b) The Department shall fail to pay when due any amount owing under specified sections of the Liquidity Facility and the same shall remain unpaid for ten (10) Business Days after written notice of such failure has been given to FSA, the Department and the Trustee; or

(c) An Insurer Adverse Change (as defined in the Liquidity Facility) shall occur; or

(d) Any Governmental Authority (as defined in the Liquidity Facility) with jurisdiction to rule on the validity of the Policy shall announce, find or rule that the Policy, or any provision of the Policy relating to payments thereunder, is not valid and binding on FSA; or

(e) The validity or enforceability of the Policy, or any provision of the Policy relating to payments thereunder, shall be contested in writing by FSA or FSA shall initiate any legal proceedings to seek an adjudication that the Policy, or any provision of the Policy relating to payments thereunder, is not valid and binding on FSA; or

(f) An Insurer Event of Insolvency (as defined in the Liquidity Facility) shall have occurred; or

(g) FSA shall fail to make any payment when due under any bond insurance policy (other than the Policy) issued by it insuring obligations publicly rated by any of Moody's, Fitch or S&P, and such failure shall continue for a period of 30 Business Days unless the obligation of FSA to pay is being contested by FSA in good faith by appropriate proceedings; or

(h) (i) Each of Moody's, Fitch and S&P shall downgrade the rating of the financial strength or claims-paying ability of FSA to below Investment Grade (as defined in the Liquidity Facility) or (ii) each of Moody's, Fitch and S&P shall suspend or withdraw such financial strength or claims paying ability rating of FSA for credit related reasons and the rating so suspended or withdrawn is not reinstated within 30 days of the date of such suspension or withdrawal; or

(i) Any material representation or warranty made by or on behalf of the Department in the Liquidity Facility or in any Related Document (as defined in the Liquidity Facility) or in any certificate or statement delivered shall be incorrect or untrue in any material respect when made or deemed to have been made; or

(j) The Department shall default in the due performance or observance of any of the covenants set forth in specified sections of the Liquidity Facility; or

(k) The Department shall default in the due performance or observance of any other term, covenant or agreement contained in the Liquidity Facility (other than those referred to in paragraph (a), (b), (i) and (j) and such default shall remain unremedied for a period of 30 days after the Bank shall have given written notice thereof to the Department; or

(l) The Department shall be in default in the payment of any principal or interest with respect to any Debt (as defined in the Liquidity Facility) ranking on a parity with the Series 2005A Bonds, or the Department shall default in the performance of any agreement (including any Related Document) under which any such obligation is created if the effect of such default is to cause such obligation to become, or to permit any holder or beneficiary thereof, or a trustee on behalf thereof, with notice if required, to declare such obligation to be, due prior to its normal maturity, or a moratorium shall have been declared or announced (whether or not in writing) by the Department with respect to any of the Debt ranking on a parity with the Series 2005A Bonds, and any of the foregoing may (in the reasonable judgment of the Bank) have a material adverse effect on the ability of the Department to perform its obligations under the Liquidity Facility or under the Related Documents to which it is a party; or

(m) (i) The Department shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other similar independent official for it or for all or any substantial part of its assets, or the Department shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the Department any case, proceeding or other action of a nature referred to in clause (i) above which (y) results in an order for such relief or in the appointment of a receiver or similar official or (z) remains undismissed, undischarged or unbonded for a period of 90 days; or (iii) there shall be commenced against the Department any case, proceeding or other action seeking execution and deliverance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within 90 days from the entry thereof; or (iv) the Department shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) the Department shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts; or

(n) Any material provision of the Liquidity Facility or any Related Document (other than the Policy) shall at any time for any reason cease to be valid and binding on the Department or any other party thereto or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by the Department or such other party thereto or by any governmental agency or authority having jurisdiction, or the Department or such other party shall deny that it has any or further liability or obligation under any such document.

Remedies upon an Event of Default. If any Event of Default occurs and is continuing, the Bank has the following remedies:

(1) In the case of an Event of Default as specified in either paragraph (b) or (c) above, the Bank may give written notice (a "Notice of Termination") of such Event of Default to the Trustee, Tender Agent, the Paying Agent, the Department and the Remarketing Agent, requiring a Termination Tender (as defined in the Liquidity Facility). The obligation of the Bank to purchase Series 2005A Bonds shall terminate

at the close of business on the Business Day specified in such Notice of Termination, which shall be a Business Day not less than 10 calendar days after the date such Notice of Termination is received by the Trustee and, on such date, the Available Commitment shall terminate and the Bank shall be under no further obligation to purchase Series 2005A Bonds.

(2) In the case of an Event of Default as specified in paragraph (d), or a Default (as defined in the Liquidity Facility) specified in paragraph (g) or clause (ii) of paragraph (h) above (each, a "Suspension Event"), the Bank's obligations to purchase Series 2005A Bonds under the Liquidity Facility shall immediately be suspended without notice or demand to any person and, thereafter, the Bank shall be under no obligation to purchase Series 2005A Bonds until the Available Commitment (as defined in the Liquidity Facility) is reinstated as described below. Promptly upon the occurrence of such Suspension Event, the Bank shall notify the Department, FSA, the Trustee, the Paying Agent, the Tender Agent and the Remarketing Agent of such suspension in writing; provided, that the Bank shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the suspension of the Available Commitment and of the Bank's obligation to purchase Series 2005A Bonds pursuant to the Liquidity Facility. The Department shall promptly direct the Tender Agent in writing to notify all Bondholders of any suspension of the obligation of the Bank to purchase Series 2005A Bonds as a result of the occurrence of such Suspension Event. If at any time prior to the earlier of (i) the then current Expiration Date and (ii) the date that is three years following the suspension of the obligation of the Bank to purchase Series 2005A Bonds, (x) the Default or Event of Default which gave rise to such suspension is cured or ceases to be continuing and (y) the obligation of the Bank to purchase Series 2005A Bonds under the Liquidity Facility has not otherwise terminated, then, upon written notice from the Bank to the Tender Agent to such effect, the obligation of the Bank to purchase Series 2005A Bonds under the Liquidity Facility shall be automatically reinstated. If the Default or Event of Default which gave rise to the suspension of the obligations of the Bank to purchase Series 2005A Bonds under the Liquidity Facility has not been cured prior to, or is continuing on, the date that is three years following the suspension of the obligation of the Bank to purchase Series 2005A Bonds, (including the pendency of any litigation involving the validity of the Policy), then, the obligation of the Bank to purchase Series 2005A Bonds shall be terminated upon written notice from the Bank to the Department, the Trustee, the Tender Agent, the Remarketing Agent and FSA to such effect and, thereafter, the Bank shall have no further obligations to purchase any Series 2005A Bonds; provided that the Bank shall not incur any liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of the Available Commitment and of the obligations of the Bank to purchase Series 2005A Bonds under the Liquidity Facility. Notwithstanding the foregoing provisions of this paragraph (2), the Tender Agent shall provide written notice to the Bondholders, the Department, FSA and the Remarketing Agent of any suspension, termination or reinstatement of the Bank's obligations described in this paragraph (2).

(3) In the case of an Insurer Event of Default, the Available Commitment and the obligation of the Bank to purchase Series 2005A Bonds shall immediately terminate without notice or demand to any person and, thereafter, the Bank shall be under no obligation to purchase Series 2005A Bonds. Promptly upon such Insurer Event of Default, the Bank shall give written notice of the same to the Trustee, the

Tender Agent, the Department, FSA and the Remarketing Agent; provided, that the Bank shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of the Available Commitment and of the Bank's obligation to purchase Series 2005A Bonds pursuant to the Liquidity Facility. The Trustee shall immediately notify all Bondholders of the termination of the Available Commitment and the obligation of the Bank to purchase the Series 2005A Bonds.

(4) Upon the occurrence of an Event of Default as specified in paragraph (i), (j), (k), (l), (m) or (n) above, the Bank shall have all remedies provided at law or equity, including, without limitation, mandamus or specific performance; provided, however, that the Bank shall not have the right to terminate its obligation to purchase Series 2005A Bonds, to declare any amount due under the Liquidity Facility due and payable, or to accelerate the maturity date of any Series 2005A Bonds except as provided in the Trust Indenture. Without limiting the generality of the foregoing, the Bank agrees to purchase Series 2005A Bonds on the terms and conditions of the Liquidity Facility notwithstanding the institution or pendency of any bankruptcy, insolvency or similar proceeding with respect to the Department. The Bank will not assert as a defense to its obligation to purchase Series 2005A Bonds under the Liquidity Facility (i) the institution or pendency of a bankruptcy, insolvency or similar proceeding with respect to the Department, or (ii) a determination by a court of competent jurisdiction in a bankruptcy, insolvency or similar proceeding with respect to the Department that the Liquidity Facility is not enforceable against the Department under applicable bankruptcy, insolvency or similar laws.

DEPFA BANK plc

The following information has been provided by the Bank (at times referred to hereinafter as "DEPFA") for use in this Official Statement. Such information is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by, the Department or the Remarketing Agent. This information has not been independently verified by the Department or the Remarketing Agent. No representation is made by the Department or the Remarketing Agent as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

DEPFA BANK plc ("DEPFA") is the parent company of the DEPFA BANK plc group of companies comprising DEPFA and its consolidated subsidiaries (the "Group"). DEPFA will act through its New York Branch, which is licensed by the Banking Department of the State of New York as an unincorporated branch of DEPFA BANK plc, Dublin. DEPFA is based in Dublin and has a banking license from the Irish Financial Services Regulatory Authority as part of the Central Bank and Financial Services Authority of Ireland (formerly the Central Bank of Ireland). It is registered in the Irish companies Registration Office with company number 348819 and its shares are listed on the Frankfurt Stock Exchange. DEPFA has a network of subsidiaries, branches and offices across many European countries, as well as in North America and Asia.

The Group provides a broad range of products and services to public sector entities, from governmental budget financing and financing of infrastructure projects to placing of public sector assets and investment banking and other advisory services. The Group has direct client contacts with many state entities and focuses on those public sector entities involved in large volume business. The Group advises individual public sector borrowers on their international capital market transactions and preparations for the ratings process.

As of December 31, 2004, DEPFA had total consolidated assets of Euro 190.0 billion, outstanding medium and long term loans to customers of Euro 69 billion or Euro 34 billion (excluding discontinued

operations), shareholders' equity of Euro 1.9 billion and consolidated net income of Euro 540 million (includes Euro 50 million in realizing reserves in the loan portfolio of DEPFA Deutsche Pfandbriefbank AG in preparation for its sale), determined in accordance with the United States generally accepted accounting principles (US GAAP). DEPFA maintains its records and prepares its financial statements in Euro. At December 31, 2004, the exchange rate was 1.0000 Euro equals 1.3621 United States dollars. Such exchange rate fluctuates from time to time.

On March 1, 2004, DEPFA announced that it intends to sell its German subsidiary, DEPFA Deutsche Pfandbriefbank AG, which represents approximately 41% of the Group's total assets and approximately 28% of net profits, as of December 31, 2004. Deutsche Pfandbriefbank AG is primarily engaged in public finance in Germany. The transaction should permit DEPFA to de-leverage its balance sheet and further expand and diversify its business internationally, including the U.S. public finance market. Information regarding the status of the sale of DEPFA Deutsche Pfandbriefbank AG is available on DEPFA's website at: www.depfa.com.

DEPFA is rated "Aa3" long-term and "P-1" short-term by Moody's, "AA-" long-term and "A-1+" short-term by S&P, and "AA-" long-term and "F1+" short-term by Fitch. In connection with the intended sale of DEPFA Deutsche Pfandbriefbank AG, on March 1, 2004, Moody's placed DEPFA BANK plc and related entities on negative outlook, noting uncertainty as to how DEPFA will expend sale proceeds. DEPFA's short-term ratings were not affected.

DEPFA will provide without charge a copy of its most recent publicly available annual report. Written requests should be directed to: DEPFA BANK plc, New York Branch, 623 Fifth Avenue, 22nd Floor, New York, New York 10022, Attention: General Manager. The delivery of this information shall not create any implication that the information contained or referred to herein is correct as of any time subsequent to its date. SWAP AGREEMENT

In connection with the issuance of the Series 2005A Bonds, the Department will enter into an interest rate swap agreement (the "Swap Agreement") with Bear Stearns Financial Products, Inc. (the "Swap Provider"), which will become effective upon the delivery of the Series 2005A Bonds. Pursuant to the Swap Agreement payments will begin accruing on August 1, 2005 and payments will be made semiannually beginning on September 1, 2005, computed based on a variable rate intended to approximate the variable interest rate on the Series 2005A Bonds, on a notional amount corresponding to the outstanding principal amount of the Series 2005A Bonds, provided that the variable rate payments to the Department may not equal the variable interest payable on the Series 2005A Bonds. The Department will agree to pay to the Swap Provider on such dates, payments computed at a fixed rate, on the same notional amount. Payments from the Department to the Swap Provider under the Swap Agreement are subordinate to payments of principal of and interest on the Bonds.

In connection with the issuance of the Series 2005A Bonds, the Department will enter into an interest rate swap agreement. See "SWAP AGREEMENT."

The Department's scheduled payments under the Swap Agreement to the Swap Provider will be insured by FSA and payments by the Swap Provider to the Department will be an unsecured general obligation of the Swap Provider. The Swap Policy does not insure payments of principal of and interest on the Series 2005A Bonds. Any payments from the Swap Provider to the Department will not be pledged for the payment of principal of and interest on any Bonds. The payment obligations of the Department and the Swap Provider under the Swap Agreement may be netted against other swap transactions. Payments from the Department to the Swap Provider under the Swap Agreement are subordinate to payments of principal and interest on the Bonds.

With respect to the Department's Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2004 Series B (the "Series 2004B Bonds"), the Department entered into an interest rate swap agreement with UBS AG, pursuant to which payments began September 1, 2004 and will be made semi-annually beginning March 1, 2005. Payments under this swap agreement are subordinate to payments of principal and interest on the Bonds. The scheduled payments under this swap agreement are insured by FSA.

With respect to the Department's Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2004 Series D (the "Series 2004D Bonds"), the Department entered into an interest rate swap agreement with Goldman, Sachs Capital Markets, L.P., pursuant to which payments began January 1, 2005 and will be made semi-annually beginning March 1, 2005. Payments under this swap agreement are subordinate to payments of principal and interest on the Bonds. The scheduled payments under this swap agreement are insured by FSA.

SECURITY FOR THE BONDS

Pledge of Trust Indenture

The Bonds, including the Series 2005A Bonds are equally and ratably secured by the Trust Indenture for the equal benefit, protection and security of the owners of the Bonds, each of which, regardless of time of issuance or maturity, is to be of equal rank without preference, priority or distinction, except as otherwise provided in the Trust Indenture.

Principal or Redemption Price of and interest on all Bonds are payable solely from and are secured by a pledge of and lien on the Trust Estate, which consists generally of the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), money and Investment Securities held in the Funds (excluding the Rebate Account, the 2005 A Swap Agreement Termination Payment Subaccount and the 2005 A Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account), and other property pledged under the Trust Indenture and any supplemental indenture. Revenues include all payments with respect to the Mortgage Loans (net of servicing, accounting and collection fees) which include Mortgage Certificates (net of servicing and guaranty fees) and the earnings on investments of amounts held under the Trust Indenture and any supplemental indenture. Revenues do not include Swap Agreement Periodic Receipts or Swap Agreement Termination Receipts, payments made in order to obtain or maintain mortgage insurance and fire and other hazard insurance with respect to Mortgage Loans (including Mortgage Certificates), and any payments required to be made with respect to Mortgage Loans (including Mortgage Certificates) for taxes, other governmental charges, and other similar charges customarily required to be escrowed on mortgage loans or commitment fees or other financing charges paid by a Mortgage Lender or the Servicer to the Department in connection with a commitment to sell and deliver Mortgage Loans (including Mortgage Certificates) to the Department. Swap Agreement Periodic Receipts will be available to pay Debt Service on the Bonds. Bondholders have no rights to or lien on the Swap Agreement.

All Bonds issued under the Trust Indenture are also equally and ratably secured by amounts in the Debt Service Reserve Account of the Debt Service Fund. See "THE TRUST INDENTURE -- Debt Service Reserve Account." The Trust Indenture requires that the Debt Service Reserve Account be funded in the amount sufficient to cause the Account to be maintained at a level at least equal to three percent (3%) of the aggregate principal amount of Mortgage Loans outstanding (zero percent (0%) for Mortgage Loans represented by Mortgage Certificates) from time to time. As of December 31, 2004, the Debt Service Reserve Account Requirement for the Bonds was \$949,091. As of such date, \$949,091 was on deposit in the Debt Service Reserve Account. Because the Mortgage Loans to be made with proceeds of the Series 2005A Bonds are to be represented by Mortgage Certificates, no deposit to the Debt Service Reserve Account will be made in connection with the issuance of the Series 2005A Bonds.

The Department has covenanted in the Trust Indenture to enforce diligently, and take all reasonable steps, actions and proceedings necessary for the enforcement of all terms, covenants and conditions of all Mortgage Loans, including the prompt payment of all Mortgage Loan interest and principal payments and all other amounts due the Department thereunder, the enforcement of any insurance policy or guaranty relating to a Mortgage Loan, and the foreclosure of Mortgages or enforcement of security interests for defaulting Mortgage Loans. The Department has further covenanted not to release the obligation of any borrower under any Mortgage Loan, except upon the execution of a valid and enforceable assumption agreement as permitted by the Trust Indenture, and at all times, to the extent permitted by law, to defend, enforce, preserve and protect the rights and privileges of the Department and of the Bondholders under or with respect to each Mortgage Loan. The Department reserves the right to settle a default on any Mortgage Loan on such terms as the Department shall determine to be in the best interests of the Department and the Bondholders and to forebear from taking action with respect to enforcement of a Mortgage Loan, if it determines such forbearance to be in the best interest of the Department and the Bondholders. The Department has the right under the Trust Indenture to refinance any Mortgage Loan if it will not adversely affect the tax-exempt status of interest on the Bonds.

The Series 2005A Bonds are limited obligations of the Department. Neither the State nor any agency of the State, other than the Department, nor the United States of America or any agency, department or other instrumentality thereof, including Ginnie Mae, Freddie Mac and Fannie Mae, is obligated to pay the principal or Redemption Price of or interest on the Series 2005A Bonds. Neither the faith and credit nor the taxing power of the State or the United States of America is pledged, given or loaned to such payment. The Department has no taxing power. Ginnie Mae, Freddie Mac and Fannie Mae guarantee only the payment of the principal of and interest on the Ginnie Mae Certificates, Freddie Mac Certificates and Fannie Mae Certificates, respectively, when due and do not guarantee the payment of the Series 2005A Bonds or any other obligations issued by the Department.

The Prior Bonds

In addition to the Series 2005A Bonds to be issued, thirty-seven series of the Department's Single Family Mortgage Revenue Bonds have been issued pursuant to the Trust Indenture, and to the extent Outstanding are secured on an equal and ratable basis by the Trust Estate established by the Trust Indenture. As of December 31, 2004, twenty series of such Prior Bonds were Outstanding in an aggregate principal amount of \$654,845,000. For more detailed information concerning the original principal amounts and Outstanding amounts of the Prior Bonds, please refer to "APPENDIX F-1 - THE DEPARTMENT'S MORTGAGE LOAN PORTFOLIO."

Junior Lien Bonds

In addition to the Single Family Mortgage Revenue Bonds, the Department has issued \$105,135,932 in original principal amount of its Junior Lien Single Family Mortgage Revenue Refunding Bonds, Series 1994A, Taxable Junior Lien Single Family Mortgage Revenue Refunding Bonds, Series 1994B, and Taxable Junior Lien Single Family Mortgage Revenue Bonds, Series 2002A, and its Taxable Junior Lien Single Family Variable Rate Mortgage Revenue Bonds, Series 2004A (collectively, the "Junior Lien Bonds") pursuant to the Junior Lien Trust Indenture. As of December 31, 2004, \$14,085,000 of such bonds remain outstanding. For additional information on the Junior Lien Bonds, see "APPENDIX F-1 -- THE DEPARTMENT'S MORTGAGE LOAN PORTFOLIO -- Junior Lien Trust Indenture". The Junior Lien Bonds are limited obligations of the Department and are payable solely from the Revenues (as defined in the Junior Lien Trust Indenture) and funds pledged for the payment thereof on a basis which is junior and subordinate to the pledge securing the Bonds outstanding under the Trust Indenture. The primary source of revenue under the Junior Lien Trust Indenture is Surplus Indenture Revenues. Revenues under the Trust Indenture only become Surplus Indenture Revenues available to be released to pay debt service on the Junior Lien Bonds to the extent such

revenues are, on any March 1 or September 1 or other date on which such debt service is payable, in excess of one hundred percent (100%) of (i) all Debt Service on the Bonds, including Swap Agreement Periodic Payments, (ii) amounts required to fund reserves for the Bonds, and (iii) all expenses of the Department in administering the programs related to the Bonds. See "THE TRUST INDENTURE -- Revenue Fund."

Prior Mortgage Loans and Mortgage Certificates

The proceeds of certain Prior Bonds and certain other moneys have been used to purchase Mortgage Loans (including Mortgage Certificates representing Mortgage Loans). All Mortgage Loans acquired to date under the Trust Indenture are fixed rate loans for terms not exceeding 30 years. As of December 31, 2004, the Outstanding amount of Mortgage Loans (including Mortgage Certificates representing Mortgage Loans) acquired with the proceeds of the Prior Bonds was \$284,375,576. For more detailed information on the Mortgage Loans, the portfolio of Mortgage Loans (including Mortgage Certificates representing Mortgage Loans), delinquent Mortgage Loans and information regarding Mortgage Loan Insurance, please refer to "APPENDIX F-1 - THE DEPARTMENT'S MORTGAGE LOAN PORTFOLIO."

Since the inception of the Department's Program, the Department has foreclosed on approximately 3,056 Mortgage Loans having an outstanding principal balance, at the time of foreclosure, of \$157,165,142. As of December 31, 2004, the Department continues to hold title to property securing one of such Mortgage Loans aggregating \$5,062. In an effort to maximize its return on real estate owned by the Department as a result of foreclosures, the Department has entered into a contract with outside contractors to manage, maintain and arrange for sales, in conjunction with real estate brokers, of such real estate owned. See "APPENDIX F-1 -- THE DEPARTMENT'S MORTGAGE LOAN PORTFOLIO" for information concerning the Department's current delinquency and foreclosure rates with respect to the Mortgage Loans.

Certain Information as to Revenues, Investments, Debt Service and Department Expenses

On the basis of the Statement of Projected Revenues prepared in connection with the issuance of the Series 2005A Bonds, as discussed below, the Department expects that the scheduled payments, together with prepayments received, if any, of the principal of and interest on the Mortgage Loans and the Mortgage Certificates and amounts held under the Trust Indenture and the earnings thereon, will be sufficient to pay the principal or Redemption Price of and interest on the Series 2005A Bonds and all other Bonds outstanding when due. In arriving at the foregoing conclusions, the Department has included all Prior Bonds but has not considered the issuance of other additional Bonds or the application or investment of the proceeds thereof. Since obligations issued under the Trust Indenture will rank equally and ratably with the Series 2005A Bonds with respect to the security afforded by the Trust Indenture, the availability of money for repayment thereof could be significantly affected by the issuance, application and investment of proceeds of additional Bonds. See "Additional Bonds."

Investment of Funds

Moneys in all Funds other than the Debt Service Fund (except for the Debt Service Reserve Account therein) will be invested pursuant to the Depository Agreement with the Texas Treasury Safekeeping Trust Company in Investment Securities. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY." Moneys held or invested in all Funds and Accounts under the Trust Indenture (other than the Rebate Account, the 2005 A Swap Agreement Termination Payment Subaccount, the 2005 A Swap Agreement Termination Receipt Subaccount and the Policy Payments Account) are for the equal and ratable benefit of all owners of the Bonds.

For information concerning the investment of Funds relating to the Prior Bonds, see APPENDIX G - INVESTMENT OF FUNDS RELATING TO PRIOR BONDS."

Series 2005A Bond proceeds deposited to the Acquisition Fund and the Float Fund (which includes the Revenue Fund, Debt Service Fund, Expense Fund and Special Mortgage Loan Fund) are expected to be invested in investment agreements (GICs).

The investment agreements evidence the obligation of the respective investment agreement providers to pay principal of and interest on such moneys to the Trustee at certain times for use in accordance with the Trust Indenture. The investment agreements are obligations solely of the investment agreement providers and their guarantors, if any. The investment agreements give the Department no interest in or control over investments made by the investment agreement providers. There can be no assurance that the investment agreement providers will be able to pay principal of and interest on such moneys at such rates on a timely basis.

The Department has adopted an investment policy (the "Investment Policy") which applies to all financial assets of the Department. The Investment Policy's objectives, in the order of priority, are as follows: (1) safety of principal, (2) sufficient liquidity to meet Department cashflow needs, (3) achievement of a market rate of return on investments, and (4) conformance with all applicable State statutes, particularly the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. With respect to bond proceeds, the Investment Policy provides that such proceeds should be invested in accordance with the applicable law, in particular the Public Funds Investment Act and as permitted by the applicable trust indenture.

Statement of Projected Revenues

The Department is required to prepare periodically a statement comparing estimates of Revenues with the Debt Service requirements and estimated Department Expenses with respect to outstanding Bonds (the "Statement of Projected Revenues"). This Statement of Projected Revenues is required to be prepared as a condition to the issuance of Bonds and annually within 180 days after each August 31. A Statement of Projected Revenues is also required to be prepared semiannually at any time that unexpended Bond proceeds remain on deposit in the Mortgage Loan Fund to the extent reasonably necessary to reflect the actual application of amounts therein, the expiration or other termination or alteration of any commitment for the acquisition or refinancing of Mortgage Loans or any revised estimates with respect thereto.

The Department has covenanted that during such time as it is not meeting the Asset Test (as described herein under "THE TRUST INDENTURE - Revenue Fund"), the Department may only direct the Trustee (i) to transfer Surplus Indenture Revenues to the Mortgage Loan Fund or the Redemption Account of the Debt Service Fund; (ii) to invest the Surplus Indenture Revenues in Investment Securities; or (iii) if the Department shall have on file with the Trustee a Statement of Projected Revenues, projecting that Revenues to the extent deemed available or to be available to pay Department Expenses and aggregate Debt Service, including Swap Agreement Periodic Payments, will be sufficient to pay Department Expenses and aggregate Debt Service, including Swap Agreement Periodic Payments, when due in the then current and each succeeding Bond Year and as of the date of such Statement of Projected Revenues, the Department Assets are at least equal to one hundred percent (100%) of the aggregate principal amount of Bonds then Outstanding, then Surplus Indenture Revenues may be used to pay principal, interest and Redemption Price on Junior Lien Bonds and to establish and maintain reserves or other funds and accounts as provided in the indenture or indentures authorizing such Junior Lien Bonds.

At the end of any Bond Year, if the Department meets the Asset Test, the Department may apply any Surplus Indenture Revenues (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test):

- (i) to the trustee under the Junior Lien Trust Indenture to be used to originate Mortgage Loans, to reimburse a bond insurer or credit provider for amounts provided under a bond insurance policy or other credit support or to originate junior lien mortgage loans;

(ii) as provided in the next preceding paragraph;

(iii) (a) subject to the provisions of the Trust Indenture or any Supplemental Indenture to the redemption of Bonds; (b) to the payment of any Department Expenses; (c) to the establishment of reserves therefor, free and clear of the pledge and lien of the Trust Indenture; or (d) to the purchase of Bonds; and

(iv) any other purpose or payment now or hereafter authorized or required by the Act free and clear of the pledge and lien of the Trust Indenture;

provided, however, that no such amounts may be applied in any way which would result in less than ninety percent (90%) of all amounts received by the Department with respect to the Mortgage Loans being used for the following purposes: (v) to pay the principal or Redemption Price of or interest on or purchase or otherwise to service the Bonds; (w) to reimburse the Department for Department Expenses, or to pay, for costs of issuance; (x) to reimburse the Department, or to pay for administrative or other costs or anticipated future losses directly related to the Program; (y) to acquire Mortgage Loans or other loans or mortgages financing residential real property in the State; and (z) to redeem or retire obligations of the Department.

Mortgage Insurance

The Trust Indenture requires that all Mortgage Loans must be secured by first lien Mortgages, subject to certain permitted encumbrances, on one-to-four family residences located in the State. Mortgage Loans must (i) be federally insured or guaranteed, (ii) have a principal balance not exceeding eighty percent (80%) of the lower of the appraised value or the purchase price of the property securing the Mortgage Loan (the "Value"), or (iii) be insured by a private mortgage insurer in an amount by which the loan exceeds eighty percent (80%) of the Value.

Mortgage Pool Insurance

The Trust Indenture imposes no requirement for mortgage pool insurance upon the Series 2005A Bonds or additional Bonds issued in the future. The Trust Indenture does require that, for Bonds issued prior to November 14, 1996, the Department use its best reasonable efforts to maintain a mortgage pool insurance policy in an amount at least equal to ten percent (10%) of the initial aggregate principal amount of Mortgage Loans acquired with the proceeds of all series of Bonds issued prior to November 14, 1996. Due to the fact that the cost of mortgage pool insurance was, at the time, prohibitively expensive, the Department established a mortgage pool self-insurance program in connection with its 1986 Series A Bonds, 1986 Series B Bonds, and 1987 Series B Bonds. Similarly, the Department was unable to obtain mortgage pool insurance at commercially reasonable rates for Mortgage Loans to be provided with proceeds of the Series 1995 Bonds and Series 1996 Bonds. Instead, such Mortgage Loans have been included in Mortgage Certificates. Information concerning mortgage insurance and guaranty programs, including the Department's mortgage pool self-insurance program, and the extent of the coverage provided thereby is contained in "APPENDIX B -- SUMMARY OF CERTAIN MORTGAGE INSURANCE PROGRAMS AND TEXAS FORECLOSURE LAWS."

Additional Bonds

Various series of Bonds, including refunding Bonds, may be issued as provided in the Trust Indenture on a parity with the Bonds of all other series, secured by a pledge of and lien on the Trust Estate. As a condition to the issuance of additional Bonds, including refunding Bonds, the Department must deliver various items to the Trustee including an opinion of Bond Counsel to the effect that, among other things, the series of Bonds is legally issued in accordance with the Trust Indenture and the Act. The Department must also deliver a Statement of Projected Revenues which gives effect to the issuance of such additional Bonds, including refunding Bonds, and demonstrates that (i) the estimated Revenues and any other revenues, investment income

or moneys reasonably estimated by the Department to be available for the payment of aggregate Debt Service, including Swap Agreement Periodic Payments, for all Outstanding Bonds when due will be sufficient to pay the aggregate Debt Service for all Outstanding Bonds, including Swap Agreement Periodic Payments, and (ii) the remaining balance of the scheduled and estimated Revenues and other revenues, investment income or moneys reasonably estimated by the Department to be available to pay budgeted or estimated Department Expenses allocable by the Department to the Bonds, the Trust Indenture and the Department's programs under the Trust Indenture will be sufficient to pay such budgeted or estimated Department Expenses. No additional parity Bonds may be issued unless, upon the issuance of such Bonds, the amounts credited to the Debt Service Reserve Account will be sufficient to maintain its requirements. The Department has reserved the right to adopt one or more additional general bond indentures and to issue other obligations, such as the Junior Lien Bonds, payable from sources other than the Trust Estate and has also reserved the right to issue obligations payable from the Trust Estate, including the Revenues, if the pledge of and lien on the Trust Estate and the Revenues securing such obligations is junior to or subordinate to the pledge of and lien on the Trust Estate and the Revenues securing the Bonds.

Sale of 2005 Mortgage Certificates

The Department may sell the 2005 Mortgage Certificates in whole or in part only upon delivery by the Department of (i) an opinion of Bond Counsel that such sale will not cause all or any portion of the 2005 Mortgage Certificates, or the Series 2005A Bonds to be classified as a "taxable mortgage pool" within the meaning of Section 7701(i) of the Code and the applicable Treasury Regulations promulgated thereunder; and (ii) written confirmation from each Rating Agency that such sale will not adversely affect the then current ratings on the Bonds (determined without regard to any financial guaranty policy with respect to the Series 2005A Bonds). If proceeds from the sale of 2005 Mortgage Certificates are to be applied to the redemption of Series 2005A Bonds, such Series 2005A Bonds must be redeemed under the applicable optional redemption provision.

BOND INSURANCE

Bond Insurance Policy

Concurrently with the issuance of the Series 2005A Bonds, Financial Security Assurance Inc. ("FSA") will issue its municipal bond insurance policy for the Series 2005A Bonds (the "Policy"). The Policy guarantees the scheduled payment of principal of and interest on the Series 2005A Bonds when due as set forth in the form of the Policy included as Appendix I to this Official Statement.

The Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

Financial Security Assurance Inc.

FSA is a New York domiciled financial guaranty insurance company and a wholly owned subsidiary of Financial Security Assurance Holdings Ltd. ("Holdings"). Holdings is an indirect subsidiary of Dexia, S.A., a publicly held Belgian corporation, and of Dexia Credit Local, a direct wholly-owned subsidiary of Dexia, S.A. Dexia, S.A., through its bank subsidiaries, is primarily engaged in the business of public finance, banking and asset management in France, Belgium and other European countries. No shareholder of Holdings or FSA is liable for the obligations of FSA.

At December 31, 2004, FSA's total policyholders' surplus and contingency reserves were approximately \$2,280,883,000 and its total unearned premium reserve was approximately \$1,649,230,000 in accordance with statutory accounting principles. At December 31, 2004, FSA's total shareholder's equity was approximately

\$2,699,786,000 and its total net unearned premium reserve was approximately \$1,342,057,000 in accordance with generally accepted accounting principles.

The financial statements included as exhibits to the annual and quarterly reports filed by Holdings with the Securities and Exchange Commission are hereby incorporated herein by reference. Also incorporated herein by reference are any such financial statements so filed from the date of this Official Statement until the termination of the offering of the Series 2005A Bonds. Copies of materials incorporated by reference will be provided upon request to Financial Security Assurance Inc.: 350 Park Avenue, New York, New York 10022, Attention: Communications Department (telephone (212) 826-0100).

The Policy does not protect investors against changes in market value of the Series 2005A Bonds, which market value may be impaired as a result of changes in prevailing interest rates, changes in applicable ratings or other causes. FSA makes no representation regarding the Series 2005A Bonds or the advisability of investing in the Series 2005A Bonds. FSA makes no representation regarding the Official Statement, nor has it participated in the preparation thereof, except that FSA has provided to the Department the information presented under this caption for inclusion in the Official Statement.

ASSUMPTIONS AND RISKS

Assumptions

On the basis of the Statement of Projected Revenues prepared in connection with the issuance of the Series 2005A Bonds, the Department expects that the scheduled payments, together with Mortgage Loan Principal Prepayments received, if any, of the principal of and interest on the Mortgage Loans and the Mortgage Certificates and amounts held under the Trust Indenture and the earnings thereon, will be sufficient to pay the principal or Redemption Price of and interest on the Series 2005A Bonds and all other Prior Bonds Outstanding when due. In arriving at the foregoing conclusions, the Department has included all Bonds but has not considered the issuance of additional Bonds or the application or investment of the proceeds thereof. Since obligations issued under the Trust Indenture, unless subordinated, will rank equally and ratably with the Series 2005A Bonds and the Prior Bonds with respect to the security afforded by the Trust Indenture, the availability of money for repayment thereof could be significantly affected by the issuance, application and investment of proceeds of additional Bonds.

The maturities and mandatory sinking fund installments of the Series 2005A Bonds have been established on the basis of the consolidated scheduled payments of the Mortgage Loans (including Mortgage Certificates) under the Trust Indenture. The interest rates on the Mortgage Loans acquired with moneys made available upon the issuance of the Series 2005A Bonds will be established so that payments of principal of and interest on the Mortgage Loans and the Mortgage Certificates outstanding under the Trust Indenture, and moneys on deposit in the various funds and accounts under the Trust Indenture (as well as income derived from investments thereof) are expected to generate sufficient revenues to pay on a timely basis the principal of and interest on all Bonds outstanding under the Trust Indenture, including the Series 2005A Bonds, and certain other amounts required to be paid under the Trust Indenture, on the basis of, among others, the following assumptions:

- (a) the investment of moneys held in the Mortgage Loan Fund, the Revenue Fund, the Debt Service Fund (including the Principal Account, Interest Account, the Debt Service Reserve Account and the Redemption Account), and the Expense Fund at the rates per annum applicable to each (a portion of the earnings from which may be subject to rebate to the United States Department of Treasury), and the making of timely payments to the Trustee of amounts due under such investments;

(b) the payments on the Mortgage Loans (including the Mortgage Certificates) will be made in full substantially on a timely basis;

(c) the Mortgage Lenders and the Master Servicer will perform their duties in a timely manner;

(d) all future expenses with respect to the Series 2005A Bonds and administering and servicing the Mortgage Loans, including the Trustee's fees and payment of Department's Expenses, will be paid in full on a timely basis from interest paid on the Mortgage Loans and the Mortgage Certificates and investment income on funds held by the Trustee with respect to the Mortgage Loans;

(e) Series 2005A Bonds proceeds and certain other amounts held under the Trust Indenture will be sufficient to pay the Underwriters' fees with respect to the Series 2005A Bonds and the other costs of issuing the Series 2005A Bonds;

(f) the 2005 Mortgage Loans will have a term of thirty (30) years and will provide for payment of principal and interest in approximately equal monthly installments; and

(g) payments due under the Swap Agreement are in amounts that approximate the interest amounts on the Series 2005A Bonds due and owing and are made on a timely basis.

The Department makes no assurances that the foregoing assumptions can be realized. In particular, the Department establishes the interest rates on the Mortgage Loans on an ongoing basis as the Department deems necessary and appropriate. Interest rates are determined by reference to conventional mortgage rates, availability or mortgage funding alternatives, historical interest rate patterns and the Department's cost of funds.

Termination of Mortgage Loans and Mortgage Certificates

Mortgage Loans and Mortgage Certificates may be terminated prior to final maturity as a result of Mortgage Loan Principal Prepayments, default, sale, condemnation, casualty loss or noncompliance with the Program. All Mortgage Loan Principal Prepayments or other payments in respect of early termination will be deposited in the Revenue Fund and transferred to the Principal Account or the Redemption Account of the Debt Service Fund for use to redeem Bonds in accordance with the Trust Indenture. **Accordingly, the Department anticipates that substantially all of the Series 2005A Bonds will be redeemed prior to their scheduled maturities.**

Federal Guarantee Limits

The dollar amount of commitments to guarantee securities that Ginnie Mae can approve and the dollar amount that FHA and VA can insure or guarantee in any federal fiscal year is limited by statute and administrative procedures. If an appropriation act is not passed in any federal fiscal year or if Ginnie Mae, FHA or VA reach the limits of their respective authority, or if Ginnie Mae, in its sole discretion, or the federal government alters or amends the Ginnie Mae Mortgage-Backed Securities Program in such a way as to prevent the Mortgage Lenders from originating Mortgage Loans during the origination period and the Master Servicer from issuing Ginnie Mae Certificates prior to the acquisition date therefor, the Mortgage Lenders may be unable to originate Mortgage Loans and the Master Servicer may be unable to issue Ginnie Mae Certificates in the anticipated aggregate principal amount. **The failure to originate Mortgage Loans, or the inability to deliver Mortgage Certificates to the Trustee in amounts contemplated by this financing would result in the early redemption of the Series 2005A Bonds prior to their maturity.** See "THE SERIES 2005A BONDS - Redemption Provisions."

Swap Basis Risk

In connection with the issuance of the Series 2005A Bonds, the Department will enter into a Swap Agreement, which will become effective upon the delivery of the Series 2005A Bonds. Pursuant to the Swap Agreement the Department will pay the Swap Provider, payments computed at a fixed rate, based on a notional amount which corresponds to the outstanding principal balance of the Series 2005A Bonds, and the Swap Provider will pay the Department, payments computed based on a variable rate index on the same notional amount. The variable rate index used under the Swap Agreement is based on a percent of LIBOR, which is intended to approximate the variable interest rate on the Series 2005A Bonds. Unlike LIBOR, however, the interest on the Series 2005A Bonds is excludable from gross income for federal income tax purposes; therefore, one of the primary determinants of any changes to the relationship between the variable rate index used under the Swap Agreement and the interest rates on the Series 2005A Bonds is expected to include, among other factors, any changes to the top marginal rate of federal income taxation. While it is expected that payments to the Department under the Swap Agreement will equal or exceed the Department's interest obligation on the Series 2005A Bonds, in certain interest rate and taxation environments the amounts paid under the Swap Agreement may be less than the interest obligation on the Series 2005A Bonds. Regardless of the amount of moneys received under the Swap Agreement, the Department is obligated to make Series 2005A Bond interest payments at rates that are determined by the Remarketing Agent. Any mismatch between Series 2005A Bond interest payments and the payments due under the Swap Agreement could cause financial losses under the Trust Indenture.

Swap Termination Risk

Under certain circumstances, including certain events of default with respect to the Department or the Swap Provider, the Swap Agreement may be terminated in whole or in part prior to maturity. Following termination, if any, of the Swap Agreement, under certain market conditions, the Department could owe a termination payment to the Swap Provider that could be substantial. Such termination payment will be payable from amounts pledged under the Trust Indenture, subject and subordinate to (i) the payment or provision of arbitrage rebate; (ii) expenses and compensation of the Trustee; (iii) the payment of principal and interest on the Series Bonds, and all Senior Bonds and Junior Lien Bonds, if any, (iv) the payment of regularly scheduled payments under the Swap Agreement, and (v) required replenishment of the Debt Service Reserve Fund, if any. The Bond Insurer has issued a swap insurance policy insuring the scheduled fixed payments from the Department. The Department's obligation to reimburse the Bond Insurer with respect to termination payments is subordinate to scheduled payment of principal and interest on the Series 2005A Bonds and all Bonds and Junior Lien Bonds, if any, the payment of regularly scheduled payments under the Swap Agreement, and any required replenishment of the Debt Service Reserve Fund.

Non-Origination of Mortgage Loans

One of the principal factors in originating mortgage loans is the availability of funds to make such loans at interest rates and on other terms that prospective borrowers can afford. The Department has determined that there is a shortage of funds in the State to make such loans at interest rates and on terms that a substantial number of potential borrowers within the State can afford. Should mortgage interest rate levels decline, or should one or more alternative governmental programs become available at below market rates, mortgage loans could become available at rates competitive with or lower than the rate specified for the Mortgage Loans, and the total amount of Mortgage Loans anticipated to be originated under the Program may not be so originated.

In addition, there exists a risk of non-origination resulting from the reservation for a period of one year of approximately \$17,600,000 of the lendable proceeds of the Series 2005A Bonds for Mortgage Loans in certain federally designated targeted areas, and the reservation of the remaining lendable proceeds for persons and families of low and moderate income (for families of three or more persons, one hundred fifteen percent (115%) (one hundred forty percent (140%) for targeted area loans) of applicable median family income and for individuals and families of two persons one hundred percent (100%) (one hundred twenty percent (120%) for targeted area loans) of applicable median family income). See "THE PROGRAM AND THE MORTGAGE LOANS - Targeted Area Reservation, and - Low and Moderate Income Reservation." As a result, the pool of potential mortgagors will be limited for such period and economic conditions or conventional mortgage rates may have adversely changed by the end of the set aside period.

The Department is currently purchasing mortgage certificates with the proceeds of its Single Family Bonds pursuant to three separate programs. Additionally, the Department has, as of March 2, 2005, \$23,986,138 of mortgage funds available under its Residential Mortgage Revenue Bond Program with \$213,902,565 of mortgage loans purchased by the Master Servicer. Mortgage certificates purchased with the proceeds of its Residential Mortgage Revenue Bonds are not security for the Bonds. The following chart gives information with respect to the origination status of all active programs of the Department as of March 2, 2005:

<u>Active Program</u>	<u>Program Start Date</u>	<u>Mortgage Rate⁽¹⁾</u>	<u>Mortgage Funds Available</u>	<u>Amounts Purchased</u>	<u>Reservation Amounts⁽²⁾</u>	<u>Remaining Funds⁽³⁾</u>

⁽¹⁾ In March 2004, the Department lowered the mortgage rate on Program 57A from 5.90/6.65/7.20/7.45% to 5.90% (with 4% assistance) 6.20/6.50%. In August 2004, the Department lowered the mortgage rate on 57A from 5.90 (with 4% assistance)/ 6.20/6.50% to 4.99% unassisted.

⁽²⁾ There are no assurances that any of the reservations by mortgage lenders for mortgage loans pending but not closed will ultimately result in the purchase of mortgage certificates.

⁽³⁾ In April 2005 the Department lowered the points with respect to Program 61 from 2 points to 0 points with respect to those mortgage loans having a 5.50% mortgage rate.

The failure to originate Mortgage Loans, or the inability to deliver Mortgage Certificates to the Trustee, in the amounts contemplated by this financing will result in redemption of the Series 2005A Bonds prior to their maturity. See "THE SERIES 2005A BONDS - Redemption Provisions."

Availability of Remedies

The remedies available to the owners of the Series 2005A Bonds upon an Event of Default under the Trust Indenture or other documents described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code, the remedies specified by the federal bankruptcy laws, the Trust Indenture and the various Program Documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2005A Bonds will be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by general principles of equity which permit the exercise of judicial discretion.

THE DEPARTMENT

General

The Department, a public and official governmental agency of the State of Texas (the "State") and a body corporate and politic, was created pursuant to and in accordance with Chapter 2306, Government Code, as amended from time to time (together with other laws of the State applicable to the Department, the "Act"). The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and their functions and obligations transferred to the Department. One of the purposes of the Department is to provide for the housing needs of individuals and families of low, very low and extremely low income and families of moderate income in the State. Pursuant to the Act, the Department may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Department.

The Department is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the "Sunset Act,") and its continued existence is subject to a review process that resulted in passage of legislation in the Seventy-Eighth Legislative Session in 2003 which continues the Department in existence until September 1, 2011, at which time it will again be subject to review. The Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor of the State shall designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act that the State will not limit or alter the rights vested in the Department to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

Governing Board

The Department is governed by a governing board (the "Board") consisting of seven public members, appointed by the Governor, with the advice and consent of the State Senate. Board members hold office for six-year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation, but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural, and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor of the State designates a member of the Board to serve as Chairperson of the Board at the pleasure of the Governor. The Chairperson presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In addition, the members of the Board elect one of its members as Vice Chairperson to perform the duties of the Chairperson when the Chairperson is not present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual and neither office-holder must be a Board member) to perform the duties prescribed by the Board.

* Serves until replaced or reappointed.

The current members of the Board, their occupations and their terms of office are as follows:

ELIZABETH ANDERSON, Chair and Board Member. Vice President, Service Applications International Corporation, Dallas, Texas. Her term expires January 31, 2007.

C. KENT CONINE, Vice Chair and Board Member. President, Conine Residential Group, Frisco, Texas. His term expires January 31, 2007.

SHADRICK BOGANY, Board Member. ERA Bogany Properties of Houston, Houston, Texas. His term expires January 31, 2005*.

VIDAL GONZALEZ, Board Member. Banker, Del Rio, Texas. His term expires January 31, 2005*.

PATRICK GORDON, Board Member. Attorney/Partner at Gordon & Mott, P.C., El Paso, Texas. His term expires January 31, 2007.

NORBERTO SALINAS, Board Member. Mayor, City of Mission, Mission, Texas and President, S&F Developers and Builders. His term expires January 31, 2005*.

All of the above Board members have been appointed by the Governor. One position currently remains vacant.

Administrative Personnel

The Act provides that the Department is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director serves at the pleasure of the Board, but may also be removed by a newly elected Governor who did not approve the Executive Director's appointment by action taken within 90 days after such Governor takes office. The Executive Director is responsible for administering the Department and its personnel. The Executive Director may employ other employees necessary for the discharge of the duties of the Department, subject to the annual budget and the provisions of any resolution authorizing the issuance of the Department's bonds.

Currently, the Department has 272 employees. The following is a biographical summary of certain of the Department's senior staff members who have responsibility with respect to single-family housing matters.

EDWINA P. CARRINGTON, Executive Director. Ms. Carrington joined the Department as Executive Director on March 11, 2002, having served as Multifamily Manager, Programs Manager, and Multifamily Compliance Officer for the Agency from August 1985 to June 1990. In such positions, Ms. Carrington's duties included management of single family loan purchase programs, multifamily housing development financing programs, mortgage credit certificate programs, the low-income tax credit program, and preparation of annual operating budgets for the programs area. Upon leaving the Agency in 1990, Ms. Carrington became the manager of the Austin Housing Finance Corporation in which she was responsible for the operations of the City of Austin Housing Assistance Fund, tax exempt bond portfolio, affordable housing programs and long range housing planning. Immediately prior to being employed as Executive Director of the Department, Ms. Carrington was the Chief Executive Officer of Texas Housing Finance Corporation, a 501(c)(3) organization created to assist development of affordable housing through a series of tax credit equity funds, a position she has held since April 1994. Prior to originally joining the Agency in 1985, Ms. Carrington has been a vice president for property management for multifamily projects, seminar leader for the National Association of Housing and Development Officials, regional director for the Dallas Center of Management, and housing community development director for the Ark-Tex Council of Governments. Ms. Carrington has a B.S. degree from Tennessee Technological University, earned a Masters in public administration from Texas A & M

* Serves until replaced or reappointed.

University, Texarkana and is a Certified Commercial Investment Manager (CCIM). Ms. Carrington is a member of numerous housing organizations, including as having served as President of the Texas Association of Local Housing Finance Agencies, Texas Affiliation of Affordable Housing Providers, and the National Association of State and Local Equity Funds, as well as serving as board member of the Association of Local Housing Finance Agencies.

BYRON V. JOHNSON, Director of Bond Finance and Co-Investment Officer. Byron V. Johnson has served the Department as Director of Bond Finance since July 1999. He is responsible for the development and administration of the Department's Single Family Mortgage Revenue Bond program and the Department's Commercial Paper Program. Mr. Johnson also oversees ongoing compliance monitoring and disclosure requirements related to the Department's investments and single family and multifamily bond programs. Mr. Johnson's prior career experience includes housing finance investment banking and internal auditing in the securities industry. Mr. Johnson earned an M.B.A. from the Fuqua School of Business at Duke University and a Bachelor of Business Administration degree in Accounting from Savannah State University. Mr. Johnson currently holds several investment and securities licenses and a Texas real estate license. Mr. Johnson is a Certified Financial Manager (CFM), Certified Mortgage Banker (CMB), Certified Treasury Professional (CTP) and Certified Housing Development Finance Professional.

BILL DALLY, Chief of Agency Administration. Mr. Dally joined the Department's Internal Audit staff in May 1994. On May 1, 1999, Mr. Dally was promoted to the position of Chief Financial Officer after serving as the Department's Controller since January 1996. Mr. Dally is responsible for the Department's management of fiscal affairs, including budgets and financial reporting. He shares responsibility with Byron Johnson, Director of Bond Finance, for the management and reporting of the Department's Investment Portfolio. Mr. Dally earned a Bachelor of Business Administration degree in Accounting from the University of Texas at Austin, and is a Certified Public Accountant. Prior to his employment with the Department, Mr. Dally was a Senior Auditor with the firm of KPMG Peat Marwick and worked primarily with governmental entities.

ERIC PIKE, Director of Single Family Finance Production. Mr. Pike has worked for the Department for the past ten years. He began his career at the Agency with the Community Development Block Grant Program (CDBG) and later joined the Single Family Lending Department. He serves as the Manager of Single Family Bond Program overseeing the development and administration of the Texas First Time Homebuyer Program. In August 2002, Mr. Pike was promoted to Acting Director of Housing Finance Programs wherein his responsibilities included the Single Family Bond Program, Loan Administration, the Texas Homebuyer Education Program and the HOME Investment Partnership Program. In March 2003, Mr. Pike began serving as the Director of the Single Family Finance Production Division where he oversees the Single Family application intake and awards process for the Department's Single Family programs, including all Single Family loan closing and fundings. Mr. Pike received his Bachelor of Business Administration in Finance and his Masters in Business Administration in Business Management from St. Edward's University in Austin, Texas.

ANNE O. REYNOLDS, Acting General Counsel, has been employed in the Legal Services Division of the Department since September 1, 1991. Prior to joining the Department, she was the Assistant General Counsel for the Texas Department of Commerce and the General Counsel for the Texas Department of Community Affairs. Ms. Reynolds studied political science at Michigan State University before moving to Austin to attend the University of Texas. She earned her B.A. in Government and J.D. from the University of Texas in Austin. Ms. Reynolds has extensive legal knowledge of the programs administered at the Department, as well as providing legal advice concerning the actions of the Texas Legislature and employment actions. Ms. Reynolds oversees the day-to-day operations of legal services as well as serving as the ethics advisor for the Department. Ms. Reynolds is licensed to practice law in the States of Texas and Tennessee.

THE PROGRAM AND THE MORTGAGE LOANS

The Program and Program 62A

The Department has established a Single Family Mortgage Revenue Bond Program ("Program") pursuant to the Act for the purpose of assisting in financing the costs of acquisition of residences within the State of Texas by Eligible Borrowers (as described below). The component of the Program relating to the Series 2005A Bonds will be designated as the Department's Bond Program No. 62A ("Program 62A"). In connection with the issuance of the Series 2005A Bonds and the Prior Bonds and any additional Bonds, the Department purchased or shall purchase certain qualified Mortgage Loans (or participations therein) originated by commercial banks, savings and loan associations, mortgage companies, non-profit corporations, and other qualified financial institutions (the "Mortgage Lenders"). As a result of the issuance of the Series 2005A Bonds, the Trustee on behalf of the Department has agreed to purchase 2005 Mortgage Certificates.

Mortgage Loans evidenced by the 2005 Mortgage Certificates will bear interest at the rate established upon the issuance of the Series 2005A Bonds, subject to subsequent adjustment by the Department pursuant to the provisions of the Trust Indenture. The purchase price for the 2005 Mortgage Certificates will be 98.85% of par (plus accrued interest) for Ginnie Mae Certificates (subject to adjustment upon written notice from the Department), 99.50% of par (plus accrued interest) for Freddie Mac Certificates (subject to adjustment upon written notice from the Department) and 99.50% of par (plus accrued interest) for Fannie Mae Certificates (subject to adjustment upon written notice from the Department). The Department will purchase the 2005 Mortgage Certificates during a Certificate Purchase Period which will expire on September 1, 2006, but which may be shortened or extended, upon compliance with the terms of the Forty-Second Supplemental Indenture. A portion of the amounts deposited into the 2005 A Mortgage Loan Account may be used to create Special Mortgage Loans.

General

The guidelines adopted by the Department from time to time in connection with the Program establish the eligibility of lenders to participate in the Program, time limitations with respect to commitments for and originations of Mortgage Loans, the types of Mortgage Loans eligible for purchase by the Servicer, the eligibility of mortgagors, the requirements for dwellings which secure Mortgage Loans, the fees which a Mortgage Lender may charge to originate a Mortgage Loan, the fees which a lending institution may charge for servicing a Mortgage Loan, as well as other aspects of the Program. In connection with each phase of the Program, the Department executed or will execute origination, sale and servicing agreements or mortgage origination agreements and program supplements (collectively, the "Agreement") with the respective Mortgage Lenders. The Agreement obligated or will obligate the Mortgage Lenders to use their best efforts to originate and sell to the Department Mortgage Loans in conformity with the guidelines. Each Mortgage Loan was or will be reviewed prior to acquisition by the Compliance Agent designated by the Department for compliance with applicable provisions of the Program as set forth in the guidelines and with applicable provisions of federal income tax laws. The procedures set forth in the Agreement are established by the Department after consideration of standards and requirements customary in the secondary mortgage market. The Department anticipates that it may revise its procedures from time to time to conform with changes in the procedures followed by Fannie Mae, RHS, Ginnie Mae, VA or other major secondary mortgage market institutions.

Mortgage Lender Reservations - First- Come, First-Served

No funds made available through Program 62A will be allocated to any specific Mortgage Lenders. Rather, all of such funds will be made available to Mortgage Lenders on a controlled first-come, first-served basis.

Grant Assistance Program ("GAP")

In connection with the use of Program 62A funds to finance Mortgage Loans to Eligible Borrowers, the Department may make available down payment and closing costs assistance on a first-come, first-served basis, to very low income (sixty percent (60%) of AMFI - see APPENDIX G -- APPLICABLE MEDIAN FAMILY INCOMES AND ACQUISITION COST LIMITATIONS) borrowers wherever located. The maximum amount of GAP down payment and closing costs assistance available will be four percent (4%) of the amount of the Mortgage Loan and no second lien will be required.

Down Payment Assistance Program ("DPAP")

In connection with the use of Program 62A funds to finance Mortgage Loans to Eligible Borrowers, the Department may make available Down Payment and closing cost assistance to Eligible Borrowers on a first-come, first-served basis through its Down Payment Assistance Program. Under DPAP, down payment and closing costs assistance is required to be applied first to payment of closing costs and then to the Eligible Borrower's down payment with respect to the Mortgage Loan. If made available, the Department expects to restrict Down Payment assistance provided by DPAP to Eligible Borrowers of very low income (not exceeding 60% of applicable median family income). The amount of DPAP available to Eligible Borrowers will equal \$5,000, \$7,500 or \$10,000 depending upon the geographic location of the Eligible Borrowers' residences. DPAP will require a 0%, deferred amortization, second lien mortgage.

Targeted Area Reservation

For the first twelve months of Program 62A (commencing on the date proceeds are first made available to finance Mortgage Loans, which is anticipated to be the date of delivery of the Series 2005A Bonds), approximately \$17,600,000 of the lendable funds made available through the issuance of the Series 2005A Bonds will be required to be reserved for Mortgage Loans made in certain targeted areas. See "TAX MATTERS -- Federal Income Tax Requirements -- Targeted Area Requirement." Such reservation will be accomplished by requiring that such amount of proceeds be used only to pay for that portion of the purchase price of a Mortgage Certificate that is applicable to the principal amount of a Mortgage Loan made to finance a residence which is located in a targeted area. After the expiration of such one-year reservation, the Trustee may use any remaining reserved funds to purchase 2005 Mortgage Certificates representing any Mortgage Loans made to Eligible Borrowers. Historically, in other single-family mortgage revenue bond programs of the Department which have required targeted area reservations, an average of less than 2 percent of the amounts available to make mortgage loans have been used to originate mortgage loans in such targeted areas. However, in its most recent programs, approximately eleven percent (11%) to twenty-two percent (22 %) of amounts available have been used to originate mortgage loans in such targeted areas.

Low and Moderate Income Reservation

The remaining lendable funds will be made available for Mortgage Loans to Eligible Borrowers of low and moderate incomes whose family income does not exceed, for families of three persons or more, one hundred fifteen percent (115%) (one hundred forty percent (140%) in targeted areas) of applicable median family income, and, for individuals and families of two persons, one hundred percent (100%) (one hundred twenty percent (120%) in targeted areas) of applicable median family income.

Community Home Buyer's Program

Pursuant to Fannie Mae requirements, in connection with Program 62A, Mortgage Lenders will make available to all first time homebuyers participating in Program 62A whose Mortgage Loans are backed by Fannie Mae Certificates a comprehensive educational program known as the Community Home Buyer's Program (the "Community Home Buyer's Program"). The Community Home Buyer's Program provides more flexible loan underwriting than otherwise may be available. To qualify for the Community Home Buyer's Program, the mortgagor must first participate in home loan counseling seminars which will be made available

on an on-going basis throughout Program 62A. The seminars cover: (1) how to purchase a home; (2) budgeting; (3) evaluating the mortgagor's current ability to repay a mortgage; (4) homeownership planning; (5) loan closing; (6) home maintenance; and (7) avoiding a default.

Eligible Borrowers

Each Mortgage Loan is required to be made to a person whose family income does not exceed the income limits set forth above under "Targeted Area Reservation" and "Low and Moderate Income Reservation" and any other limits established by the Department from time to time. In addition, to be eligible for a Mortgage Loan an applicant must be a person: (i) who intends to occupy the residence to be financed with such Mortgage Loan as his or her principal residence within a reasonable period; (ii) who, except in the case of certain targeted area loans, certain exception loans hereinafter described, and certain homes falling into the Contract for Deed Exception, has not had a present ownership interest in a principal residence at any time during the three-year period preceding the date of execution of the Mortgage; and (iii) who has not had an existing mortgage on the residence (other than a mortgage falling into the Contract for Deed Exception) to be financed with such Mortgage Loan at any time prior to the execution of the Mortgage, other than certain permitted temporary financing mortgages. The Department, subject to the requirements of applicable provisions of federal income tax law and applicable regulations, may approve a limited number of exception loans that do not satisfy the requirement described in clause (ii) in the immediately preceding sentence. See "APPENDIX H - APPLICABLE MEDIAN FAMILY INCOMES AND MAXIMUM ACQUISITION COST LIMITATIONS."

Eligible Property

Each residence financed with a Mortgage Loan must consist of real property and improvements permanently affixed thereon which is located within the State of Texas. Each residence must be a single-family, owner-occupied attached or detached structure, a single-family condominium unit or a single unit in a planned unit development ("PUD") or a single unit in a qualifying duplex, triplex or four-plex. Each residence financed with a Mortgage Loan must have an acquisition cost (the "Maximum Acquisition Cost") not exceeding certain acquisition cost limits established by the Department from time to time. See "APPENDIX H - APPLICABLE MEDIAN FAMILY INCOME AND MAXIMUM ACQUISITION COST LIMITATIONS."

Eligible Mortgage Loans

Each Mortgage Loan, or participation therein, acquired by the Department under the Program is required by the Trust Indenture to be a Conventional Mortgage Loan, an FHA Mortgage Loan, a VA Mortgage Loan, or a Mortgage Loan insured or guaranteed by another agency or instrumentality of the United States of America exercising powers similar to the FHA or VA, such as RHS, and must have met the following requirements at the date of purchase thereof:

(a) Each Mortgage Loan must be secured by a first mortgage lien on a one-to-four family residence, subject only to those encumbrances which are permitted under the Fannie Mae FHA/VA Mortgage Selling Contract Supplement, the Fannie Mae Conventional Home Mortgage Selling Contract Supplement, the FHLMC Seller's Guide Conventional Mortgages, or the FHLMC Seller's Guide FHA/VA or similar guide from a successor agency;

(b) Each Mortgage Loan must: (i) be insured or guaranteed by FHA, VA or another similar agency or instrumentality of the United States of America or the State, or (ii) have (or have had at the time it was made) a principal balance not exceeding eighty percent (80%) of the value of the property securing the Mortgage Loan, or (iii) be insured by a private insurance company in the amount by which the loan exceeds eighty percent (80%) of the value of the property;

(c) Each Mortgage Loan or participation therein must comply in all respects with the guidelines of the Department pertaining thereto;

(d) Each Mortgage Loan must be covered by a valid and subsisting title insurance policy, the benefits of which run to the Department, in an amount at least equal to the outstanding principal balance of the Mortgage Loan and the improvements on the real property securing each Mortgage Loan must be fully covered by a hazard insurance policy and a flood insurance policy, if in the flood plain, in such amount as the Department deems advisable;

(e) Each Mortgage Loan must have a term not exceeding 30 years, must provide for substantially equal payments of principal and interest due on the first day of each month, and must be subject to prepayment at any time without penalty; and

(f) Each Mortgage Loan must be assumable only with the prior approval of the Department and FHA/VA, if applicable, and then only if all requirements relating to the tax exemption of interest on the Bonds are met and upon payment of certain assumption fees.

The Department is not permitted under the Trust Indenture to sell, assign, transfer or otherwise dispose of any Mortgage Loan or any of the rights of the Department with respect to any Mortgage Loan unless the Department determines that such action is in the best interests of the Department and the Bondholders and will not adversely affect the ability of the Department to pay when due the principal or Redemption Price of and interest on the Bonds, in which case such Mortgage Loan may be so disposed of by the Department free and clear of the pledge of the Trust Indenture. See "SECURITY FOR THE BONDS -- Sale of 2005 Mortgage Certificates."

The Department shall not consent or agree to or permit any amendment or modification of any Mortgage Loan which will in any manner materially impair or materially adversely affect the rights or security of the Bondholders under the Trust Indenture in such Mortgage Loan except for amendments and modifications made in connection with settling any default on any Mortgage Loan which settlement the Department determines to be in the best interests of the Department and the Bondholders or with a refinancing of a Mortgage Loan.

Compliance with Tax Law and Program Guidelines

Each Mortgage Lender was required or will be required to follow certain procedures in the origination of Mortgage Loans to insure compliance with the mortgage eligibility requirements of applicable federal income tax laws and other requirements applicable to the Mortgage Loans. These procedures will include, but may not be limited to, the following: (i) obtaining affidavits of the borrower and seller and certificates of the real estate agent, if any, providing and certifying certain information regarding borrower income, home acquisition cost, and other loan information; (ii) reviewing the contents of the affidavits and certificates with the persons executing them prior to the execution thereof; (iii) except in the case of certain targeted area loans or certain other exception loans, obtaining signed or certified copies of the borrower's federal income tax returns for the preceding three years to verify that the borrower did not claim deductions for taxes or interest on indebtedness with respect to real property constituting his or her principal residence or a borrower's affidavit that he or she was not required to file such a return during one or more of the preceding three years; (iv) performing such additional investigations as may be appropriate under the circumstances to verify that the requirements of applicable federal income tax laws are satisfied as of the date of the execution of the Mortgage; (v) reviewing the draft settlement statement to assure that all fees and charges and settlement and financing costs comply with the applicable requirements; (vi) preparing, executing, and delivering a certificate relating to compliance with the requirements set forth immediately above; and (vii) carrying out such additional verification procedures as may be reasonably requested by the Department, its designated compliance agent, or the Trustee. If any Mortgage Loan fails to meet the guidelines established by the Department, the originating Mortgage Lender

will be required to correct such failure within a reasonable time after such failure is discovered by either repurchasing the non-qualifying Mortgage Loan in full or by replacing the non-qualifying Mortgage Loan with a Mortgage Loan which meets the applicable requirements.

Compliance Agent

Countrywide Home Loans, Inc. will act as compliance agent for Program 62A to review and examine, or cause to be reviewed and examined, certain documents submitted by each Mortgage Lender in connection with the Mortgage Loans and to make determinations with respect to compliance of such documents with requirements of the Department and the Program. Such requirements primarily relate to, among other things, compliance with FHA, RHS, or VA requirements, as applicable, compliance with the Ginnie Mae Guide, the Fannie Mae Guide, the Freddie Mac Guide and the applicable Program Supplement, and compliance of the Mortgage Loans with the required terms thereof.

Servicing

General

In connection with Mortgage Loans made with proceeds of the Prior Bonds and not included within Mortgage Certificates, the Mortgage Lenders service the Mortgage Loans and the Department acts as an administrator, monitoring the Mortgage Lenders' activities and remittances to the Trustee. The Department maintains a schedule of anticipated receipts which each Mortgage Lender is expected to remit to the Trustee. The Mortgage Lenders report to the Department any delinquent payments and prepayments. The Department's computerized management information system reconciles Trustee receipts with Mortgage Lender reported remittances, reconciles loan amortization, monitors delinquencies and foreclosure actions, and monitors Mortgage Lender performance. Since the lendable funds made available through the issuance of the Series 2005A Bonds will be used to purchase Mortgage Certificates, the Department will not act as an administrator with respect to Mortgage Loans backed by Mortgage Certificates but will monitor the actions of the Master Servicer.

In connection with Mortgage Loans included in Mortgage Certificates, the Department has selected servicers for such Mortgage Loans. Such servicers are referred to herein individually as "Master Servicer" and collectively, as "Master Servicers." The Department has selected Countrywide Home Loans, Inc. ("Countrywide") to act as the Master Servicer for all Mortgage Loans under Program 62A. The Department has previously contracted with CitiMortgage, Inc. formerly known as First Nationwide Mortgage Corporation to act as the Master Servicer for Mortgage Loans financed with funds made available through the issuance of the Series 1995A-1/B-1/C-1 and Series 1996 A/B/C/D/E Bonds and the Series 1993 Transferred Mortgage Loans transferred to the 2004 Series E Bonds. The Department contracted with Texas State Affordable Housing Corporation ("TSAHC") to act as the Master Servicer for Mortgage Loans financed with funds made available through the issuance of the Series 1997A/B/C/D/E Bonds. TSAHC, in turn, has contracted with Countrywide, as subservicer, to carry out the servicing responsibilities with respect to Mortgage Loans financed with funds made available through Series 1997 A/B/C/D/E Bonds.

Servicing of Mortgage Loans Other than those Evidenced by Mortgage Certificates

Each Mortgage Lender was required to be a FHA-approved mortgagee and a Fannie Mae-, VA- or RHS -approved seller and servicer of FHA-insured mortgages. Each Mortgage Lender must service Mortgage Loans in accordance with the servicing standards set forth in the Fannie Mae Home Mortgage Servicer's Contract Supplement or the RHS Servicer's Guide as they may be in effect during the term of the Program, except as such standards are specifically modified by the Agreement, the Department or the lender's manual published by the Department. The servicing standards of the Department are applicable to its existing Mortgage Loans except where additional services must be provided to ensure compliance with applicable federal income tax

laws. Each Mortgage Lender is required to service the Mortgage Loans sold by it to the Department unless, prior to the execution of the Agreement, the Department directs the assignment of servicing to another Mortgage Lender. As compensation for such services, a Mortgage Lender is entitled to receive a monthly servicing fee of between .25 and .375 percent of the unpaid principal balance of each Mortgage Loan serviced. For Mortgage Loans delinquent 15 days or more, late charges may be collected and retained by Mortgage Lenders as permitted by law. A Mortgage Lender is required to pay all expenses incurred by it in connection with its servicing activities (including maintenance of its errors and omissions insurance policy and fidelity bond). A Mortgage Lender may, with the prior written consent of the Department, assign its servicing rights and obligations to another Mortgage Lender in good standing under the Program. The Department may maintain a list of approved standby servicers that have agreed to service Mortgage Loans originated by other Mortgage Lenders at the applicable servicing fee.

All moneys collected by the Mortgage Lender pertaining to the Mortgage Loans may be deposited to a clearing account maintained by the Mortgage Lender; however, all Revenues shall be received in trust by the Mortgage Lender and are required to be deposited promptly to a custodial account on a daily basis subject to withdrawal on the demand of the Trustee on behalf of the Department at any time. The deposits must be made into an account insured by the FDIC. The Mortgage Lender must remit to the Trustee for deposit into the Revenue Fund, after deduction of its servicing fee, on or before the fifteenth day of each calendar month all moneys deposited or held in the custodial account from the first day of such month through the tenth day of such month, and on or before the fifth Business Day of each calendar month all moneys deposited or held in the custodial account on or before the last day of the preceding calendar month which have not been remitted to the Trustee, except that (i) any insurance proceeds are to be held in the custodial account pending the determination of whether such moneys shall be applied to the repair of the related property or constitute principal prepayments, and (ii) any principal prepayment representing payment in full of a Mortgage Loan less any credit required for federal income tax purposes are to be remitted within five Business Days after receipt by the Trustee for application in accordance with the Trust Indenture. If at any time the amount on deposit in the custodial account shall exceed the lesser of \$100,000 or the amount insured by the FDIC, as the case may be, the Mortgage Lender must remit immediately to the Trustee for application in accordance with the Trust Indenture the amount on deposit in the custodial account. All moneys received as escrow payments by the Mortgage Lender are to be received in trust for the Department and the applicable eligible borrower and are to be deposited by the Mortgage Lender in such account or accounts as the Mortgage Lender is required to maintain for like payments made with respect to mortgages which are being serviced for Fannie Mae or RHS. In the event any mortgagor's escrow account is insufficient for a payment required to be made from such account, the Mortgage Lender must advance such money to make the required payment.

With respect to any Mortgage Loan it is servicing, the Mortgage Lender is responsible for determining the necessity of instituting foreclosure action. The Mortgage Lender is required to submit its foreclosure recommendation to the Department within five Business Days after a Mortgage Loan is 60 days delinquent. If the Department concurs with a recommendation to foreclose, the Mortgage Lender must conduct all foreclosure procedures in accordance with the Agreement. If the Department does not concur with a recommendation to foreclose, the Mortgage Lender is required to continue to service the Mortgage Loan in accordance with the procedures specified in the Agreement. With respect to FHA-insured Mortgage Loans, the regulations governing all of the FHA mortgage insurance programs provide that insurance benefits are payable either upon foreclosure (or other acquisition or possession) and conveyance of the mortgaged premises to the United States Department of Housing and Urban Development ("HUD") or upon assignment of the defaulted Mortgage Loan to HUD. Upon default in the payment of a Mortgage Loan guaranteed by the VA, the VA has the option to either (i) pay the holder of the Mortgage Loan an amount not in excess of the pro-rata portion of the amount originally guaranteed or (ii) pay the holder of the Mortgage Loan the unpaid balance thereon plus accrued interest and receive an assignment of the Mortgage Loan and security. See "APPENDIX B -- SUMMARY OF CERTAIN MORTGAGE INSURANCE PROGRAMS AND TEXAS FORECLOSURE LAWS."

Mortgage Lenders are required to submit various reports and information to the Department, including information concerning Mortgage Loans that are delinquent or in foreclosure, audited annual financial statements and annual certifications regarding compliance by the Mortgage Lender with the Agreement.

The Department may terminate the Agreement with respect to any Mortgage Lender upon the occurrence of certain events set forth in the Agreement. Within 30 days following such termination, a Mortgage Lender is required to deliver to the Department all Mortgage Loan files, all moneys in escrow relating to the Mortgage Loans serviced by such Mortgage Lender and all Revenues received by such Mortgage Lender not previously remitted to the Trustee.

Servicing of the Mortgage Loans Evidenced by the Mortgage Certificates

Each Mortgage Lender will be required to assign its rights to service the Mortgage Loans evidenced by Mortgage Certificates originated by it to the Master Servicer. As compensation for its duties as servicer of Mortgage Loans, the Master Servicer will be entitled to receive a monthly servicing fee equal to one-twelfth of 0.44% (subject to adjustment upon written notice from the Department) of the outstanding principal amount of the Ginnie Mae Certificates issued by it and one-twelfth of 0.25% of the outstanding principal amount of the Fannie Mae Certificates and Freddie Mac Certificates delivered by it. Since the Mortgage Loans will bear interest at a rate which will be 0.50% greater than the rate on the corresponding Ginnie Mae Certificate, the Master Servicer may deduct its servicing fees directly from amounts received on the Mortgage Loans included in a Ginnie Mae Certificate, with the remaining 0.06% paid to Ginnie Mae as its Ginnie Mae guaranty fee. See "APPENDIX C-1 -- GINNIE MAE AND THE GINNIE MAE CERTIFICATES." In the case of Mortgage Loans included in a Freddie Mac Certificate, the Master Servicer may deduct its servicing fees directly from amounts received on such Mortgage Loans, with the remaining 0.25% paid to Freddie Mac as its Freddie Mac guarantee fee. See "APPENDIX C-2 -- FREDDIE MAC AND THE FREDDIE MAC CERTIFICATES." In the case of Mortgage Loans included in a Fannie Mae Certificate, the Master Servicer may deduct its servicing fees directly from amounts received on such Mortgage Loans, with the remaining 0.25% paid to Fannie Mae as its Fannie Mae guarantee fee. See "APPENDIX C-3 -- FANNIE MAE AND THE FANNIE MAE CERTIFICATES."

Servicing of the Mortgage Loans is required to be carried out in accordance with generally accepted practices in the mortgage lending industry and in accordance with the servicing standards set forth in the Ginnie Mae Guide, Freddie Mac Guide or the Fannie Mae Guides, as applicable. In particular, the Master Servicer will be required to pursue collection on the applicable Mortgage Loans with prudence and diligence, manage foreclosure or assignment procedures, and file, process and receive the proceeds from FHA mortgage insurance, VA or RHS guaranty claims, or private mortgage insurance. All proceeds received by the Master Servicer with respect to a Mortgage Loan included in a Ginnie Mae Certificate must be deposited into the Ginnie Mae Issuer's Primary Custodial Account and administered by the Master Servicer and the Ginnie Mae Paying Agent as more fully described herein in "APPENDIX C-1 --GINNIE MAE AND THE GINNIE MAE CERTIFICATES."

The Master Servicer, as servicer of the Mortgage Loans, must provide to the Department and such other person specified in a Supplemental Indenture, audited financial statements on an annual basis and monthly reports relating to Mortgage Loan originations and purchases. The Master Servicer may not resign from its servicing duties unless it is determined that its duties are no longer permissible under applicable laws or regulations, and then only upon the assumption of the servicing duties by a successor servicer acceptable to FHA, VA, Ginnie Mae, Freddie Mac, Fannie Mae and the Department. In the event the Master Servicer is in material breach of its servicing obligations imposed by Ginnie Mae, Freddie Mac, Fannie Mae or the Department or a material adverse change has occurred in the financial condition of the Master Servicer, the Department, with the approval of Ginnie Mae, Freddie Mac, and Fannie Mae, may terminate the Master

Servicer's servicing rights and transfer and assign those rights to another Fannie Mae, Freddie Mac, and Ginnie Mae-approved servicer.

The Master Servicers

Countrywide Home Loans, Inc. ("Countrywide") has been selected by the Department to act as Master Servicer for 2005 Mortgage Loans under Program 62A. Countrywide is currently serving as a Master Servicer for Series 2002 A/B/C Mortgage Loans, the 2004 A/B Mortgage Loans, the 2004 C/D/E/F Mortgage Loans, and, as noted below, acts as sub-servicer for the Mortgage Loans financed with proceeds of the Series 1997A/B/C/D/E Bonds. As of December 31, 2004, Countrywide participates as Master Servicer for the Department for 897 loans which mortgage loans had an aggregate outstanding balance of \$96,284,227. Countrywide is engaged primarily in the mortgage banking business and, as such, originates, purchases, sells and services mortgage loans. Countrywide is a wholly-owned subsidiary of Countrywide Financial Corporation ("CFC"). CFC is a publicly-held corporation, the common stock of which is listed on the New York Stock Exchange and the Pacific Stock Exchange. CFC is subject to the information requirements of the Securities and Exchange Commission ("SEC"). Reports, proxy statements and other information filed by CFC can be inspected at the office of the SEC at Judiciary Plaza, Room 1024, 450 Fifth Street, N.W., Washington, D.C. 20549, and at the Regional Offices of the SEC located at 233 Broadway, New York, New York 10279 and Citicorp Center, 500 West Madison Street, Suite 1400, Chicago, Illinois 60661-2511. Copies of such material can be obtained from the Public Reference Section of the SEC at 450 Fifth Street, N.W., Washington, D.C. 20549, at prescribed rates. Copies of the above reports, proxy statements, and other information may also be inspected at the offices of the New York Stock Exchange, Inc., 20 Broad Street, New York, New York 10005. The SEC maintains a World Wide Web site on the Internet at <http://www.sec.gov> that contains reports, proxy information statements and other information regarding registrants that file electronically with the SEC.

The Master Servicer for Mortgage Loans financed with proceeds of the Series 1997A/B/C/D/E Bonds is Texas State Affordable Housing Corporation ("TSAHC"). Texas Star Mortgage ("TSM") is the registered business name of TSAHC and is a non-profit mortgage banking company engaging in single and multi-family lending to targeted rural and under-served areas in Texas. As of December 31, 2004, TSM participates as Master Servicer for the Department for 1,215 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance in the amount of \$72,375,596. At present Countrywide is acting as sub-servicer for TSM with respect to all of such Mortgage Loans. TSM was incorporated under the Texas Non-Profit Corporation Act, Article 1396-1.01 et seq., Vernon's Annotated Texas Civil Statutes, as amended and its purpose and mission are set forth by the 75th Texas Legislature. TSM is not a State agency. However, TSM is subject to significant state oversight by the State Auditor's Office, Texas Bond Review Board and Sunset Commission. TSM is an approved lender for FHA, a Ginnie Mae approved issuer of single family multi-family mortgage backed securities, and an approved seller/servicer for Fannie Mae and Freddie Mac.

CitiMortgage, Inc. ("CitiMortgage") is the Master Servicer for the Mortgage Loans financed with proceeds of the Series 1995A-1/B-1/C-1 Bonds and the Series 1996A/B/C/D/E Bonds and the Series 1993 Transferred Mortgage Loans transferred to the 2004 Series E Bonds. As of December 31, 2004, CitiMortgage participates as Master Servicer for the Department for 1,485 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$81,376,211. CitiMortgage is involved in the mortgage banking business, with a focus on a wholesale lending operation and mortgage loan servicing. CitiMortgage is an approved FHA, VA, and RHS lender, a Ginnie Mae approved issuer/servicer for mortgage-backed securities guaranteed by Ginnie Mae and a Freddie Mac-approved seller/servicer for mortgage-backed securities guaranteed by Fannie Mae and Freddie Mac.

THE TRUST INDENTURE

General

The Trust Indenture, which includes the Master Indenture and each of the supplements and amendments thereto relating to the Bonds, contains various covenants and security provisions, certain of which are summarized below. In addition, the Trust Indenture contains requirements for the purchase of Mortgage Loans (including Mortgage Certificates) and certain covenants with respect to applicable provisions of federal income tax law. See "TAX MATTERS." Reference should be made to the Trust Indenture, a copy of which may be obtained from the Department, for a full and complete statement of its provisions.

FSA Treated as Bondholder

Notwithstanding the following descriptions, for so long as FSA is not in default under FSA's policy, the Forty-Second Supplemental Indenture provides that the Trustee shall recognize FSA as the sole holder of each Series 2005A Bond for purposes of exercising any voting right or privilege or giving any consent or direction or the like available to the Bondholders under the Trust Indenture.

Funds and Accounts

The following Funds are established under the Trust Indenture: Mortgage Loan Fund; Revenue Fund; Debt Service Fund (and a Principal Account, an Interest Account, a Debt Service Reserve Account, a 2005 Swap Agreement Periodic Payment Account, and a Redemption Account therein); Expense Fund (and a Rebate Account therein); and Special Mortgage Loan Fund. The Funds and Accounts (except for the Principal Account, Interest Account, 2005 A Swap Agreement Periodic Payment Account and Redemption Account of the Debt Service Fund which are held and invested by the Trustee and the Expense Fund which is held by the Department) are held by the Trustee and maintained and invested by the Comptroller of Public Accounts of the State of Texas, acting by and through the Texas Treasury Safekeeping Trust Company, as depository (the "Depository") under the Trust Indenture. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY."

The Forty-Second Supplemental Indenture create an Account for the Series 2005A Bonds within each listed Fund and a Subaccount for the Series 2005A Bonds within each listed Account except for the Special Mortgage Loan Fund and the Debt Service Reserve Account. In addition, the Forty-Second Supplemental Indenture creates a 2005A Capitalized Interest Subaccount within the 2005 A Revenue Account. The Forty-Second Supplemental Indenture creates the 2005 A Swap Agreement Termination Payment Subaccount, the 2005 A Swap Agreement Periodic Receipt Subaccount and the 2005 A Swap Agreement Termination Receipt Subaccount within the Surplus Revenues Account of the Revenue Fund. The 2005 A Swap Agreement Termination Payment Subaccount and the 2005 A Swap Agreement Termination Receipt Subaccount are not pledged as security for the payment of principal of or interest on any Bonds. The Forty-Second Supplemental Indenture also creates the Policy Payments Account into which funds from claims on the municipal bond insurance policy will be deposited and which are not pledged to the payment of principal of or interest on any Bonds. The Accounts and Subaccounts so created do not grant a priority of the Series 2005A Bonds over that of any other series of Bonds.

Mortgage Loan Fund

Certain proceeds of the Series 2005A Bonds will be transferred to the 2005 A Mortgage Loan Account of the Mortgage Loan Fund. See "PLAN OF FINANCE" and "SOURCES AND USES OF FUNDS" herein.

Amounts in the Mortgage Loan Fund will be used to pay: (i) the costs of acquiring the Mortgage Certificates, (ii) the costs of issuance of the Bonds, and (iii) any other fees and expenses incurred in connection with the acquisition of the Mortgage Certificates which are payable by the Trustee on behalf of the Department pursuant to any agreement with Mortgage Lenders, and the fees and expenses of the Trustee, the Department, and any consultants to the Department.

Under certain circumstances, as required by the Trust Indenture, the Trustee, at the direction of the Department, is required to transfer amounts in the Mortgage Loan Fund to the Redemption Account to pay the principal of Bonds to be redeemed or to be purchased. To the extent other moneys are not available in any other fund or account, amounts in the Mortgage Loan Fund may be applied to the payment of principal or Redemption Price of and interest on the Bonds.

The Department has covenanted in the Trust Indenture that it will acquire, refinance or sell Mortgage Loans or Mortgage Certificates only if it has determined, on the basis of its most recent Statement of Projected Revenues, and other information available to it, that such action will not adversely affect the Department's ability to pay, when due, the principal or Redemption Price of and interest on the Bonds. See "SECURITY FOR THE BONDS - Certain Information as to Revenues, Investments, Debt Service and Department Expenses" and "-- Statement of Projected Revenues" and "SECURITY FOR THE BONDS - Sale of 2005 Mortgage Certificates."

Expense Fund

Amounts in the Expense Fund (except for amounts in the Rebate Account therein) may be paid out from time to time by the Department for Department Expenses, taxes, insurance, foreclosure fees, including appraisal and legal fees, security, repairs and other expenses incurred by the Department in connection with the protection and enforcement of its rights in any Mortgage Loan and the preservation of the mortgaged property securing such Mortgage Loans. Excess amounts in the Expense Fund may be transferred to the Revenue Fund.

Funds on deposit in the Rebate Account are required to be withdrawn periodically by the Department and set aside to pay any amounts required to be rebated to the United States under applicable provisions of federal income tax law.

Revenue Fund

All Revenues are required to be deposited in the Revenue Fund promptly upon receipt by the Department. On the first day of each month, or as soon thereafter as possible, the Trustee is required to transfer from the Revenue Fund to the Expense Fund the amount, estimated by the Department, to be required to pay the Department Expenses during the next month together with the amount, if any, necessary to maintain or restore an operating reserve in the Expense Fund to the sum estimated in the Department's current annual budget to be required to pay two months' Department Expenses. The 2005 Supplemental Indenture requires the Department to estimate periodically the amounts necessary to pay an amount (the "Rebate Amount") to the United States of America as required under Section 148(f) of the Code and applicable provisions thereunder and thus include such amounts in its monthly estimate of Department Expenses.

On or before each Interest Payment Date on the Bonds, the Trustee is required to transfer Mortgage Loan Principal Payments at the Department's direction to either the Principal Account, the Mortgage Loan Fund, or to the Redemption Account; provided, however, that all amounts representing Mortgage Loan Principal Payments shall be transferred to a Redemption Account and applied to the redemption of the respective series of Bonds within six months after receipt. The Trustee also must transfer from the Revenue Fund the other amounts on deposit therein representing investment earnings on Funds and Accounts and Mortgage Loan Interest Payments to the Debt Service Fund as follows: (i) to the Interest Account, to the extent

required so that the balance in said Account equals the amount of the interest which will be due and unpaid on such Interest Payment Date, (ii) to the Principal Account, to the extent required so that the balance in said Account equals the amount of principal which will be due and unpaid on such Interest Payment Date, (iii) to the Debt Service Reserve Account, to the extent required so that the balance in such Account equals the Debt Service Reserve Account Requirement, and (iv) to the 2005 A Swap Agreement Periodic Payment Account to the extent required so that the balance in said account equals the Swap Agreement Periodic Payment which will be due and unpaid on such Interest Payment Date. Any amounts remaining in the Revenue Fund after such payments described above are made are deemed Surplus Indenture Revenues.

Surplus Indenture Revenues (with certain exceptions) are transferred to the Surplus Revenues Account of the Revenue Fund. If the Department has satisfied the requirements in the Trust Indenture, amounts in the Surplus Revenues Account are transferred on or before each Interest Payment Date or redemption date for the Junior Lien Bonds to the trustee under the Junior Lien Trust Indenture to the extent such amounts are needed to pay amounts due on the Junior Lien Bonds, to pay fees and expenses associated with the Junior Lien Bonds and to restore reserves and other accounts for such Junior Lien Bonds.

During such time as the Department is not meeting the Asset Test described in the next succeeding paragraph, the Department may only direct the Trustee to use Surplus Indenture Revenues as described under "SECURITY FOR THE BONDS - Statement of Projected Revenues."

The Department will be deemed to have met the Asset Test if (i) the Department shall have on file with the Trustee a Statement of Projected Revenues giving effect to a transfer and release proposed as described in the next succeeding paragraph projecting that available Revenues will be sufficient to pay Department Expenses and aggregate Debt Service on the Bonds, including Swap Agreement Periodic Payments, and debt service on any Outstanding Junior Lien Bonds when due in the then-current and each succeeding Bond Year; (ii) as of the date of such Statement of Projected Revenues the Department Assets (including that portion of junior lien mortgage loans that are permitted to be included as Department Assets by each Rating Agency) are at least equal to one hundred two percent (102%) of the aggregate principal amount of Bonds and any Junior Lien Bonds then Outstanding; and (iii) amounts then on deposit in the Debt Service Reserve Account are at least equal to the Debt Service Reserve Account Requirement and amounts in the reserve fund for the Junior Lien Bonds are equal to the reserve fund requirement therefor.

At the end of any Bond Year, if the Department meets the Asset Test, the Department may direct the Trustee to transfer the Surplus Indenture Revenues (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test) to the trustee under the Junior Lien Trust Indenture to be used to originate Mortgage Loans, to reimburse a bond insurer or credit provider for amounts provided under a bond insurance policy or other credit support or to originate Junior Lien Mortgage Loans, or the Department may apply such Surplus Indenture Revenues: (1) in any manner permitted during periods when the Department is not meeting the Asset Test, as described under "SECURITY FOR THE BONDS - Statement of Projected Revenues"; (2) (A) to the redemption of Bonds; (B) to the payment of any Department Expenses; (C) to the establishment of reserves therefor, free and clear of the pledge and lien of the Trust Indenture; or (D) to the purchase of Bonds; and (3) any other purpose or payment authorized by the Act, free and clear of the pledge and lien of the Trust Indenture.

No Surplus Indenture Revenues may be applied in any way which would result in less than ninety percent (90%) of all amounts received by the Department with respect to the Mortgage Loans being used for the following purposes: (i) to pay the principal or Redemption Price of or interest on or purchase or otherwise to service the Bonds; (ii) to reimburse the Department for Department Expenses, or to pay for costs of issuance of the Bonds; (iii) to reimburse the Department, or to pay for administrative or other costs or anticipated future losses directly related to the Program; (iv) to acquire Mortgage Loans or other loans or mortgages financing residential real property in the State; and (v) to redeem or retire obligations of the Department.

Debt Service Fund -- Interest Account; Principal Account; 2005 Swap Agreement Periodic Payment Account; Redemption Account

The Trustee is required to pay out of the Interest Account by each Interest Payment Date the amount required for the interest payment on such date. The Trustee is required to pay out of the Principal Account by each principal installment due date, the amount required for the principal installment payable on such due date. By the redemption date for any Bonds, the Trustee is required to pay out of the Interest Account the amount required for the payment of interest on the Bonds to be redeemed. The Trustee is required to pay the Swap Agreement Periodic Payment out of the 2005 Swap Agreement Periodic Payment Account on each Interest Payment Date.

Amounts in the Principal Account with respect to any sinking fund redemption (together with amounts in the Interest Account with respect to accrued interest on the Bonds to be so redeemed) are required to be applied by the Trustee to pay the Redemption Price of the Bonds to be so redeemed. Amounts in the Redemption Account (together with amounts in the Interest Account with respect to accrued interest on the Bonds to be redeemed from the Redemption Account) shall be applied by the Trustee to pay the Redemption Price of the Bonds to be redeemed or may (subject to the provisions of any supplemental indenture), at the direction of the Department, be transferred to the Revenue Fund if notice of redemption has not been published or mailed or such amounts have not been committed to the purchase of Bonds. As soon as practicable after the 40th day preceding the redemption date, the Trustee shall proceed to call for redemption, by giving notice as provided in the Trust Indenture, Bonds in such amount as shall be necessary to exhaust as nearly as possible the amounts in the Redemption Account. In the event that any supplemental indenture establishes a "special sinking fund bond payment," amounts in the Redemption Account representing any such special sinking fund bond payment shall be used only for the purpose of redeeming or purchasing the special sinking fund Bonds for which such payments were established.

Upon any purchase or redemption, other than a sinking fund redemption, of Bonds of any series and maturity for which sinking fund installments have been established, there shall be credited toward each such sinking fund installment thereafter to become due a proportional amount of the total principal amount of such Bonds so purchased or redeemed, or may be credited otherwise at the direction of the Department upon satisfaction of certain conditions set out in the Trust Indenture. The Trustee, at any time at the direction of the Department, is required to apply amounts available in the Principal Account or the Redemption Account to pay the principal portion of Bonds which the Department may purchase at a price (excluding accrued interest to the purchase date but including any brokerage or other charges), no greater than the applicable Redemption Price of such Bonds.

The Department covenants that it will only purchase Bonds or redeem Bonds pursuant to an optional or special redemption, out of amounts in the Redemption Account, if it has determined, on the basis of its most recent Statement of Projected Revenues, and other information available to the Department, that such action will not adversely affect the ability of the Department to pay, when due, the principal or Redemption Price of and interest on the Bonds.

Debt Service Reserve Account

If on any Interest Payment Date for the Bonds, the amount in the Principal Account is less than the amount required to pay the principal and Redemption Price of Bonds then payable, or the amount in the Interest Account shall be less than the amount required to pay interest then due on the Bonds, the Trustee is required to apply amounts from the Debt Service Reserve Account to the extent necessary to eliminate the deficiency first in the Interest Account and second in the Principal Account. Any amount on deposit in the Debt Service

Reserve Account prior to the monthly allocation from the Revenue Fund that is in excess of the Debt Service Reserve Requirement will, upon the request of the Department, be transferred to the Revenue Fund.

Whenever the amount in the Debt Service Reserve Account, together with the amounts in the Debt Service Fund is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including principal or Redemption Price and interest thereon), the funds on deposit in the Debt Service Reserve Account may be transferred to the Debt Service Fund for credit to the Redemption Account, and the Interest Account, as appropriate.

The Debt Service Reserve Account Requirement is three percent (3%) of the amount of Mortgage Loans Outstanding (for Mortgage Loans represented by Mortgage Certificates the requirement is zero percent (0%)).

Special Mortgage Loan Fund

As a result of the issuance of the Series 1996 A/B/C Bonds, the Series 1996 D/E Bonds, the Series 1997 D/E/F Bonds and the Series 2004 C/D/E Bonds, the Trust Indenture establishes the Special Mortgage Loan Fund as a separate fund pledged (unless withdrawn as provided by the next paragraph) to and available for payment of Debt Service on the Bonds. In the event of any shortfall in funds available to pay any Debt Service on the Bonds, the Depository shall, upon the request of the Trustee, transfer to the Trustee from the Special Mortgage Loan Fund any amount necessary to provide sufficient funds to pay the amount then due and owing.

Moneys on deposit in the Special Mortgage Loan Fund may be withdrawn by the Department for the purpose of acquiring from mortgage lenders Special Mortgage Loans (including participations therein). Special Mortgage Loans are mortgage loans which otherwise meet the requirements of the Code, applicable to mortgage loans financed with the proceeds of qualified mortgage bonds, which bear interest at a rate of zero percent (0%) per annum, and for which principal amortizes over the term of the loan. Special Mortgage Loans may not satisfy all Mortgage Loan requirements for a Program under the Trust Indenture.

Withdrawals from Funds to Pay Debt Service

If on any Interest Payment Date on the Bonds, the amount in the Interest Account or the Principal Account shall be less than the amount required to be in such Account in order to make payments then due, the Trustee shall transfer from the following Funds and Accounts in the following order of priority the amount of such deficit and apply such amount to pay aggregate Debt Service as necessary: (i) Redemption Account, (ii) Mortgage Loan Fund, and (iii) Debt Service Reserve Account.

None of the following are deemed available under the Trust Indenture for the payment of Debt Service on Bonds: (i) moneys in the Redemption Account which are to be used to redeem Bonds as to which notice of redemption has been given or committed to the purchase of Bonds, (ii) moneys in the Mortgage Loan Fund which are to be used to acquire or refinance Mortgage Loans (or Mortgage Certificates) with respect to which the Department has entered into commitments with borrowers or Mortgage Lenders, or (iii) Mortgage Loans credited to the Mortgage Loan Fund. Prior to withdrawing any amounts from the Mortgage Loan Fund, the Department shall file with the Trustee a Statement of Projected Revenues giving effect to such withdrawal, which shall project Revenues sufficient to pay Department Expenses and Debt Service when due in the then-current and each succeeding Bond Year. If there is not a sufficient amount in all Funds and Accounts to pay all required principal, interest and Redemption Price on all Bonds, the available amounts will be applied in accordance with the provisions of the Trust Indenture.

Investments

Moneys held in the Mortgage Loan Fund, the Revenue Fund and the Debt Service Fund are required to be invested and reinvested by the Trustee or by any Depository holding all or a portion of the moneys in such Funds, in accordance with instructions from the Department and moneys held in the Expense Fund are required to be invested and reinvested by the Department or by any Depository holding all or a portion of the moneys in such Fund, in accordance with instructions from the Department, to the fullest extent practicable and if permitted by the Act, in Investment Securities (or certificates of deposit or time deposits) the principal of which the Department estimates will be received not later than such times as will be necessary to provide moneys when needed for payments to be made from each such Fund. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY."

Interest earned from investing any moneys in any Fund or profits realized from any investments in such Fund are required to be retained in such Fund until it contains the amount required by the Trust Indenture to be deposited therein; thereafter such earnings and profits, net of any losses (except that which represents a return of accrued interest paid in connection with the purchase by the Department, the Trustee or any Depository of any investment or as otherwise provided in a Supplemental Indenture), are required to be transferred to the Revenue Fund. In computing the amount in any Fund or Account created under the provisions of the Trust Indenture for any purpose provided in the Trust Indenture, obligations purchased as an investment of moneys therein must be valued at their amortized value, computed as prescribed in the Trust Indenture.

Other Department Covenants

Prior to the beginning of each Bond Year the Department shall prepare and file with the Trustee an annual budget for the ensuing Bond Year. The Department may not expend any amount from the Expense Fund for Department Expenses for such year in excess of the amounts provided therefor in the annual budget as originally adopted or as amended. The Department shall keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions in accordance with generally accepted accounting principles. The Department shall annually, within 150 days after the close of each Bond Year, file with the Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by an accountant's certificate, including the following statements in reasonable detail: a statement of financial position as of the end of such year; a statement of Revenues and Department Expenses; and a summary, with respect to each Fund and Account established under the Trust Indenture of the receipts therein and disbursements therefrom during such year and the amounts held therein at the end of such year. The Department shall at all times appoint, retain and employ competent personnel for the purpose of carrying out the Program and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation salaries, fees and charges, and all persons employed by the Department shall be qualified for their respective positions.

Restrictions and Covenants as to Arbitrage Bonds

The Department covenants to make such use of the proceeds of the Bonds and Revenues, regulate investments of proceeds of the Bonds and Revenues, and take such other and further action as may be required so that the Bonds (other than any taxable bonds) will not be "arbitrage bonds" under Section 148(a) of the Code and the regulations prescribed from time to time thereunder. In particular, the Department reserves the right to direct the Trustee to make specific investments to ensure compliance with the arbitrage restrictions set forth in the 2005 Supplemental Indenture.

Events of Default

Each of the following events is an "Event of Default" under the Trust Indenture: (i) default in the due and punctual payment of the principal or Redemption Price of any Bond when due; (ii) default in the due and punctual payment of any installment of interest on any Bond or any sinking fund installment when due and the continuance of such default for a period of 30 days; (iii) default by the Department in the performance or observance of any other of its covenants, agreements, or conditions in the Trust Indenture or in the Bonds, and the continuance of such default for a period of 60 days after written notice thereof to the Department by the Trustee or to the Department and to the Trustee by the owners of not less than ten percent (10%) in principal amount of the Bonds Outstanding; or (iv) the commencement of various proceedings involving the Department in bankruptcy or seeking reorganization, arrangement, readjustment or composition of its debts or for any other relief under the federal bankruptcy laws or under any other insolvency act or law, state or federal, now or hereafter existing, or seeking the involuntary appointment of a receiver or trustee of the Department or for all or a substantial part of its property, and unless commenced by or consented to by the Department, their continuation for 90 days undismissed or undischarged.

Bondholders' Rights in the Event of Default

Acceleration. If an Event of Default (other than a covenant default) occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, must, by written notice delivered to the Department, declare the principal of the Bonds then Outstanding and the interest accrued thereon immediately due and payable; subject, however, to the right of the owners of more than fifty percent (50%) in aggregate principal amount of the Bonds then Outstanding, by written notice to the Department and to the Trustee, to annul such declaration and destroy its effect at any time if all Events of Default, other than those arising from nonpayment of principal or interest due solely as a result of such acceleration, have been cured. Such annulment will not extend to nor affect any subsequent Event of Default nor impair or exhaust any right or power consequent thereon. In the event the Bonds are declared due and payable under the Trust Indenture payments guaranteed by the Insurer's Policy shall be made in such amounts and at such times as such payments would have been due had there not been any such acceleration. See "BOND INSURANCE."

Other Actions by Trustee. If any Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than twenty-five (25%) in aggregate principal amount of the Bonds then Outstanding and upon being indemnified to its satisfaction, must: (i) by mandamus or other suit, action or proceeding at law or in equity require the Department to perform its covenants, representations and duties under the Trust Indenture; (ii) bring suit upon the Bonds; (iii) by action or suit in equity require the Department to account as if it were the trustee of an express trust for the owners of the Bonds; (iv) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; or (v) take such other steps to protect and enforce its rights and the rights of the owners of the Bonds, whether by action, suit or proceeding in aid of the execution of any power granted in the Trust Indenture or for the enforcement of any other appropriate legal or equitable remedy.

Judicial Proceedings. If any Event of Default occurs and is continuing, then the Trustee may, and upon written request by the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, must, proceed by suit or suits, at law or in equity or by any other appropriate legal or equitable remedy, to enforce payment of the principal of and interest on the Bonds under a judgment or decree of a court or courts of competent jurisdiction or by the enforcement of any other appropriate legal or equitable remedy, as the Trustee deems most effectual to protect and enforce any of its rights or the rights of the owners of the Bonds under the Trust Indenture.

Application of Proceeds

The proceeds received by the Trustee in case of an Event of Default, together with all securities and other moneys which may then be held by the Trustee as a part of the Trust Estate, are required to be applied in order, as follows:

(a) to the payment of the reasonable and proper charges, expenses and liabilities of the Trustee;

(b) to the payment of the interest and principal or Redemption Price then due on the Bonds, as follows:

(i) unless the principal of all the Bonds shall have become or have been declared due and payable, to the payment to the persons entitled thereto of: first, all amounts of interest then due, including Swap Agreement Periodic Payments then due, in order of maturity, and, if the amount available shall not be sufficient to pay in full any installments maturing on the same date or Swap Agreement Periodic Payments then due, then to the payment thereof ratably, according to the amounts due thereon, without any discrimination or preference; and second, the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, without any discrimination or preference;

(ii) if the principal of all the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds, including Swap Agreement Periodic Payments then due and unpaid, without preference or priority of principal over interest or of interest over principal, including, in each case, Swap Agreement Periodic Payments, or of any installment of interest over any other installment of interest, including Swap Agreement Periodic Payments or of any Bond over any other Bond ratably, according to the amounts due respectively for principal and interest, including Swap Agreement Periodic Payments, to the persons entitled thereto without any discrimination or preference;

(c) to the payment of Swap Agreement Termination Payments but only to the extent that the amount available shall be sufficient to pay the principal or Redemption Price of and interest on any Junior Lien Bonds then due and payable prior to the payment of any amount in satisfaction of Swap Agreement Termination Payments; and

(d) to the payment of the amounts required for reasonable and necessary Department Expenses allocable to the Bonds, the Trust Indenture or the Program.

Trustee

J.P. Morgan Trust Company, National Association, a national banking association having a corporate trust office located in Fort Worth, Texas, will continue to serve as the Trustee for the Bonds issued under the Trust Indenture, including the Series 2005A Bonds.

The Trustee is required to be removed if so requested by the owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Department. The Trustee may also resign. In either event, a successor is required to be appointed.

Supplemental Indentures without Consent of Bondholders

For any one or more of the following purposes and at any time or from time to time, a supplemental indenture of the Department may be adopted, which, upon filing with the Trustee a copy thereof, certified by an authorized officer of the Department, shall be fully effective in accordance with its terms: (i) to authorize Bonds of a series and to specify the matters relative to such Bonds which are not contrary to or inconsistent with the Trust Indenture; (ii) to close the Trust Indenture against, or provide limitations on, the delivery of Bonds; (iii) to add to the covenants of the Department in the Trust Indenture; (iv) to add to the restrictions in the Trust Indenture other restrictions to be observed by the Department which are not inconsistent with the Trust Indenture; (v) to confirm the subjection to any lien or pledge created by the Trust Indenture of the Trust Estate or any other moneys; (vi) to modify any of the provisions of the Trust Indenture in any other respect, effective only after all Bonds of any series Outstanding at the date of the adoption of such supplemental indenture shall cease to be Outstanding; (vii) to amend the Trust Indenture to permit its qualification under the Trust Indenture Act of 1939 or any state blue sky law; or (viii) to surrender any right conferred upon the Department by the terms of the Trust Indenture, provided that the surrender of such right is not inconsistent with the covenants of the Department contained in the Trust Indenture.

For any one or more of the following purposes and at any time or from time to time, a supplemental indenture may be adopted with the consent of the Trustee: (i) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of the Trust Indenture; (ii) to insert such provisions clarifying matters or questions arising under the Trust Indenture as are necessary or desirable and are not contrary to or inconsistent with the Trust Indenture as theretofore in effect; or (iii) to provide for additional duties of the Trustee in connection with the Trust Estate, the Mortgage Loans or the Program.

Amendment of Indenture with Consent of Bondholders

No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds of which the consent of the owners is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any fiduciary without its written assent thereto. For the purposes of the Trust Indenture, a series is deemed to be affected by a modification or amendment of the Trust Indenture if the same adversely affects or diminishes the rights of the owners of the Bonds of such series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment, Bonds of any particular series or maturity would be affected by any modification or amendment of the Trust Indenture and any such determination shall be binding and conclusive on the Department and all owners of Bonds.

Defeasance

If the Department shall pay or cause to be paid, or there shall otherwise be paid, to the owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Trust Indenture, then the pledge of the Trust Estate under the Trust Indenture and all covenants, agreements and other obligations of the Department to the Bondholders, shall thereupon terminate.

Bonds or interest installments for the payment or redemption of which moneys shall be held in trust by the Trustee or Paying Agents at the maturity or redemption date thereof shall be deemed to have been paid within the meaning of the Trust Indenture. In addition, all Outstanding Bonds of any series shall be deemed to have been paid within the meaning of the Trust Indenture if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Department shall have given to the Trustee irrevocable instructions to give notice of redemption of such Bonds on said date, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee or Paying Agents at the same time shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (iii) in the event said Bonds are not be redeemed within the next succeeding 60 days, the Department shall have given the Trustee irrevocable instructions to give a notice to the owners of such Bonds that the deposit required by (ii) above has been made with the Trustee or the Paying Agents and that said Bonds are deemed to have been paid in accordance with the Trust Indenture and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds.

If there are Junior Lien Bonds Outstanding at the time all Bonds are defeased, all moneys or securities held by the Trustee and not required for the payment of principal or Redemption Price and interest on the Bonds shall be transferred to the trustee under the Junior Lien Trust Indenture.

Depositories

The Department may appoint one or more depositories to hold all or a designated portion of the moneys and investments subject to the lien and pledge of the Trust Indenture. Any depository appointed by the Department must be: (i) the Comptroller of Public Accounts of the State of Texas, acting by and through the Texas Treasury Safekeeping Trust Company; or (ii) a bank, trust company, a national banking association, a savings and loan association, savings bank, or other banking institution or association selected by the Department. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY."

All moneys and securities deposited with any Depository under the provisions of the Trust Indenture are required to be held in trust for the Department and the owners of the Bonds, and may not be applied in any manner that is inconsistent with the provisions of the Trust Indenture. Each Fund or Account held by the Depository shall be a trust fund for purposes of the Trust Indenture.

TEXAS TREASURY SAFEKEEPING TRUST COMPANY

The Department has entered into a Depository Agreement relating to the Bonds (as amended and supplemented, the "Depository Agreement"), by and among the Department, the Trustee, and the Treasurer of the State of Texas (now, the Comptroller of Public Accounts of the State of Texas), acting by and through the Texas Treasury Safekeeping Trust Company, a special-purpose trust company organized under the laws of the State of Texas (the "Trust Company"). Pursuant to the Depository Agreement, the Trust Company will hold all moneys and securities required to be credited to all Funds (other than the Principal Account, Interest Account, 2005 A Swap Agreement Periodic Payment Account and Redemption Account of the Debt Service Fund, and the Expense Fund). All money and securities required by the Trust Indenture to be credited to such Funds are required to be remitted to the Trust Company from time to time by the Department and the Trustee. The Trust Company is required to remit amounts from the appropriate accounts held by it to the Trustee at such times as are necessary to pay the principal or Redemption Price of and interest on the Bonds when due. Moneys held in the accounts held by the Trust Company are required to be invested by the Trust Company pursuant to

instruction from the Department as described herein under "THE TRUST INDENTURE -- Investments." The Trust Company is required to hold all moneys and securities delivered to it under the Depository Agreement in trust for the benefit of the Department, the Trustee and the owners of the Bonds.

The Department has agreed to pay the Trust Company a fee for performing its duties under the Depository Agreement. The Department has the right to remove the Trust Company as Depository under the Depository Agreement at any time by filing a written notice with the Trustee and the Trust Company to that effect. The Trust Company may resign as Depository under the Depository Agreement by giving at least 60 days' written notice to the Department and the Trustee of its determination to resign. Upon any such removal or resignation, the Trust Company is required to deliver all moneys and securities held by it under the Depository Agreement to its successor thereunder, or, if there is no successor, to the Trustee.

TAX MATTERS

Tax Exemption

In the opinion of Vinson & Elkins L.L.P., Bond Counsel, (i) prior to the first change of interest rate modes for which an opinion of nationally recognized bond counsel is required, interest on the Series 2005A Bonds, is excludable from gross income for federal income tax purposes under existing law and (ii) interest on the Series 2005A Bonds is an item of tax preference that is includable in alternative minimum taxable income for purposes of determining the alternative minimum tax imposed on individuals and corporations. A copy of the proposed form of opinion of Bond Counsel is attached hereto as APPENDIX E.

The Code imposes a number of requirements that must be satisfied in order for interest on state or local obligations, such as the Series 2005A Bonds, to be excludable from gross income for federal income tax purposes. These requirements include the various mortgage eligibility, arbitrage, targeted area, recapture, use of proceeds and information reporting requirements discussed more fully below under the caption "Federal Income Tax Requirements." Bond Counsel's opinion will assume continuing compliance with the procedures, safeguards and covenants of the Master Servicer in the Trust Indenture and the Program Documents pertaining to those sections of the Code that affect the exclusion from gross income of the interest on the Series 2005A Bonds for federal income tax purposes, and in addition, will rely on representations by the Department, the Underwriters, the Master Servicer, and the Mortgage Lenders with respect to matters solely within the knowledge of the Department, the Underwriters, the Master Servicer, and the Mortgage Lenders, respectively, which representations Bond Counsel has not independently verified. Bond Counsel will further rely on the report (the "Report") of Causey Demgen & Moore Inc., certified public accountants, regarding the mathematical accuracy of certain computations. If the Department, a Mortgage Lender, or the Master Servicer fails to comply with such procedures, safeguards and covenants or if such representations or the Report should be determined to be inaccurate or incomplete, interest on the respective issue of Series 2005A Bonds could become taxable from the date of original delivery thereof, regardless of the date on which the event causing such taxability occurs.

The Code imposes an alternative minimum tax on the "alternative minimum taxable income" of an individual, if the amount of such alternative minimum tax is greater than the amount of such individual's regular income tax. Generally, the alternative minimum tax rate for individuals is twenty six percent (26%) of so much of such taxable excess as does not exceed \$175,000 plus twenty eight percent (28%) of so much of such taxable excess as exceeds \$175,000. The Code also imposes a twenty percent (20%) alternative minimum tax on the "alternative minimum taxable income" of a corporation, if the amount of such alternative minimum tax is greater than the amount of the corporation's regular income tax. Generally, the alternative minimum taxable income of an individual or corporation will include items of tax preference under the Code, such as the amount of interest received on "private activity bonds," issued after August 7, 1986. Accordingly, Bond Counsel's

opinion will state that interest on the Series 2005A Bonds is an item of tax preference that is includable in alternative minimum taxable income for purposes of determining the alternative minimum tax imposed on individuals and corporations.

Under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Series 2005A Bonds, received or accrued during the year.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, acquisition, ownership or disposition of, the Series 2005A Bonds. As described above under "THE SERIES 2005A BONDS," certain changes of interest rate modes are conditioned on delivery of an opinion to the effect that each such change will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes. The delivery of such opinions will depend on facts and law that exist on such future date or dates, if any. Therefore, Bond Counsel's opinions express no opinion regarding the excludability of interest on the Bonds from gross income for federal income tax purposes on and after the date or dates, if any, of any such changes. Further, Bond Counsel will express no opinion on its ability to render the opinion required in connection with such changes.

Prospective purchasers of the Series 2005A Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, taxpayers owning an interest in a FASIT that holds tax-exempt obligations and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively-connected earnings and profits, including tax-exempt interest such as interest on the Series 2005A Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel's knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement their opinions to reflect any facts or circumstances that may thereafter come to its attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent Bond Counsel's legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Series 2005A Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Department as the taxpayer and the Owners may not have a right to participate in such audit. Public awareness of any future audit of the Series 2005A Bonds could adversely affect the value and liquidity of the Series 2005A Bonds during the pendency of the audit regardless of the ultimate outcome of the audit.

Federal Income Tax Requirements

General

Sections 103 and 143 of the Code and applicable regulations thereunder provide that the interest on bonds the proceeds of which are used directly or indirectly to finance owner-occupied residences, will not be excludable from gross income for federal income tax purposes unless such bonds (i) are "qualified mortgage

bonds;" (ii) are issued in fully registered form; (iii) are not "federally guaranteed" and (iv) are not "arbitrage bonds" within the meaning of the Code. "Qualified mortgage bonds" are bonds that are part of an issue meeting the following requirements: (i) all proceeds of the issue (exclusive of issuance costs and a reasonably required reserve fund) are to be used to finance owner-occupied residences with mortgages that satisfy certain mortgage eligibility requirements, as set forth more fully below under the subheading "Mortgage Eligibility Requirements;" (ii) a specified portion of the lendable proceeds of such issue must be made available for a minimum period of time for owner financing of residences located within certain targeted areas, as described more fully below under the subheading "Targeted Area Requirement;" (iii) certain arbitrage limitations described more fully below under the subheading "Requirements Related to Arbitrage" must be satisfied; (iv) certain reporting requirement as set forth more fully below under the subheading "Reporting Requirements" must be satisfied; and (v) certain requirements for informing mortgagors regarding the recapture of a portion of the proceeds from the disposition of certain residences as described more fully below under the subheading "Recapture Requirements" must be satisfied.

In addition, to be "qualified mortgage bonds," the costs of issuance financed by an issue of bonds cannot exceed two percent (2%) of the proceeds of such issue. Further, the amount of such an issue of bonds, other than certain refunding bonds, when added to the amount of all other private activity bonds issued within the State during calendar year 2005 must not exceed the unified volume cap for private activity bonds imposed by the Code and applicable regulations. An allocation of the unified volume cap is not required for refunding bonds if the maturity date of the refunding bond is not later than the date 32 years after the date on which the refunded bond was issued (or in the case of a series of refundings, the date on which the original bond was issued) and to the extent that the amount of such refunding bond does not exceed the outstanding amount of the refunded bond.

The Department has covenanted in the Trust Indenture that it will take all actions necessary in order to comply with each of the foregoing requirements.

Mortgage Eligibility Requirements

The Code contains six basic mortgage eligibility requirements that must be met at the time a mortgage is executed or assumed.

Residence Requirement. The Code requires that each home financed by a mortgage loan be a single-family residence which can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after financing is provided.

First-time Homebuyer Requirement. The Code requires that at least ninety-five percent (95%) of the net proceeds of an issue used to provide owner-financing must be used to finance residences of mortgagors who have not had a present ownership interest in any principal residence during the three-year period prior to execution of the mortgage loan; provided, however, that the three-year requirements does not apply (i) to Targeted Area Loans or (ii) in the case of land possessed under a contract for deed by a mortgagor whose principal residence is located on such land and whose family income is not more than fifty percent (50%) of the AMFI (the "Contract for Deed Exception"). For purposes of this exception, the term "contract for deed" means a seller-financed contract for the conveyance of land under which legal title does not pass to the purchaser until the consideration under the contract is fully paid to the seller, and the seller's remedy for nonpayment is forfeiture rather than judicial or nonjudicial foreclosure.

New Mortgage Requirement. No part of the proceeds of an issue of qualified mortgage bonds may be used to acquire or replace an existing mortgage. Thus, all of the lendable proceeds of an issue must be used to provide new mortgages to persons who did not have an existing mortgage (whether or not paid off) on the residence at any time prior to the execution of the new mortgage. An exception from the new mortgage

requirement is provided for the replacement of construction period loans, bridge loans or other similar temporary initial financing having a term not exceeding 24 months and certain residences described within the Contract for Deed Exception.

Purchase Price Limitations. The Code requires that the purchase price of the residence may not exceed ninety percent (90%) of the average area purchase price applicable to such residence, or, in the case of residences in certain targeted areas, one hundred ten percent (110%) of the applicable average area purchase price. The Internal Revenue Service has published "safe harbor rules" identifying purchase price limitations in the State that are considered to be in compliance with the requirements of the Code. The Department has determined to rely on the safe harbor figures for purposes of the Bonds.

Income Requirements. The Code requires that all the mortgage loans financed with the proceeds of an issue be provided to borrowers whose family income does not exceed one hundred fifteen percent (115%) (one hundred percent (100%) in the case of individuals or families of two) of the greater of the statewide median income or the median income of the area in which the residence is located (one hundred forty percent (140%) and one hundred twenty percent (120%), respectively, in the case of such loans for targeted area residences).

Requirements as to Assumptions of Mortgages. The Code provides that a mortgage loan may be assumed only if the assuming mortgagor complies with the residence requirement, first-time homebuyer requirement, purchase price limitations and income requirements, as if the loan were being made to the assuming mortgagor for the first time.

Targeted Area Requirement

The Code requires that either (a) an amount equal to at least twenty percent (20%) of the lendable proceeds of an issue of qualified mortgage bonds or (b) an amount equal to forty percent (40%) of the average annual aggregate principal amount of mortgages executed during the immediately preceding three calendar years for single family owner occupied residences in the targeted area, if such amount is less, must be reserved, for at least one year from the date such proceeds are first made available to purchase mortgage loans, for the purchase of mortgage loans to provide financing for residences located within one or more targeted areas consisting of census tracts identified by the United States Treasury Department as having a substantial concentration of lower-income persons and areas of chronic economic distress designated by the State and approved by HUD. The Department initially has reserved twenty percent (20%) of the lendable funds made available through the issuance of the Series 2005A Bonds for Targeted Area Residences.

Requirements Related to Arbitrage

Sections 143 and 148 of the Code provide that: (i) the effective interest rate on the mortgage loans financed with the proceeds of an issue of qualified mortgage bonds may not exceed the yield on such bonds by more than 1.125 percentage points; (ii) no more than ten percent (10%) of the proceeds of a series of bonds may be invested in a reserve fund; (iii) no more than the lesser of five percent (5%) of the proceeds of a series of bonds or \$100,000 (other than amounts invested for certain temporary periods or in a "reasonably required reserve fund") may be invested at a yield materially higher than the yield on such bonds; and (iv) the amount of funds held in certain accounts (other than amounts held for certain temporary periods) for a series of bonds invested at a yield greater than the yield on such bonds may not exceed one hundred fifty percent (150%) of the current year's debt service on such bonds appropriately reduced as mortgage loans are prepaid. In calculating the effective interest rate on the mortgages, all amounts borne by the mortgagor either directly or indirectly must be taken into account.

The Code also requires the issuer to pay to the United States Treasury certain investment earnings on non-mortgage investments, to the extent that such investment earnings exceed the amount that would have been

earned on such investments if the investments were earning a return equal to the yield on the Series 2005A Bonds to which such non-mortgage investments relate.

Reporting Requirements

An issuer of qualified mortgage bonds is required to file with the Secretary of the Treasury an informational report containing various data regarding such bonds.

Redemption Requirements

The Code contains two redemption requirements which must be satisfied in order for an issue of bonds to be treated as "qualified mortgage bonds."

The Code requires all proceeds of an issue of qualified mortgage bonds in an amount of \$250,000 or more which are not expended to finance residences within 42 months of the date of issuance of such bonds must be used within such 42-month period to redeem bonds which are part of such issue of bonds.

The Code requires that all amounts of \$250,000 or more which are received by the issuer and represent complete repayments of mortgage loans or prepayments of principal of mortgage loans must be used to redeem bonds of the same issue not later than the close of the first semiannual period beginning after the date the prepayment or complete repayment is received. This requirement does not apply to amounts received within ten years after the date of issuance of bonds.

Recapture Requirements

The Code subjects to a tax any mortgagor who disposes of an interest in a residence with respect to which there is or was any federally-subsidized indebtedness (i.e., a mortgage loan) made after December 31, 1990, and the payment for which indebtedness the taxpayer was liable in whole or in part. Specifically, such a mortgagor is subject to the payment of an additional tax reflecting the "recapture amount" with respect to such indebtedness. This recapture amount is determined pursuant to a formula established in the Code based on the "federally-subsidized amount" and certain family income limits applicable to the mortgagor. This recapture provision does not apply to any disposition of an interest in a residence by reason of death or any such disposition which is made more than ten years after the date the mortgage loan is made.

In order to facilitate the collection of the recapture amount from mortgagors, the Code requires that the issuer of any issue of qualified mortgage bonds, at the time of settlement of a mortgage loan, provide a written statement informing the mortgagor of the potential recapture under the Code. Furthermore, the Code requires that the issuer, not later than 90 days after the date each such mortgage is provided, provide a written statement to the mortgagor specifying the federally-subsidized amount with respect to such mortgage loan and the applicable income limits.

The Department, the Mortgage Lenders, and the Master Servicer have covenanted to comply with these information requirements.

Compliance with Tax Requirements

The Code provides that the arbitrage and certain other requirements are deemed to be met if the issuer attempts in good faith to meet such requirements and any failure to meet such requirements is due to inadvertent error. With respect to the mortgage eligibility requirements, however, the Code provides that such requirements are deemed to be met only if: (i) the issuer attempts in good faith to meet such requirements by establishing reasonable procedures and making reasonable investigations before the mortgage loans were executed; (ii) at

least ninety-five percent (95%) of the mortgages, by aggregate principal amount, meet all the mortgage eligibility requirements at the time of execution or assumption; and (iii) any failure to meet such requirements is corrected within a reasonable period of time after such failure is discovered. In determining whether or not ninety-five percent (95%) of the mortgage loans satisfy the mortgage eligibility requirements, the issuer is entitled to rely upon affidavits of the mortgagors and sellers of residences financed with the mortgage loans and upon federal income tax returns of the mortgagors, even if the relevant information in such affidavits and returns ultimately proves to be false, unless the issuer knows or has reason to know that such information is false.

The Department has covenanted in the Trust Indenture and the Mortgage Lenders and the Master Servicer have covenanted in the Program Documents to comply with the above-described requirements of the Code as applied to the Series 2005A Bonds and to establish and follow procedures and safeguards sufficient to ensure compliance with such requirements. Nevertheless, if the Department, a Mortgage Lender, or the Master Servicer should fail to comply with such covenants, interest on the Series 2005A Bonds could become includable in gross income for federal income tax purposes from the date of issuance thereof, regardless of the date on which the event causing such includability occurs.

CONTINUING DISCLOSURE OF INFORMATION

In the Continuing Disclosure Agreement, dated as of April 1, 2005 (the "Disclosure Agreement") between the Trustee and the Department, the Department has made the following agreement for the benefit of the holders and beneficial owners of the Series 2005A Bonds. The Department is required to observe the Disclosure Agreement for so long as it remains obligated to advance funds to pay the Series 2005A Bonds. Under the Disclosure Agreement, the Department will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified material events, to certain information vendors. This information will be available to securities brokers and others who subscribe to receive the information from said vendors.

No Eligible Borrower is an "obligated person" (as defined in Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC")) for whom financial information or operating data would be presented in the final Official Statement relating to the Series 2005A Bonds had such Eligible Borrower been known at the time of the offering of the Series 2005A Bonds.

Annual Reports

The Department will provide certain updated financial information and operating data to certain information vendors annually. The information to be updated includes all quantitative financial information and operating data with respect to the Department of the general type included in this Official Statement under the headings "APPENDIX D-1 -- AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS FOR THE FISCAL YEARS ENDED AUGUST 31, 2004 and 2003" (financial statements for the last completed fiscal year will be unaudited, unless an audit is performed in which event the audited financial statements will be made available), "APPENDIX F-1 -- THE DEPARTMENT'S MORTGAGE LOAN PORTFOLIO," and "APPENDIX F-2 -- OTHER INDEBTEDNESS OF THE DEPARTMENT." The Department will update and provide this information within six months after the end of each Fiscal Year ending in or after 2005. The Department will provide the updated information to each nationally recognized municipal securities information repository ("NRMSIR") and to any state information depository ("SID") that is designated by the State of Texas and approved by the staff of the United States Securities and Exchange Commission (the "SEC").

The Department may provide updated information in full text or may incorporate by reference certain other publicly available documents, as permitted by SEC Rule 15c2-12. The updated information will include audited financial statements, if the Department commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the Department will provide unaudited financial statements within the required time and audited financial statements when and if the audit report becomes available. Any such financial statements will be prepared in accordance with the accounting principles described in APPENDIX D-1 or such other accounting principles as the Department may be required to employ from time to time pursuant to state law or regulation.

The Department's current Fiscal Year ends on August 31. Accordingly, it will be required to provide updated information by February 28 in the year 2006 and in each year thereafter, unless the Department changes its Fiscal Year. If the Department changes its Fiscal Year, it will notify each NRMSIR and any SID of the change.

Material Event Notices

The Department will provide timely notices of certain events to certain information vendors. The Department will provide notice of any of the following events with respect to the Series 2005A Bonds, if such event is material to a decision to purchase or sell Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults; (3) unscheduled draws on Debt Service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions or events affecting the tax-exempt status of the Series 2005A Bonds; (7) modifications to rights of securities holders; (8) Bond calls; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Series 2005A Bonds; (11) rating changes; and (12) amendments to the Disclosure Agreement in connection with financial statements or operating data which the Department is required to disclose. In addition, the Department will provide timely notice of any failure by the Department to provide information, data, or financial statements in accordance with its Agreement described above under "Annual Reports". The Department will provide each notice described in this paragraph to any SID and to either each NRMSIR or the Municipal Securities Rulemaking Board ("MSRB").

Availability of Information from NRMSIRs and SID

The Department has agreed to provide the foregoing information only to NRMSIRs and any SID. The information will be available to holders of Bonds only if the holders comply with the procedures and pay the charges established by such information vendors or obtain the information through securities brokers who do so.

The Municipal Advisory Council of Texas has been designated by the State of Texas as a SID and has been determined by the SEC to be a SID. The address of the Municipal Advisory Council is 600 West 8th Street, P.O. Box 2177, Austin, Texas 78768-2177, and its telephone number is 512/476-6947.

Limitations and Amendments

The Department has agreed to update information and to provide notices of material events only as described above. The Department has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The Department makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Series 2005A Bonds at any future date. The Department disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement or from any statement made pursuant to the Disclosure

Agreement, although holders of Series 2005A Bonds may seek a writ of mandamus to compel the Department to comply with its Agreement.

The Agreement may be amended by the Department and the Trustee from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Department, but only if (1) the provisions, as so amended, would have permitted an underwriter to purchase or sell any Series 2005A Bonds in the primary offering of the Series 2005A Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Disclosure Agreement that authorizes such an amendment) of the Outstanding Series 2005A Bonds consent to such amendment or (b) a person that is unaffiliated with the Department (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the Holders and beneficial owners of the Series 2005A Bonds. If the Department so amends the Disclosure Agreement, it has agreed to include with any financial information or operating data next provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of any change in the type of financial information and operating data so provided. The Department may also amend or repeal the provisions of the Disclosure Agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling any Series 2005A Bonds in the primary offering of such Series 2005A Bonds.

Notwithstanding the foregoing, under current state law, the Department is required to have an audit performed annually by independent accountants, which audit is available to any person who makes a request to the Department and upon payment of the cost of copying thereof.

Duties, Immunities and Liabilities of Trustee

The Trust Indenture is made applicable to the Disclosure Agreement as if the Disclosure Agreement were (solely for this purpose) contained in the Trust Indenture. The Trustee shall have only such duties as are specifically set forth in the Disclosure Agreement, and no implied covenants shall be read into the Disclosure Agreement against the Trustee.

Compliance with Prior Continuing Disclosure Agreements

The Department has not failed to comply with its previous Continuing Disclosure Agreements in accordance with SEC Rule 15c2-12.

RATINGS

Standard & Poor's Credit Markets Services, a division of The McGraw-Hill Companies, Inc. ("S&P") and Moody's Investors Service, Inc. ("Moody's") are expected to assign ratings to the Series 2005A Bonds of "A-1+/AAA" and "VMIG 1/Aaa", respectively. The ratings of S&P and Moody's are each based upon the issuance by FSA of its municipal bond insurance policy and delivery by the Bank of the Liquidity Facility. The ratings on the Series 2005A Bonds unenhanced by a municipal bond insurance policy are "A+/A-1" and "Aa1/VMIG 1" from S&P and Moody's, respectively. No application for a rating was made to any other rating agency.

An explanation of the significance of such ratings may be obtained from the companies furnishing such ratings. The ratings are not a recommendation to buy, sell or hold any Series 2005A Bonds. The ratings reflect only the respective views of such organizations at the time such ratings were assigned and the Department makes no representation as to the appropriateness of such ratings. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by either or both of such rating companies, if in the judgment of either or both companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2005A Bonds.

UNDERWRITING

The Series 2005A Bonds are being purchased from the Department by the Underwriters listed on the cover page of this Official Statement. The Underwriters will agree, pursuant to a bond purchase agreement for the Series 2005A Bonds (the "Bond Purchase Agreement"), to purchase all of the Series 2005A Bonds at a total purchase price of \$100,000,000. The Underwriter will receive a fee of \$317,253 in connection with its purchase of the Series 2005A Bonds. The Bond Purchase Agreement provides, among other things, that the Underwriters' obligations to make such purchase are subject to certain terms and conditions set forth in such Bond Purchase Agreement, including the approval of certain legal matters by their counsel and certain other conditions. The initial public offering prices of the Series 2005A Bonds may be changed, from time to time, by the Underwriters. The Underwriters may offer and sell the Series 2005A Bonds offered to the public to certain dealers (including dealers depositing the Series 2005A Bonds into unit investment trusts, certain of which may be sponsored or managed by one or more of the Underwriters) and others at prices other than the public offering prices stated on the inside front cover hereof.

FINANCIAL ADVISOR

RBC Dain Rauscher Inc. (the "Financial Advisor"), is employed by the Department as an independent financial advisor in connection with the issuance of the Series 2005A Bonds and, in such capacity, has responsibility primarily for providing the Department with information on interest rates, reoffering prices and underwriting fees on similar financings being sold under current market conditions. The Department has also employed the Financial Advisor as a swap financial advisor in connection with the execution of the Swap Agreement.

FINANCIAL STATEMENTS

The financial statements of the Texas Department of Housing and Community Affairs - Revenue Bond Enterprise Fund for the fiscal years ended August 31, 2004 and 2003 included in this Official Statement have been audited by Deloitte & Touche LLP, independent certified public accountants to the extent and for the periods indicated in their report thereon. Such financial statements have been included in reliance upon the report of Deloitte & Touche LLP.

The unaudited interim financial statements of the Department for the four-month period ended December 31, 2004 are included in Appendix D-2 to this Official Statement.

THE SERIES 2005A BONDS ARE SECURED ONLY BY THE ASSETS AND REVENUES DESCRIBED UNDER THE CAPTION "SECURITY FOR THE BONDS" AND NOT BY ANY OTHER SOURCE.

LITIGATION MATTERS

The Department is expected to deliver a certificate upon the closing and delivery of the Series 2005A Bonds stating that there is no controversy or litigation of any nature pending or, to its knowledge, threatened to restrain or enjoin the issuance or delivery of the Series 2005A Bonds, or in any way contesting or affecting the validity of the Series 2005A Bonds, the Trust Indenture, or any proceedings of the Department taken with respect to the issuance or sale of the Series 2005A Bonds, or the existence or powers of the Department insofar as they relate to the authorization, sale and issuance of the Series 2005A Bonds or such pledge or application of moneys and security.

LEGALITY FOR INVESTMENT

The Act provides that all obligations issued by the Department are legal and authorized investments for banks, savings banks, trust companies, savings and loan associations, insurance companies of all kinds and types, fiduciaries, trustees, guardians, and the sinking and other public funds of the State, cities, towns, villages, counties, school districts, and other political subdivisions and public agencies of the State.

The Act also provides that all obligations issued by the Department are eligible and lawful security for all deposits of public funds of the State and all public agencies to the extent of the par or market value thereof, whichever is greater.

To the extent that the Series 2005A Bonds constitute "collateralized mortgage obligations that have a stated final maturity of greater than 10 years" within the meaning of the Texas Public Funds Investment Act, the Series 2005A Bonds are not an "authorized investment" for a state agency, a local government, or other investing entity subject to the provisions of the Public Funds Investment Act.

No representation is made that the Series 2005A Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes. The Department has made no investigation of other laws, rules, regulations or investment criteria which might apply to any such persons or entities or which might otherwise limit the suitability of the Series 2005A Bonds for any of the foregoing purposes or limit the authority of such persons or entities to purchase or invest in the Series 2005A Bonds for such purposes.

VERIFICATION OF MATHEMATICAL COMPUTATIONS

Causey Demgen & Moore, Inc., the verification agent, will verify the mathematical accuracy of the computations relating to the computation of yield on the Series 2005A Bonds contained in the schedules provided to and used by Bond Counsel in its determination that interest on the Series 2005A Bonds is excludable from gross income for federal income tax purposes. Causey Demgen & Moore, Inc. will express no opinion on the assumptions provided to them, nor as to the exemption from taxation of the interest on the Series 2005A Bonds.

APPROVAL OF LEGALITY

Legal matters incident to the issuance of the Series 2005A Bonds are subject to the approving opinion of Vinson & Elkins L.L.P., Bond Counsel. Certain legal matters incident to the issuance of the Series 2005A Bonds are subject to the approving opinion of the Attorney General of Texas. Certain legal matters will be passed upon for the Department by its Acting General Counsel, Anne O. Reynolds, Esq., and by its Disclosure Counsel, McCall, Parkhurst & Horton L.L.P. Certain legal matters will be passed upon for the Underwriters by their counsel, Andrews Kurth LLP.

In its capacity as Bond Counsel, Vinson & Elkins L.L.P. has reviewed the information appearing in this Official Statement describing the Series 2005A Bonds, the security therefor and the federal income tax status thereof, particularly the information appearing under "THE SERIES 2005A BONDS" (but excluding the information contained therein under the subheadings "Redemption Provisions - "DTC and Book-Entry"), "SECURITY FOR THE BONDS" (but excluding the information set forth under the subheadings "The Prior Bonds", "Junior Lien Bonds," "Prior Mortgage Loans and Mortgage Certificates" and "Certain Information as to Revenues, Investments, Debt Service and Department Expenses"), "THE PROGRAM AND THE MORTGAGE LOANS (but excluding information set forth under the headings "Community Home Buyer's Program," "Servicing" and "The Master Servicers")", "THE TRUST INDENTURE," "TEXAS TREASURY SAFEKEEPING TRUST COMPANY," "TAX MATTERS," "LEGALITY FOR INVESTMENT," "APPROVAL OF LEGALITY," APPENDIX A, and APPENDIX E, to this Official Statement, solely to determine whether such information fairly and accurately describes or summarizes the provisions of the Act, the laws of the State of Texas, the Trust Indenture and the Series 2005A Bonds and the federal tax implications with respect to the Series 2005A Bonds. Bond Counsel was not requested to participate and did not take part in the preparation of any other information contained herein and did not assume responsibility with respect thereto or undertake independently to verify the accuracy of any of such information. Except as set forth above, Bond Counsel does not pass upon the fairness, accuracy or completeness of this Official Statement, and no person is entitled to rely upon such firm's limited participation as an assumption of responsibility for or an expression of opinion of any kind with regard to the accuracy or completeness of the information contained herein.

ADDITIONAL INFORMATION

Certain provisions of the Act and the Trust Indenture are summarized in this Official Statement. Such summaries do not purport to be comprehensive or definitive and reference is made to such documents for a full and complete statement of their respective provisions. The information contained above is subject to change without notice and no implication is to be derived therefrom or from the sale of the Series 2005A Bonds that there has been no change in the affairs of the Department from the date hereof.

This Official Statement is submitted in connection with the sale of the securities referred to herein and may not be reproduced or used, as a whole or in part, for any other purpose. Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the Department and the purchasers or owners of any of the Series 2005A Bonds.

APPENDIX A

GLOSSARY

Unless otherwise provided in the text of this Official Statement, capitalized terms used in this Official Statement shall have the following definitions:

"Account" or "Accounts" shall mean any one or more, as the case may be, of the separate special trust accounts created and established within the Funds created and established under the Trust Indenture and the 2005 Supplemental Indenture.

"Act" shall mean Chapter 2306, Texas Government Code, as amended.

"Agency" shall mean the Texas Housing Agency, all of whose functions and obligations (including Bonds previously issued under the Trust Indenture) along with the functions and obligations of the Texas Department of Community Affairs were transferred to the Department pursuant to the Act, which abolished both the Agency and the Texas Department of Community Affairs.

"Alternate Rate" shall mean, with respect to each Series 2005A Bond, the interest on the Series 2005A Bonds as described under the caption "THE SERIES 2005A BONDS – Establishment of an Alternate Rate."

"Alternate Rate Period" shall mean each period during which an Alternate Rate is in effect.

"Authorized Denominations," shall mean, (i) with respect to any Long-Term Interest Rate Period, \$5,000 and any integral multiple thereof, and (ii) with respect to any Short-Term Interest Rate Period, Daily Interest Rate Period or Weekly Interest Rate Period, \$100,000 and any integral multiple of \$5,000 in excess of \$100,000.

"Bank" shall mean, with respect to the Series 2005A Bonds, initially DEPFA BANK plc, acting by and through its New York Branch, in its capacity as a party to the Liquidity Facility for the Series 2005A Bonds, until a Substitute Liquidity Facility for the Series 2005A Bonds is executed and delivered and is effective in accordance with the Forty-Second Supplemental Indenture, and thereafter "Bank" shall also mean the obligor or obligors under such Substitute Liquidity Facility for the Series 2005A Bonds. Any reference to the Bank shall mean the obligor or obligors under the Liquidity Facility.

"Bank Bond Interest Rate" shall mean, with respect to the Series 2005A Bonds, the "Bank Rate" as defined in the Liquidity Facility or the equivalent rate charged by the Bank in any Substitute Liquidity Facility for the Series 2005A Bonds; provided, however, that the Bank Bond Interest Rate for the Series 2005A Bonds shall not exceed the Maximum Rate.

"BMA Swap Index Rate" shall mean The Bond Market Association Municipal Swap Index, produced by Municipal Market Data to be an index of 7-day high grade tax-exempt variable rate demand obligations as announced from time to time by The Bond Market Association (or any successor index produced by or on behalf of The Bond Market Association). Any change in the BMA Swap Index Rate shall become effective as of the date the change is announced by The Bond Market Association. If The Bond Market Association does not publish The Bond Market Association Municipal Swap Index, then "BMA Swap Index Rate" shall be the alternative interest rate index designated by the Department to the Trustee and agreed to by the Bond Insurer.

"Board" shall mean the Governing Board of the Department.

"Bond Counsel" shall mean a firm or firms of attorneys selected by the Department, and acceptable to the Trustee, experienced in the field of housing revenue bonds the interest on which is excludable from gross income for federal income tax purposes, and whose legal opinion on such bonds is acceptable in national bond markets.

"Bond Depository" shall mean The Depository Trust Company, New York, New York, a limited purpose trust company organized under the laws of the State of New York, and any successor Bond Depository appointed pursuant to the 2005 Supplemental Indenture.

"Bond Insurer" shall mean Financial Security Assurance Inc., a New York Stock insurance company, or any successor thereto or assignee thereof.

"Bond Interest Term" shall mean each period established in accordance with the Forty-Second Supplemental Indenture as described under the caption "THE SERIES 2005A BONDS – Interest Rates – Short-Term Interest Rate Period" during which such Series 2005A Bond shall bear interest at a Bond Interest Term Rate.

"Bond Interest Term Rate" shall mean, with respect to each Series 2005A Bond, a non-variable interest rate on such Series 2005A Bond established periodically as described under the caption "THE SERIES 2005A BONDS – Interest Rates – Short-Term Interest Rate Period."

"Bond Purchase Agreement" shall mean the Bond Purchase Agreement providing for the initial purchase of the Series 2005A Bonds by the Underwriters.

"Bond Year" shall mean each twelve-month period ending August 31.

"Bondholder" or "Holder" shall mean the bearer of any coupon Bond not registered as to principal or registered as to principal to bearer, the registered owner of any Bond registered as to principal other than to bearer and the registered owner of any fully registered Bond as to both principal and interest.

"Bonds" shall mean any bond or bonds, as the case may be, authenticated and delivered pursuant to the Trust Indenture, including the Series 2005A Bonds, the Prior Bonds and any additional bonds.

or supplemented from time to time, and includes any tender agreement entered into between the Department and a successor Tender Agent for the Series 2005A Bonds.

"Trust Indenture" shall mean, collectively, the Single Family Mortgage Revenue Bond Trust Indenture of the Department, dated as of October 1, 1980, as amended by the Second Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of June 1, 1982, the Thirteenth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of February 1, 1988, the Fourteenth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of August 1, 1991, the Fifteenth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of August 1, 1992, the Sixteenth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of May 1, 1994, the Seventeenth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of October 1, 1995, the Nineteenth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of October 1, 1995, the Twentieth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 1995, the Twenty-First Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of September 1, 1996, the Twenty-Second Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of September 1, 1996, the Twenty-Fourth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 1996, the Twenty-Fifth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 1996, the Twenty-Sixth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of August 1, 1997, the Twenty-Seventh Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of August 1, 1997, the Twenty-Eighth Supplemental Single Family Revenue Bond Trust Indenture, dated as of August 1, 1997, the Twenty-Ninth Supplemental Single Family Revenue Bond Trust Indenture, dated as of November 1, 1997, the Thirtieth Supplemental Single Family Revenue Bond Trust Indenture, dated as of November 1, 1997, the Thirty-First Supplemental Single Family Revenue Bond Trust Indenture, dated as of November 1, 1997, the Thirty-Second Supplemental Single Family Revenue Bond Trust Indenture, dated as of June 1, 2002, the Thirty-Third Supplemental Single Family Revenue Bond Trust Indenture, dated as of June 1, 2002, the Thirty-Fourth Supplemental Single Family Revenue Bond Trust Indenture, dated as of June 1, 2002, the Thirty-Fifth Supplemental Single Family Revenue Bond Trust Indenture, dated as of June 1, 2002, the Thirty-Sixth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of April 1, 2004, the Thirty-Seventh Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of April 1, 2004, the Thirty-Eighth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 2004, the Thirty-Ninth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 2004, the Fortieth Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 2004, and the Forty-First Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 2004 and as hereafter amended and supplemented, each between the Department and the Trustee.

"2005 A Capitalized Interest Subaccount" shall mean the 2005 A Capitalized Interest Subaccount of the 2005 A Revenue Account.

"2005 A Mortgage Loan Account " shall mean the 2005 A Mortgage Loan Account of the Mortgage Loan Fund.

"2005 A Redemption Subaccount" shall mean the 2005 A Redemption Subaccount of the Redemption Account of the Debt Service Fund.

"2005 A Revenue Account" shall mean the 2005 A Revenue Account of the Revenue Fund.

"2005 A Swap Agreement Periodic Payment Account" shall mean the 2005 A Swap Agreement Periodic Payment Account of the Debt Service Fund from which Swap Agreement Periodic Payments will be made.

"2005 A Swap Agreement Periodic Receipt Subaccount" shall mean the 2005 A Swap Agreement Periodic Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund into which Swap Agreement Periodic Receipts will be deposited.

"2005 A Swap Agreement Termination Payment Subaccount" shall mean the 2005 A Swap Agreement Termination Payment Subaccount of the Surplus Revenues Account of the Revenue Fund from which Swap Agreement Termination Payments will be made.

"2005 A Swap Agreement Termination Receipt Subaccount" shall mean the 2005 A Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund into which Swap Agreement Termination Receipts will be deposited.

"2005 Mortgage Certificates" shall mean the Ginnie Mae Certificates, Freddie Mac Certificates or Fannie Mae Certificates that evidence beneficial ownership of and a one hundred percent (100%) participation in a Mortgage Pool and that satisfy the requirements of the Trust Indenture which are purchased by the Trustee from amounts available in the 2005 A Mortgage Loan Account and pledged by the Department to the Trustee pursuant to the Trust Indenture and the 2005 Supplemental Indenture.

"2005 Mortgage Loans" shall mean the loans included in each Mortgage Pool represented by a 2005 Mortgage Certificate.

"Underwriters" shall mean Bear, Stearns & Co. Inc. and the other underwriters named on the schedule attached to the Bond Purchase Agreement.

"VA" shall mean the United States of America Department of Veterans Affairs.

"VA Mortgage Loan" shall mean a Mortgage Loan guaranteed by the VA under the provisions of the Servicemen's Readjustment Act of 1944 or Chapter 37 of Title 38 of the United States Code, as amended, and which complies with the provisions of the Trust Indenture.

"Weekly Interest Rate" shall mean, with respect to each Series 2005A Bond, a variable interest rate on the Series 2005A Bonds as described under the caption "THE SERIES 2005A BONDS – Interest Rates – Weekly Interest Rate Period."

"Weekly Interest Rate Period" shall mean each period during which a Weekly Interest Rate is in effect for the Series 2005A Bonds.

"Yield" shall mean, with respect to the Series 2005A Bonds, yield as determined in accordance with Sections 143(g) and 148(h) of the Code and Sections 6a.103A-2(i), 1.148-4 and 1.148-5 of the Regulations.

APPENDIX B
SUMMARY OF CERTAIN MORTGAGE INSURANCE PROGRAMS
AND TEXAS FORECLOSURE LAWS

Introduction

The United States Department of Housing and Urban Development ("HUD"), created by the Housing and Urban Development Act of 1965, is responsible for the administration of various Federal programs authorized under the National Housing Act of 1934, as amended, and the United States Housing Act of 1937, as amended. The Department of Veterans Affairs (formerly the Veterans Administration) ("VA") administers the mortgage guaranty program authorized under the Servicemen's Readjustment Act of 1944, as amended. These programs may be financed by annual appropriations from Congress, as well as by mortgage insurance premiums and fees. Subsidies and insurance payments are in some cases made from trust funds established under the various programs.

Following is a summary of certain of these Federal programs and private mortgage insurance programs as they affect insurance on Mortgage Loans acquired by the Department from proceeds of the Bonds. This summary does not purport to summarize or describe all of the provisions of these programs. For a more detailed description regarding these programs, reference is made to specific provisions of the master insurance contracts and such other such information relating to the various mortgage insurers.

FHA Insurance Programs

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs, which differ in some respects depending primarily upon whether the premises contains five or more dwelling units or less than five such units. Insurance benefits are payable only upon foreclosure (or other acquisition or possession) and conveyance of the premises to HUD or upon assignment of the defaulted loan to HUD. Assignment is allowed only with HUD approval if the premises contains less than five dwelling units. Assignment is at the option of the lender if the premises contains five or more dwelling units, but HUD may decrease the insurance payment by an amount equal to one percent (1%) of the unpaid principal amount of the loan if the mortgage lender chooses to assign such a loan.

With respect to the assignment of defaulted loans to HUD, the insured must first make a determination as to whether or not the default is caused by a circumstance or set of circumstances beyond the borrower's control which temporarily renders the family financially unable to cure the delinquency within a reasonable time or make full payments. If a determination is made that the default is caused by such circumstances, HUD must be requested to accept assignment, and must have rejected the request in order for the insured to initiate foreclosure proceedings.

Under some of the FHA insurance programs, insurance claims are paid by HUD in cash unless the insured specifically requests payment in debentures issued by HUD. Under others, HUD has the option at its discretion to pay insurance claims in cash or in such debentures. The current HUD policy, subject to change at any time, is to make insurance payments on mortgages covering less than five dwelling units in cash with respect to all programs covering such units as to which it has discretion to determine the form of insurance payment. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debenture interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the loan, whichever rate is higher.

When entitlement to insurance benefit results from foreclosure (or other acquisition or possession) and conveyance, the insurance payment is computed as of the date of default by the borrower, as defined in HUD regulations, and the insured generally is not compensated for interest accrued and unpaid prior to that date. When entitlement to insurance benefits results from assignment of the loan to HUD, the insurance payment is computed as of the date of the assignment and includes full compensation of interest accrued and unpaid to the assignment date. The regulations under all insurance programs described above provide that the insurance payment itself bears interest from the date of default or, where applicable, assignment, to the date of payment of the claim at the same interest rate as the applicable HUD debenture interest rate determined in the manner set forth above.

When any property conveyed to HUD or securing a loan which is to be assigned to HUD has been damaged by fire, earthquake, flood, or tornado, it is generally required, as a condition to payment of an insurance claim, that such property be repaired by the mortgage lender prior to such conveyance or assignment.

Department of Veterans Affairs Mortgage Guaranty Program

The Servicemen's Readjustment Act, as amended, permits a veteran (or in certain instances the spouse of a veteran) to obtain a mortgage loan guaranty by the VA covering mortgage financing of the purchase of a one-to-four family dwelling unit. The program has no mortgage loan limits, requires no down payment from the purchaser and permits the guaranty of mortgage loans with terms limited by the estimated economic life of the property, up to approximately thirty (30) years.

The VA uses a three-tier guaranty system. The maximum VA guaranty for mortgage loans of \$45,000 or less is a guaranty of fifty percent (50%) of the loan. The maximum VA guaranty for mortgage loans of more than \$45,000 to \$56,250 is \$22,500. The maximum VA guaranty for mortgage loans of more than \$56,250 is a guaranty of forty percent (40%) of the loan or \$36,000, whichever is less. Under the Program, a VA Mortgage Loan would be guaranteed in any amount which, together with the down payment by or on behalf of the mortgagor, will at least equal twenty-five percent (25%) of the lesser of the sales price or the appraised value of the single-family dwelling. The actual guaranty may be less than the maximum guaranty as described above in the event a veteran's guaranty entitlement previously used for a guaranteed loan has not been restored by the VA.

The liability on the guaranty is reduced or increased pro rata with any reduction or increase in the amount of the indebtedness, but in no event will the amount payable on the guaranty exceed the amount of the original guaranty. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage holder will ordinarily suffer a monetary loss only where the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of the mortgaged premises is greater than the original guaranty, as adjusted. The VA may, at its option and without regard to the guaranty, make full payment to a mortgagee of unsatisfied indebtedness on a mortgage upon its assignment to the VA. Under certain circumstances, a mortgagee is required to accept partial payments on a loan that is more than thirty (30) days overdue.

When a VA loan is foreclosed, the VA must decide whether to (i) acquire the property and pay off the debt or (ii) not acquire the property through the "no bid" process. Under option (ii), the VA gives instructions to the mortgagee to make "no bid" at the foreclosure sale and pays the guaranty amount to the mortgagee, leaving the mortgagee responsible for the disposition of the property. Mortgagees may also "buy down" the veteran's indebtedness at the time of the foreclosure sale to convert a no bid into a VA acquisition. No bids are more likely if the property has significantly declined in value, because the cost to the VA to pay the guaranty amount may be less than their expected cost to acquire, manage and dispose of the property.

United States Department of Agriculture, Rural Development Guaranteed Rural Housing Loan Program

The Cranston-Gonzalez National Affordable Housing Act of 1990, authorized the establishment of RHS Guaranteed Rural Housing Loan Program. Households with annual incomes at or below one hundred fifteen percent (115%) of median area income are eligible for these loans, subject to the geographic restrictions described below. Households with annual incomes at or below eighty percent (80%) of the area median income may be eligible for interest assistance, in addition to the loan guaranty. The interest assistance paid monthly by RHS to the loan servicer reduces the borrower's effective interest rate. The amount of interest rate reduction is dependent upon the households' annual income, which is re-certified by the loan servicer annually. No funds currently are available for interest assistance.

The RHS Guaranteed Rural Housing Loan program is limited to only certain rural areas of the State. Any city, place, town or village classified as rural prior to October 1, 1990, with a population exceeding 10,000 but not in excess of 25,000, which is rural in character, will be considered rural until the year 2000. Any city, place, town or village with a population in excess of 10,000 and determined to be urban prior to August 2, 1991 will not be considered an eligible rural area.

The RHS guaranty covers the lesser of (a) any loss equal to ninety percent (90%) of the original principal amount of the loan or (b) any loss in full up to thirty-five percent (35%) of the original principal amount of the loan plus any additional loss on the remaining sixty-five percent (65%) to be shared approximately eight-five percent (85%) by RHS and approximately fifteen percent (15%) by the mortgagee.

RHS does not accept conveyance of the property, but rather pays the lender's claim upon foreclosure. The claim payment includes certain actual costs incurred by the lender prior to foreclosure, including interest expense, and an allowance for the costs associated with liquidating the property. The claim payment amount is based on the net sales proceeds if the property is sold within six (6) months, or if no sale occurs within six (6) months, the claim payment amount is determined according to a formula based upon an appraisal of the property performed by RHS. The lender's actual disposition costs may be higher than the RHS claim payment.

Private Mortgage Insurance Programs

The Department requires that each private mortgage insurer approved for insuring Mortgage Loans (i) shall be approved to issue policies of private mortgage insurance by the Board of Insurance of the State, (ii) be approved to insure mortgages purchased by Fannie Mae or FHLMC, and (iii) shall assure the Department in writing that foreclosure of a Mortgage Loan solely on the basis of non-compliance of such Mortgage Loan with provisions of Section 103A of the Code of 1954 will be an insured event under the terms of its policy of private mortgage insurance. The FHLMC eligibility requirements for approving private mortgage insurers presently provide that not more than ten percent 10% of the insurers' mortgage insurance risk may be represented by mortgage insurance covering property other than real property.

The maximum amounts insurable by private insurers must conform to applicable Federal and State regulations. Such amounts are often further limited by whether the home is to be owner-occupied. The maximum amounts insurable for owner-occupied dwellings range from ninety percent (90%) to ninety-five percent (95%) of the appraised value or selling price, whichever is lower. Requirements of borrower equity vary according to the percentage of the mortgage to be insured. Certain companies will credit toward a specified percentage of this amount the value of the land to be improved, trade-in property or work equity, if at least a minimum cash equity is met and the home is to be owner-occupied. Although there may be variations among companies, available coverage by private mortgage insurers is generally limited to first

mortgage loans or contracts on improved real estate, with amortization over the term of the contract in substantially equal monthly payments, including accruals for taxes and insurance.

Under the various policies, delinquencies must be reported to the insurer within four months of default, and proceedings to recover title are required to be commenced within nine months of default. It is common practice for private mortgage insurers to require that mortgage lenders, prior to presenting a claim under the mortgage insurance, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the mortgagor. When such a claim is presented, the private mortgage insurer will normally have the option of paying the claim in full, taking title to the property and arranging for its sale, or of paying the insured percentage of the claim and allowing the insured mortgage lender to retain title to the property.

The amount of loss payable generally includes the principal balance due under the mortgage agreement, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced and expenses incurred in the recovery proceedings.

Mortgage Pool Insurance

General

The Trust Indenture requires that the Department use its best reasonable efforts to maintain a mortgage pool insurance policy for each series of Bonds in an amount at least equal to ten percent (10%) of the initial aggregate principal amount of Mortgage Loans acquired with the proceeds of each series of Bonds. The mortgage pool insurance policy requirement with respect to Mortgage Loans purchased with proceeds of Bonds and not included within Mortgage Certificates, other than the 1986 Series A Bonds, 1986 Series B Bonds and 1987 Series B Bonds, has been satisfied by the Department's prior receipt of (i) policies from Mortgage Guaranty Insurance Corporation ("MGIC"), covering Mortgage Loans financed with the proceeds of the 1980 Series A Bonds, 1982 Series A Bonds, 1983 Series A Bonds, 1985 Series A Bonds and 1985 Series B/C Bonds and (ii) a policy covering Mortgage Loans financed with the proceeds of the 1984 Series A/B/C Bonds from Verex Assurance, Inc. ("Verex"), which policy was transferred to Verex's parent company, General Charter Mortgage Insurance Corporation, in 1993. Certain of the policies issued by MGIC and Verex provide for advance claims payments with respect to delinquent Mortgage Loans.

The following description of the mortgage pool insurance policies is only a brief outline and does not purport to summarize or describe all of the provisions of such policies. For a complete description of such policies, reference is made to each policy for a full and complete statement of its provisions.

In general, the mortgage pool insurance policies provide insurance coverage on the full amount of any loss which is covered by each policy and realized as a result of a default by a mortgagor on a Mortgage Loan insured thereunder. Payment will be made after foreclosure, payment under the primary mortgage insurance policy insuring the Mortgage Loan, if any, and sale of the foreclosed property approved by the insurer, subject to a limitation on aggregate claims of the applicable aggregate initial principal amount of all Mortgage Loans insured under the policy.

As a condition precedent to the payment of any loss under a mortgage pool insurance policy, mortgage insurance approved by the Department and acceptable to the insurer must generally be maintained by or on behalf of the Department on each Mortgage Loan that has a loan-to-value ratio in excess of the applicable percentage at the time of origination of the Mortgage Loan. Such mortgage insurance, at a minimum, must provide coverage on the amount of the Mortgage Loan in excess of eighty percent (80%) of original fair market value of the property, defined as the lesser of either the sale price or the appraised value at the time of

origination. Such mortgage insurance must remain in force until the unpaid principal balance of the Mortgage Loan is reduced to the applicable percentage of the original fair market value.

Each mortgage pool insurance policy usually requires, as a condition to payment of a claim, that (i) all hazard insurance premiums, real estate taxes, property protection and preservation expenses, property sale expenses and foreclosure costs (including court costs and reasonable attorneys' fees) have been advanced by or on behalf of the Department, as approved by the insurer, (ii) the Department must have acquired good and merchantable title to the property, free and clear of all encumbrances, except permitted encumbrances, including any right of redemption by the mortgagor, and (iii) the Department must have sold the property with the approval of the insurer. In the event of default by the mortgagor, if there is any physical loss or damage to the property from any cause, whether by accidental means or otherwise, it is usually a condition to payment that the insured restore the property to its condition at the time of the issuance of the policy, except for reasonable wear and tear. The mortgage pool insurance policies generally will not insure against a loss sustained by reason of a default arising from or involving certain matters including (i) fraud or negligence in origination or servicing of the Mortgage Loans, including misrepresentation by the Mortgage Lender, borrower or other persons involved in the origination or servicing of the Mortgage Loans; (ii) failure to construct a property subject to a Mortgage Loan in accordance with specified plans; or (iii) physical damage to a property.

The insurer generally has the option either to pay (i) an amount equal to the unpaid principal balance of the defaulted Mortgage Loan at the time of the approved sale, as provided in the applicable policy, plus accrued and delinquent interest at the mortgage rate to the date of payment of the claim plus advances required to be made by or on behalf of the Department as set forth above, conditioned upon the insurer's being provided good and merchantable title to the mortgaged property (unless the property has been conveyed pursuant to the terms of the applicable primary mortgage insurance policy), or (ii) the amount by which the sum of the unpaid principal balance of the defaulted Mortgage Loan at the time of the approved sale, as provided in the policy, plus accrued and delinquent interest at the mortgage rate to the date of payment of the claim plus advances requiring to be made by or on behalf of the Department as set forth above, exceeds the net proceeds received from a sale of the property which the insurer approved. Under either option, the amount of any payment is reduced by the amount of the loss paid under any private mortgage insurance.

A claim under the applicable mortgage pool insurance policy (except for a claim under the advance claims coverage endorsement, described below) must generally be filed (i) in the case when a private mortgage insurance policy is in force, within a specified period after the claim for loss has been settled or paid or within such time after a sale approved by the insurer, whichever is later, or (ii) in the case when a private mortgage insurance policy is not in force, within a specified period after the Department has conveyed title to the property pursuant to an approved sale.

Premiums on any mortgage pool insurance policies will be paid by the Department. Failure to pay a premium will terminate any such policy. If the aggregate recoveries under a policy reach the applicable pool limit of the aggregate initial principal amount of Mortgage Loans insured, coverage under the policy will be exhausted and further losses due to the foreclosure will be borne by the Department.

The amount of coverage under any mortgage pool insurance policy will be reduced over the life of the Bonds covered by such policy by the dollar amount of claims paid less amounts realized by the insurer upon disposition of mortgaged properties. The amount of claims paid generally includes certain expenses incurred by the Department as well as accrued interest on delinquent Mortgage Loans insured under each policy including interest accrued through completion of foreclosure proceedings (excluding applicable charges and penalty interest). See "Foreclosure Laws" herein. Accordingly, if aggregate recoveries under a mortgage pool insurance policy reach the policy limit, coverage under such mortgage pool insurance policy will be exhausted and any further losses will be borne by Bondholders to the extent remaining moneys held under the

Master Indenture are inadequate to pay principal of and interest on the Bonds. Subject to the payment of the applicable premium, an insurer is generally obligated to provide coverage under a mortgage pool insurance policy so long as the Bonds covered by the policy are outstanding.

Some insurers have delivered endorsements to certain mortgage pool insurance policies which provide that they will make advance claims payments in amounts equal to delinquent regular monthly payments of principal of and interest on each Mortgage Loan that is delinquent in three or more monthly payments after receipt of ten days prior written notice thereof. Such advance claims payments will generally be made only if the Mortgage Loan servicer has initiated foreclosure proceedings as required by the mortgage pool insurance policy and diligently pursues such proceedings. The insurer will continue to make such advance claims payments until the insured files, or should have filed, a claim with respect to the Mortgage Loan for which such payments have been made. Advance claims payments must be repaid after payments on the Mortgage Loan have been received (either from the mortgagor, FHA, VA, RHS, private mortgage insurance or through foreclosure) for which advances were previously made or if a claim under the policy is not filed. Claim settlements under a mortgage pool insurance policy will usually be reduced by the sum of unreimbursed claims advances.

The coverage available under the advance claims payment procedure usually equals the limit of coverage provided under the mortgage pool insurance policy. Advance claims payments for which the insurer is ultimately reimbursed are not charged against the limit of coverage under the mortgage pool insurance policy. To the extent foreclosure or other disposition of the property subject to a Mortgage Loan does not result in sufficient liquidation proceeds to reimburse the insurer for all claims advances made under the advance claims payment procedure, aggregate remaining coverage under the mortgage pool insurance policy will be reduced. Upon reaching the applicable aggregate loss limitation under the mortgage pool insurance policy, whether through payments of advances under the advance claims payment procedure or payments as a result of foreclosure losses with respect to Mortgage Loans, coverage under the advance claims procedure also will be exhausted.

Self-Insurance Program

In connection with the 1986 Series A Bonds, the 1986 Series B Bonds and the 1987 Series B Bonds, the Department has been unable to obtain acceptable mortgage pool insurance policies from private mortgage insurers and, in lieu of such policies, established a mortgage pool self-insurance program. The Department and the Trustee entered into a separate Mortgage Pool Self-Insurance Fund Agreement with respect to each such Series of Bonds (each, an "SIF Agreement") pursuant to which: (i) the Department has established or will establish a Mortgage Pool Self-Insurance Fund (a "Self-Insurance Fund") and has deposited or will deposit therein an initial amount equal to .4% of the aggregate principal amount of the Mortgage Loans acquired under the applicable phase of the Program; (ii) the Department has contributed or will contribute to the respective Self-Insurance Fund, until the amount deposited therein equals the Required Fund Amount (as hereinafter defined), all earnings resulting from the investment of the moneys held in the respective Self-Insurance Fund, together with revenues in an amount equal to .15% per annum of the aggregate outstanding principal balance of the Mortgage Loans acquired under the applicable phase of the Program; and (iii) the Department will apply amounts held in the respective Self-Insurance Fund to cover cashflow deficiencies with respect to Mortgage Loans acquired under the applicable phase of the Program deemed to be in default under applicable FHA rules and regulations ("Advance Payments"), and to cover any Loss (as hereinafter defined) incurred in connection with a defaulted Mortgage Loan acquired under the applicable phase of the Program, by transferring appropriate amounts from the respective Self-Insurance Fund to the Revenue Fund. The term "Required Fund Amount" means an amount equal to 1.8% of the initial aggregate principal balance of the Mortgage Loans acquired under the applicable phase of the Program, reduced by the aggregate amount of any unreimbursed Advance Payments and any Losses paid from the respective Self-Insurance Fund. The term "Loss" means,

with respect to a defaulted Mortgage Loan, an amount equal to: (a) the sum of (i) the unpaid principal balance of the Mortgage Loan as of the date of disposition thereof by the Department, (ii) the accumulated delinquent interest on the Mortgage Loan until the date of the payment of FHA insurance proceeds, and (iii) all advances made by or on behalf of the Department in connection with the Mortgage Loan to pay hazard insurance premiums, FHA insurance premiums, real estate property taxes, property protection and preservation expenses, property sale expenses and foreclosure costs; reduced by (b) the sum of (i) the net proceeds received upon disposition of the Mortgage Loan, and (ii) any amount received by or on behalf of the Department pursuant to FHA mortgage insurance with respect to the Mortgage Loan.

Although the amounts held in a Self-Insurance Fund are not part of the Trust Estate, the Department covenanted in the Trust Indenture to create and maintain each Self-Insurance Fund and to apply the moneys therein to pay advance payments and losses incurred in connection with Mortgage Loans acquired under the applicable phase of the Program. The Department is not obligated to fund a Self-Insurance Fund beyond the Required Fund Amount and the Department's obligation to contribute amounts into a Self-Insurance Fund up to the Required Fund Amount is limited to amounts available from investment earnings on the respective Self-Insurance Fund and from Revenues in an amount equal to .15% per annum of the aggregate outstanding principal balance of the Mortgage Loans acquired under the applicable phase of the Program. No other assets or revenues of the Department are required to be contributed to the Self-Insurance Fund or applied to pay Advance Payments or Losses.

Each SIF Agreement contains provisions permitting it to be amended to provide security for Bonds other than the Series of Bonds to which it pertains, subject to the requirement that the Department shall have receive written confirmation from each rating agency that rated such Bonds that such amendments will not impair such rating agency's rating on such Bonds then in effect.

The Department makes periodic deposits to the Self Insurance Fund as required by the applicable bond documents until the maximum required amount is on deposit therein. The Self Insurance Fund balances and delinquency information is set forth in "APPENDIX F-1 DEPARTMENT'S MORTGAGE LOAN PORTFOLIO."

The Department is in the process of obtaining the consent of the Rating Agency to a significant reduction in the amounts required to be held in each Self-Insurance Fund.

Standard Hazard Insurance Policies

Each Mortgage Lender acting as a servicer will cause to be maintained by the mortgagor for each Mortgage Loan fire insurance with extended coverage on the mortgaged property (a "Standard Hazard Insurance Policy") in an amount which is not less than the maximum insurable value of the property or the principal balance owing on the Mortgage Loan, whichever is less. Subject to the laws of the State, any amounts collected by a Mortgage Lender under any such policy will be deposited in a custodial account subject to reimbursement pursuant to the Agreement. Such insurance shall be with insurers approved by Fannie Mae or FHLMC.

In general, a Standard Hazard Insurance Policy covers physical damage to or destruction of the improvements on the property by fire, lightning, explosion, smoke, windstorm, hail, riot, strike or civil commotion, subject to the conditions and exclusions particularized in each policy. If a residence is located in a designated flood area, flood insurance shall be required to be maintained, and if not covered by other insurance under the Agreement, insurance shall be required to be maintained for wind damage on each residence to the extent deemed advisable by the supervising agent from time to time.

Although policies relating to different Mortgage Loans may be issued by different insurance companies and, therefore, may have minor differences in coverage, the basic terms are dictated by State law. Policies typically exclude physical damage resulting from the following: war, revolution, governmental actions, floods and other water-related causes, earth movement (including earthquakes, landslides and mudflows), nuclear hazard and, in certain cases, vandalism.

In lieu of a Standard Hazard Insurance Policy, each Mortgage Lender acting as a servicer may maintain and keep a "Mortgagee Single Interest Hazard Insurance Policy" throughout the term of the Agreement. The Mortgagee Single Interest Insurance Policy provides insurance against losses sustained by a Mortgage Lender or other insured in the event the mortgagor fails to maintain a Standard Hazard Insurance Policy and physical damage occurs. Each Mortgage Lender agrees to pay the premium for the Mortgagee Single Interest Hazard Insurance Policy on the basis prescribed by the policy. Any amounts collected by the Mortgage Lender under such policy relating to the Mortgage Loans will be deposited in a custodial account maintained by the Mortgage Lender subject to withdrawal by the Trustee.

Foreclosure Laws

If a mortgagor defaults on a Mortgage Loan and foreclosure or other recovery proceedings are instituted there will probably be time delays in collection. The following is intended to be a general description of foreclosure laws in the State of Texas and is not intended to be a legal opinion with respect to such laws.

Mortgage instruments utilized in the State generally and the Mortgages to be used in the Department's programs take the form of deeds of trust containing the power of out-of-court foreclosures and sale. Nonjudicial foreclosure proceedings are governed by Chapter 51, Texas Property Code, which authorizes sales under deeds of trust or other contractual liens if such instruments so provide and sets the minimum standards of notice and procedure for the conduct of non-judicial foreclosure sales. Sales under such Chapter may only be made in the event of a default under the note or deed of trust and acceleration of the debt which is secured, must be conducted by the trustee appointed in the deed of trust or other lien instrument or his successor, and may be conducted only after posting written notice at least 21 days preceding the date of the sale at the courthouse door(s) of the county or counties in which the property to be sold is located. Additionally, the holder of the debt to which the power of sales relates must serve written notice of the proposed sale by certified mail on each debtor obligated to pay the debt, according to the most recent records of such holder, at least 21 days preceding the date of the sale (the "Twenty-One Day Notice"). In addition, if the mortgagor resides on the mortgaged property, twenty (20) days notice of intent to accelerate the Mortgage Loan must be given to the mortgagor prior to the Twenty-One Day Notice. The sale may be conducted only between certain hours on the first Tuesday of the month, as designated in the posted notice of sale. After the foreclosure sale has properly been held in accordance with both the provisions of Chapter 51, Texas Property Code and the provisions of the deed of trust or other lien instrument by which a power of sale is granted, any right to reinstate the debt and all rights of redemption, except rights of the United States, if any, under federal tax lien laws, are extinguished. A nonjudicial foreclosure sale which has not been conducted in accordance with Chapter 51, Texas Property Code and the provisions of the lien instrument granting the power of sale is invalid.

State courts have in the past strictly construed the power of sale created by deeds of trust or other lien instruments and, where both contractual and statutory provisions for nonjudicial foreclosure have not been precisely followed, have declared nonjudicial foreclosure sales to be invalid. In addition, although the State statute providing standards for nonjudicial foreclosures has previously survived challenges that it is unconstitutional, there can be no assurance that such a challenge in the future will not be successful. A foreclosure sale of property on which the United States claims a lien for federal income tax collection, will

be made subject to and without disturbing the federal tax lien unless notice of the foreclosure sale is given to the Internal Revenue Service at least 25 days before the sale. Without this prior notice, the sale is made subject to the federal tax lien. Even when such notice is properly given, the United States may redeem such property within 120 days from the date of the sale, upon payment of the amount paid or credited at the sale, and interest from the date of the sale, and any cost in owning property in excess of the derived income. The remedy of nonjudicial foreclosure may be limited, restricted or denied, not only by bankruptcy or other debtor relief proceedings, but also by the death of a mortgagor either without leaving a will or with probate proceedings that are not independent of the probate court or by the appointment of a receiver by the court in a divorce action involving mortgages to which the spouses in such divorce proceedings are parties. The remedies afforded the holder of the mortgage debt in the events set forth in the preceding sentence require judicial action either as a prerequisite to the valid exercise of nonjudicial foreclosure or in the nature of a judicial foreclosure proceeding or sale through the legal representative involved with the sanction of the court.

Under State law, foreclosure of mortgage liens on real property also may be accomplished by judicial proceedings. In foreclosure pursuant to judicial proceedings, a right to make full payment exists prior to the sale of the property, and, except for federal tax liens as discussed above, the redemption rights of all parties are extinguished by a properly conducted foreclosure sale.

APPENDIX C-1 GINNIE MAE AND THE GINNIE MAE CERTIFICATES

This summary of the Ginnie Mae Mortgage Backed Securities Program, the Ginnie Mae Certificates and the documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the Ginnie Mae Mortgage Backed Securities Guide published by Ginnie Mae and to said documents for full and complete statement of their provisions. The following summary is of the Ginnie Mae I Program and the Ginnie Mae II Program.

Government National Mortgage Association ("Ginnie Mae") is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development ("HUD") with its principal office in Washington, D.C.

To issue Ginnie Mae Certificates, the Master Servicer must first apply to and receive from Ginnie Mae the Commitment to Guarantee Mortgage Backed Securities (the "MBS Agreement"). The MBS Agreement authorizes the Master Servicer to apply to Ginnie Mae for the issuance of Mortgage-Backed Securities to be eligible for guaranty by Ginnie Mae up to a stated date and issue Ginnie Mae Certificates up to a stated amount during a one-year period following the date of the MBS Agreement. Each MBS Agreement is valid for a 12-month period from the date of commitment.

Each Ginnie Mae Certificate is to be backed by a mortgage pool consisting of Mortgage Loans in a minimum aggregate amount of \$250,000 (or such lesser amount as may be approved by Ginnie Mae). Each Ginnie Mae I Certificate will be a "mortgage loan pass-through" certificate which will require the Master Servicer to pass through to the paying and transfer agent therefor (the "Ginnie Mae Paying Agent") by the fifteenth day of each month (or the sixteenth day, if such day is not a business day, provided that, if neither the fifteenth nor the sixteenth day is a business day, the first business day prior to the fifteenth day of the month), the regular monthly payments on the Mortgage Loans (less the Ginnie Mae Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer receives such payments, plus any prepayments of principal of the Mortgage Loans received by the Master Servicer in the previous month. Each Ginnie Mae II Certificate will require the Master Servicer to pass through to the Ginnie Mae Paying Agent for the Ginnie Mae II Program, by the nineteenth day of each month (or the twentieth day, if such day is not a business day; provided that, if neither the nineteenth nor the twentieth day is a business day, then the first business day prior to the nineteenth day of the month), the regular monthly payments on the Mortgage Loans (less the Ginnie Mae Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer received such payments, plus any prepayments on the Mortgage Loan received by the Master Servicer in the previous month. The Ginnie Mae Paying Agent is then required to pass through to the Trustee on or before the third business day following the nineteenth day of each month the scheduled payments received from the Master Servicer. Ginnie Mae guarantees timely payment of principal of and interest with respect to the Ginnie Mae Certificate.

Ginnie Mae is authorized by Section 306(g) of Title III of the National Housing Act of 1934, as amended (the "Housing Act"), to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by a pool of mortgage loans insured by FHA under the Housing Act, or guaranteed by RHS under Title V of the Housing Act of 1949, or guaranteed by VA under the Servicemen's Readjustment Act of 1944, as amended, or Chapter 37 of Title 38, United States Code. Section 306(g) further provides that "the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection." An opinion, dated October 12, 1969, of an Assistant Attorney General of the United States, states that such guarantees under Section 306(g) of mortgage backed certificates of the type being delivered to the Trustee on behalf of the Department are

authorized to be made by Ginnie Mae and "would constitute general obligations of the United States backed by its full faith and credit."

Ginnie Mae, upon execution of the Ginnie Mae Guaranty appended to the Ginnie Mae Certificate and upon delivery of the Ginnie Mae Certificate to the Master Servicer, will have guaranteed to the Trustee as holder of the Ginnie Mae Certificate the timely payment of principal of and interest on the Ginnie Mae Certificate. In order to meet its obligations under such guaranty, Ginnie Mae, in its corporate capacity under Section 306(g) of Title III of the Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable Ginnie Mae, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the Ginnie Mae Certificate. The Treasury is authorized to purchase any obligation so issued by Ginnie Mae and has indicated in a letter dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to Ginnie Mae, if needed, to implement the aforementioned guaranty.

Ginnie Mae is required to warrant to the Trustee as the holder of the Ginnie Mae Certificate, that, in the event it is called upon at any time to make payment on its guaranty of the principal of and interest on the Ginnie Mae Certificate, it will, if necessary, in accordance with Section 306(d) of Title III of the Housing Act, apply to the Treasury Department of the United States for a loan or loans in amounts sufficient to make payments of principal and interest.

The Master Servicer will be responsible for servicing and otherwise administering the Mortgage Loans in accordance with generally accepted practices of the mortgage banking industry and the Ginnie Mae Mortgage Backed Securities Guide (the "Guide").

The monthly remuneration for the Master Servicer for its servicing and administrative functions, and the Guaranty Fee charged by Ginnie Mae are based on the total aggregate unpaid principal balance of Mortgage Loans outstanding. The Ginnie Mae Certificates carry an interest rate that is fixed at .50% (subject to adjustment) below the interest rate on the Mortgage Loans; the Master Servicer's servicing fee and the Ginnie Mae Guaranty Fee are deducted from payments on the Mortgage Loans before payments are passed through to the holder of the Ginnie Mae Certificates.

It is expected that interest and principal payments on the Mortgage Loans received by the Master Servicer will be the source of payments on the Ginnie Mae Certificates. If such payments are less than what is due the Master Servicer is obligated to advance its own funds to ensure timely payment of all amounts coming due on the Ginnie Mae Certificates. Ginnie Mae guarantees such timely payment in the event of the failure of the Master Servicer to pay an amount equal to the scheduled payments (whether or not made).

The Master Servicer is required to advise Ginnie Mae in advance of any impending default on scheduled payments so that Ginnie Mae as guarantor will be able to continue such payments as scheduled on the third business day following the twentieth day of each month. If, however, such payments are not received as scheduled, the Trustee has recourse directly to Ginnie Mae.

The Ginnie Mae Guaranty Agreement to be entered into by Ginnie Mae and the Master Servicer upon issuance of the Ginnie Mae Certificates (the "Ginnie Mae Guaranty Agreement") will provide that, in the event of a default by the Master Servicer, Ginnie Mae will have the right, by letter to the Master Servicer, to effect and complete the extinguishment of the Master Servicer's interest in the Mortgage Loans, and the Mortgage Loans are to thereupon become the absolute property of Ginnie Mae, subject only to the unsatisfied rights of the holder of the Ginnie Mae Certificate. In such event, the Ginnie Mae Guaranty Agreement will provide that Ginnie Mae will be the successor in all respects to the Master Servicer in its capacity under the

Ginnie Mae Guaranty Agreement and the transaction and arrangements set forth or arranged for therein. At any time, Ginnie Mae may enter into an agreement with an institution approved by Ginnie Mae under which such institution undertakes and agrees to assume any part or all of such duties, and no such agreement will detract from or diminish the responsibilities, duties or liabilities of Ginnie Mae in its capacity as guarantor.

Payment of principal and interest on the Ginnie Mae Certificate is required to be made in monthly installments on or before the third business day following the twentieth of each month commencing the month following the date of issue of the Ginnie Mae Certificate.

Each installment on the Ginnie Mae Certificate is required to be applied first to interest and then in reduction of the principal balance then outstanding on the Ginnie Mae Certificate. Interest is to be paid at the specified rate on the unpaid portion of the principal of the Ginnie Mae Certificate. The amount of principal due on the Ginnie Mae Certificate is to be in an amount at least equal to the scheduled principal amortization currently due on the Mortgage Loans subject to adjustment by reason of unscheduled recoveries of principal on the Mortgage Loans. In any event, the Master Servicer is required to pay to the Trustee, as holder of the Ginnie Mae Certificate, monthly installments of not less than the interest due on the Ginnie Mae Certificate at the rate specified in the Ginnie Mae Certificate, together with any scheduled installments of principal, whether or not such interest or principal is collected from the Mortgagor, and any prepayments or early recovery of principal. Final payment is to be made upon surrender of the outstanding Ginnie Mae Certificate.

The Office of Inspector General (OIG) is required to conduct an annual audit of Ginnie Mae under the provisions of the Chief Financial Officers (CFO) Act of 1990 ("CFO Act"). The complete OIG report is included in the separate management report of Ginnie Mae prepared pursuant to the CFO Act which is available upon request from Ginnie Mae at Government National Mortgage Association, 451 Seventh Street, SW, Washington, D.C. 20410-9000.

APPENDIX C-2

FREDDIE MAC AND THE FREDDIE MAC CERTIFICATES

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. Section 1451-1459. Freddie Mac's statutory purposes are to provide stability in the secondary market for residential mortgages, to respond appropriately to the private capital market, to provide ongoing assistance to the secondary market for residential mortgages (including mortgages on housing for low- and moderate-income families), and to promote access to mortgage credit throughout the United States by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing. To fulfill these statutory purposes Freddie Mac purchases residential mortgages and mortgage-related securities from mortgage lenders, other mortgage sellers and securities dealers and finances these purchases with debt and equity securities. In addition Freddie Mac guarantees the timely payment of principal and interest on single-class and multiclass securities representing an undivided interest in mortgages and/or mortgage-related securities.

Freddie Mac prepares an Information Statement annually which describes Freddie Mac, its business and operations and contains Freddie Mac's audited financial statements for the two most recent fiscal years ending prior to the date of such Information Statement. The current Information Statement, current prospectuses, any supplements to each of the foregoing and any quarterly report prepared and made available by Freddie Mac can be obtained by writing to Freddie Mac – Investor Inquiry, 8200 Jones Branch Drive, McLean, Virginia 22102 or accessing Freddie Mac's internet website at www.freddiemac.com.

Each Freddie Mac Certificate will represent undivided interests in a pool of fixed-rate, first-lien conventional Mortgage Loans or FHA and VA Loans, or participations interests therein. Freddie Mac guarantees to each holder of a Freddie Mac Certificate the timely payment of interest at the applicable coupon on the Freddie Mac Certificate and the timely payment of scheduled principal, whether or not Freddie Mac receives these payments on the underlying mortgages. Full and final payment of principal on the Freddie Mac Certificates will be made no later than the payment date occurring in the month of the Final Payment date for each Freddie Mac Certificate. Principal and interest payments on the Freddie Mac Certificates are not guaranteed by and are not debts or obligations of the United States or any federal agency or instrumentality other than Freddie Mac. Payments on Freddie Mac Certificates are made on the 15th day of each month or, if the 15th is not a business day, the next business day.

Freddie Mac receives monthly mortgage payments from its mortgage servicers during a Monthly Reporting Period that begins on the 16th of a month and ends on the 15th of the following month. For any month, a payment on a Freddie Mac Certificate will reflect monthly mortgage payments reported by servicers in the previous Monthly Reporting Period and prepayments reported by servicers in the calendar month prior to the payment up through the date Freddie Mac calculates its payment factors. Freddie Mac publishes its payment factors on or about the 5th day of each month.

The summary of the Freddie Mac Certificates does not purport to be comprehensive and is qualified in its entirety by reference to the Freddie Mac prospectuses and other documents relating to the offer and sale of Freddie Mac Certificates described herein.

APPENDIX C-3

FANNIE MAE AND THE FANNIE MAE CERTIFICATES

Mortgage-backed Securities Program

Fannie Mae ("Fannie Mae") is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 et seq.). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market, and was transferred into a stockholder-owned and privately managed corporation by legislation enacted in 1968. The Secretary of Housing and Urban Development exercises general regulatory power over Fannie Mae. Fannie Mae provides funds to the mortgage market by purchasing mortgage loans from lenders, thereby replenishing their funds for additional lending. Fannie Mae acquires funds to purchase mortgage loans from many capital market investors that may not ordinarily invest in mortgage loans, thereby expanding the total amount of funds available for housing. In addition, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Although the Secretary of the Treasury of the United States has certain discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency or instrumentality thereof is obligated to finance Fannie Mae's obligations or assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae issues securities (the "Fannie Mae Certificates") backed by pools of mortgage loans (the "MBS Program"). The obligations of Fannie Mae, including its obligations under the Fannie Mae Certificates, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

The terms of the MBS Program are governed by the Fannie Mae Selling and Servicing Guides (the "Fannie Mae Guides") published by Fannie Mae, as modified by the Pool Purchase Contract (as hereinafter described), and, in the case of mortgage loans such as the Mortgage Loans, a Trust Indenture dated as of November 1, 1981, as amended (the "Fannie Mae Trust Indenture"), and a supplement thereto to be issued by Fannie Mae in connection with each pool. The MBS Program is further described in a prospectus issued by Fannie Mae (the "Fannie Mae Prospectus"). The most recent Fannie Mae Prospectus is dated October 1, 1999 and is updated from time to time. Financial and other information about Fannie Mae are also included in its annual financial statements, the most current of which is dated December 31, 2000.

Copies of the Fannie Mae Prospectus and Fannie Mae's most recent financial statements and any supplements thereto are available without charge from Office of Investor Relations, Fannie Mae, 3900 Wisconsin Avenue, N.W., Washington, D.C. 20016 (telephone: (800) 237-8627).

The summary of the MBS Program set forth herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides, the Fannie Mae Prospectus and the other documents referred to herein.

Pool Purchase Contract

It is expected that Fannie Mae and the Master Servicer will enter into a Pool Purchase Contract, pursuant to which the Servicer will be permitted to deliver, and Fannie Mae will agree to purchase mortgage loans in exchange for Fannie Mae Certificates. The purpose of the Pool Purchase Contract is to provide for certain additions, deletions and changes to the Fannie Mae Guides relating to the purchase of mortgage loans. In the event of a conflict between the Pool Purchase Contract and the Fannie Mae Guides, the Pool Purchase

Contract will control. The description set forth below assumes that the Pool Purchase Contract will be executed substantially in the form presented by Fannie Mae to the Master Servicer as of the date hereof.

Under the Pool Purchase Contract, Fannie Mae will purchase both mortgage loans eligible under the guidelines set forth in the Fannie Mae Guides and mortgage loans insured under the Community Home Buyer's Program which conform to the conditions set forth in the Pool Purchase Contract. See "THE PROGRAM AND THE MORTGAGE LOANS --Community Home Buyer's Program."

The Pool Purchase Contract obligates the Servicer to service the mortgage loans in accordance with the requirements of the Fannie Mae Guides and the Pool Purchase Contract.

Fannie Mae Certificates

Each Fannie Mae Certificate will represent the entire interest in a specified pool of Mortgage Loans purchased by Fannie Mae from the Servicer and identified in records maintained by Fannie Mae.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Certificates that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the Mortgage Loans in the pools represented by such Fannie Mae Certificates, whether or not received, and the full balance of any foreclosed or other finally liquidated Mortgage Loan, whether or not such principal balance is actually received. The obligations of Fannie Mae under such guarantees are obligations solely of Fannie Mae and are not backed by, nor entitled to, the faith and credit of the United States. If Fannie Mae were unable to satisfy such obligations, distributions to the Trustee, as the registered holder of Fannie Mae Certificates, would consist solely of payments and other recoveries on the underlying Mortgage Loans and, accordingly, monthly distributions to the Trustee, as the holder of Fannie Mae Certificates, would be affected by delinquent payments and defaults on such Mortgage Loans.

Payments on Mortgage Loans; Distributions on Fannie Mae Certificates

Payments on a Fannie Mae Certificate will be made on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or, if such 25th day is not a business day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loans in the related mortgage pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any Mortgage Loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae's election any Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest), (iii) the amount of any partial prepayment of a Mortgage Loan received in the second month next preceding the month of distribution, and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Certificate as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the Fannie Mae Certificate on its issue date).

For purposes of distributions, a Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution but is under no obligation to do so.

INDEPENDENT AUDITORS' REPORT

The Honorable Rick Perry, Governor, and the Board of Directors
Texas Department of Housing and Community Affairs

We have audited the accompanying statement of net assets of Texas Department of Housing and Community Affairs—Revenue Bond Enterprise Fund (the “Fund”) as of August 31, 2004 and the related statements of revenues, expenses and changes in net assets, and cash flows for the year then ended and supporting schedules 3 through 8 (supplementary information on pages 31 to 56). These financial statements are the responsibility of the Fund’s management. Our responsibility is to express an opinion on these financial statements and schedules based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statements present only the Revenue Bond Enterprise Fund of the Texas Department of Housing and Community Affairs (the “Department”) and are not intended to present fairly the financial position of the Department or the results of its operations and the cash flows of its proprietary fund types in conformity with accounting principles generally accepted in the United States of America.

In our opinion, such financial statements present fairly, in all material respects, the financial position of the Texas Department of Housing and Community Affairs—Revenue Bond Enterprise Fund at August 31, 2004 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, schedules 3 through 8 (supplementary information on pages 31 to 56) present fairly, in all material respects, the information set forth therein.

Management’s Discussion and Analysis is not a required part of the financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information by bond program, included as Schedules 1 and 2, listed in the table of contents, is presented for the purpose of additional analysis and is not a required part of the financial statements. These schedules are also the responsibility of the Fund's management. Such schedules have been subjected to the auditing procedures applied in our audits of the basic financial statements and, in our opinion, are fairly presented in all material respects when considered in relation to the financial statements taken as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the Texas Department of Housing and Community Affairs' Revenue Bond Program ("Bond Program") annual financial report presents management's discussion and analysis of the Department's financial performance during the fiscal year that ended on August 31, 2004. Please read it in conjunction with the Department's Bond Program financial statements, which follow this section.

Financial Highlights

- The Bond Program's net assets decreased by \$408 thousand.
- The Bond Program had an increase in Operating Income of \$10.0 million to \$502 thousand. This was the result of an increase in revenues. The change in fair value of investments increased from a loss of \$6.2 million in fiscal year 2003 to a gain of \$5.4 million in fiscal year 2004, or \$11.6 million, which accounted for 1.16% of the increase in operating income. There was an increase in expenses, particularly bond interest expense, of \$1.8 million to \$100 million.
- The Bond Program's debt outstanding of \$1.9 billion as of August 31, 2004 increased \$174.0 million. Debt issuances and debt retirements totaled \$434.7 million and \$260.6 million, respectively.
- Loan originations for the year totaled \$262 million in the Bond Program.

Financial Statements

The financial statements provide more detailed information about the Bond Program's funds. The Bond Program has only one type of fund, the proprietary fund, which is as follows:

- ***Proprietary Fund***—The Bond Program's activities in its proprietary fund are accounted for in a manner similar to businesses operating in the private sector. Funding has primarily arisen through the issuances of taxable and tax-exempt bonds whose proceeds are used primarily to fund various types of loans to finance low- and moderate-income housing. The net assets of these funds represent accumulated earnings since their inception and are generally restricted for program purposes or debt service.

Financial Analysis of the Revenue Bond Program

Bond Program—Condensed Statement of Net Assets

	Bond Program		Increase (Decrease)	
	2004	2003	Amount	Percentage

Total net assets	\$ 96,660,446	\$ 97,068,568	\$ (408,122)	(0.4)%

Net assets of the Bond Program decreased \$408,122, or 0.4%, to \$96,660,446. The decrease primarily resulted from a decrease in earnings of the Bond Program's investments, loans, and other programs and an increase in expenses. Restricted net assets of the Bond Program decreased \$1,347,588, or 1.6%. Unrestricted net assets increased \$990,613, or 7.8%.

Cash and investments increased \$63,577,419, or 4.9%, to \$1,369,930,499, since funds were generated from debt issuances, reinvestment of loan repayments and interest earnings. The Bond Program loans receivable (current and noncurrent) increased \$167,306,488, or 21.8%, to \$935,257,034, due primarily to \$253,955,000 worth of mortgage loans originated under the Multi-Family Program. Total bonds and notes payable (current and noncurrent) increased \$162,938,786, or 9.1%, due to new debt issuances associated with the Bond Program's Single Family and Multi-Family Programs.

The following table illustrates a comparison between fiscal 2004 and 2003 for the Statement of Revenues, Expenses and Changes in Net Assets:

Net assets of the Bond Program decreased from the August 31, 2003 amount by \$408,122, or 0.4 %, to \$96,660,446.

Earnings within the Bond Program's various bond indentures were \$108,419,767, of which \$106,449,220 is classified as restricted and \$1,970,547, as unrestricted. Restricted earnings are composed of \$96,887,640, in interest and investment income, \$5,373,407, in fair value of investments and \$4,188,173, in other revenue. Interest and investment income is restricted per bond covenants for debt service, fair value in investments is

an unrealized gain due to the fact that the Bond Program holds investments until maturity, and other revenue is predominantly an accounting recognition of fees received in previous years that were deferred when received and are being amortized over a period of time. Unrestricted earnings are composed of \$188,160, in interest and investment income and \$1,732,387 in other operating revenue.

The graph below will illustrate the composition of interest revenue for the various bond indentures that make up the Bond Program:

Revenues of the Bond Program were interest and investment income of \$97,075,800 and an increase in fair value of investments of \$5,373,407. Earned interest income consists primarily of interest earned on loans under the various lending programs within the Bond Program. Investment income consists of earned interest on the various investments held within the different bond indentures of the Bond Program. Interest and investment income are restricted to the specific bond indentures to pay debt service. Total revenue increased \$11,354,007, which consisted primarily of the increase in fair value of investments from a loss of \$6,195,744 in fiscal year 2003 to a gain of \$5,373,407 in fiscal year 2004.

Interest earned on program loans increased by \$4,981,549, or 11.5%, due primarily to an increase of \$6,967,707, or 19.0%, within the Bond Program's Multi-Family Program, due to higher loan amounts outstanding. The increase was offset by a decrease of \$1,934,173, or 31.0%, within the Single Family Bond Program, due to decreasing balances of higher interest rate loans.

Investment income decreased \$6,807,180, or 12.3%, and reflected lower investment yields. The primary decrease in investment income was within the Single Family Bond Program funds, which declined \$3,785,921, or 18.1%, and the Residential Mortgage Revenue Bond Program funds, which declined \$664,145, or 2.6%.

Expenses of the Bond Program consist primarily of interest expense of \$99,720,640, which increased \$1,768,020, or 1.8%, on the Bond Program's debt incurred to fund its various lending programs.

The Bond Program also generated \$188,160 of unrestricted investment income, which was used primarily to partially offset its administrative costs.

The following table shows the changes in net assets by bond indenture for the Bond Program for fiscal years 2004 and 2003:

**Changes in Net Assets by Fund Groups

Total	<u>\$96,660</u>	<u>\$ 97,069</u>	<u>\$ (409)</u>	(0.4)%

Net assets of the Single Family Bond Programs decreased by \$1,460,582, or 2.5%, primarily due to a \$2,142,876 adjustment to the fair value of investments. In the same manner, the net assets of the Residential Mortgage Revenue Bonds ("RMRB") decreased by \$1,729,265 due to a \$4,101,084 adjustment to fair value of investments and a decrease in investment income.

Bond Program Debt

The Bond Program's new debt issuances during fiscal year 2004 totaled \$434,705,000. The Single Family Program issued \$180,750,000 in bonds, and the Multi-Family Bond Program issued \$253,955,000. The Bond Program also had \$260,606,840 in debt retirement during the year primarily due to consumer refinancing and paying off original loans. The net result was an increase in bonds payable of \$174,098,160 to \$1,907,005,439 of which \$26,133,000 is due within one year. For additional information, see Note 6, Bonds Payable, and supplementary bond information schedules.

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS— REVENUE BOND PROGRAM

NOTES TO FINANCIAL STATEMENTS YEAR ENDED AUGUST 31, 2004

1. GENERAL STATEMENT AND SIGNIFICANT ACCOUNTING POLICIES

General Statement—The Texas Department of Housing and Community Affairs (the “Department”), was created effective September 1, 1991 by an act of the 72nd Texas Legislature, pursuant to Senate Bill 546 (codified as Article 4413 (501), Texas Revised Civil Statutes) (the “Department Act”), passed by the Texas Legislature on May 24, 1991 and signed by the Governor of the State of Texas. Effective September 1, 1991, the Department was established to assist local governments in helping residents overcome financial, social and environmental problems; to address low- to moderate-income housing needs; to contribute to the preservation and redevelopment of neighborhoods and communities; to assist the Governor and the Legislature in coordinating federal and state programs affecting local governments; and to continually inform the State and the public about the needs of local government. The Department was created by merging two former agencies: the Texas Housing Agency and the Texas Department of Community Affairs.

The accompanying financial statements represent the financial status of the Revenue Bond Program (the “Program”), which is included in the enterprise fund of the Department, and are not intended to present the financial position of the Department or its results of operations or cash flows. The Department is governed by a Governing Board composed of seven members appointed by the Governor with advice and consent of the Senate. The Department is administered by an Executive Director appointed by the Governor with advice and consent of the Senate. The Department is authorized to issue tax-exempt or taxable bonds, notes or other obligations to finance or refinance multifamily housing developments and single-family residential housing. Bonds and notes of the Department do not constitute a debt of the State or any political subdivision thereof. The Department Act specifically provides for the assumption by the Department of the outstanding indebtedness of the former agencies. The Department is required to continue to carry out all covenants with respect to any bonds outstanding, including the payments of any bonds from the sources provided in the proceedings authorizing such bonds. For financial reporting purposes, the Department is an agency of the State and is included in its reporting entity.

The Program operates several bond programs under separate trust indentures, as follows:

- *Single-Family Bond Program (“Single-Family”)*—These bonds are limited obligations of the Department. Bond proceeds were used to originate below-market rate loans for eligible low- and moderate-income residents who were purchasing a residence. These bonds were issued pursuant to a Single-Family Mortgage Revenue Bond Trust Indenture, dated October 1, 1980, and indentures supplemental thereto, and are secured on an equal and ratable basis by the trust estate established by such trust indentures.
- *Residential Mortgage Revenue Bond Program (“RMRB”)*—Eleven series (three of which have been refunded) of these bonds have been issued pursuant to the RMRB master indenture and ten separate Series Supplements, and are secured on an equal and ratable basis by the trust estates established by such trust indentures. Proceeds from the 1987 A Bonds were used to purchase single-family loans, while proceeds from the remaining RMRB bond issues were used to purchase pass-through certificates created through the origination of single-family loans.

- *Collateralized Home Mortgage Revenue Bond Program (“CHMRB”)*—The Department issued six series of bonds pursuant to the CHMRB Trust Indenture with separate supplements for each series. The bonds are secured on an equal and ratable basis. Proceeds from the bonds are being used to purchase pass-through certificates created through the funding of loans made to finance the purchase by eligible borrowers of new and existing single-family residences in the state.
- *Multifamily Housing Revenue Bond Programs (“Multifamily”)*—These bonds were issued pursuant to separate trust indentures and are secured by individual trust estates, which are not on an equal and ratable basis with each other. The bonds are limited obligations of the Department and are payable solely from the payments received from the assets and guarantors, which secure the individual trust indentures. Under these programs, the proceeds were either provided to nonprofit and for-profit developers of multifamily properties to construct or rehabilitate rental housing or used to refund other multifamily bonds issued for the same purposes.
- *Collateralized Home Mortgage Revenue Bond Program—Series 1994 and 1995 (“COBs”)*—On November 1, 1994, the Department issued Single-Family Mortgage Revenue Bonds (Collateralized Home Mortgage Revenue Bond Program), Series 1994, in the amount of \$84,140,000. This bond program was issued as a Private Placement Memorandum with Federal National Mortgage Association (“FNMA”). The Series 1994 and 1995 COBs were issued to provide funds for the purchase of mortgage-backed, pass-through certificates backed by qualifying FHA-insured, VA-guaranteed, FMHA-guaranteed mortgage loans, or conventional mortgage loans acceptable for pooling by FNMA, made to eligible borrowers for single-family residences.
- *Commercial Paper Notes*—By resolution adopted November 10, 1994, the Department’s Board has authorized the issuance of two series of commercial paper notes: its Single-Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes, Series A, and its Single-Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes, Series B (collectively, the “Notes”). Pursuant to the resolution, the Department is authorized to issue the Notes in an aggregate principal amount not to exceed \$75,000,000 outstanding. Proceeds of the initial issuance of the Notes and of future issues not issued to refund outstanding Notes will be used to redeem certain of the Department’s single-family mortgage revenue bonds (the “Refunded Bonds”), which are subject to redemption as a result of the receipt by the Department of prepayments of the related underlying mortgage loans. Such prepayments may, at a future date, be recycled into new mortgage loans by the Department. The Notes are being issued in anticipation of the issuance of refunding bonds that will refund the Notes.
- *Housing Trust Fund*—The Department Act provided for a transfer of a portion of the unencumbered fund balance from the bond programs for use in the Housing Trust Fund. The Housing Trust Fund will be used to provide assistance for low- and very-low-income persons and families in financing, acquiring, rehabilitating and developing affordable, decent and safe housing. The Housing Trust Fund will be made available to local units of government, public housing authorities, the Department, community housing development organizations and nonprofit organizations, as well as eligible low- and very-low-income individuals and families.
- *Continuance Subject to Review*—Under the Texas Sunset Act, the Department will be abolished effective September 1, 2011, unless it is continued in existence as provided in the Texas Sunset Act. If abolished, the Department may continue in existence until September 1, 2012, to close out its operations.

Significant Accounting Policies—The significant accounting policies of the Fund are as follows:

- a. *Fund Accounting*—The Program’s financial statements have been prepared on the basis of the governmental proprietary fund concept as set forth by the Governmental Accounting Standards Board (“GASB”). The governmental proprietary fund concept provides that financial activities operated similarly to private business enterprises and financed through fees and charges assessed primarily to users of the services are presented as a proprietary fund. Proprietary funds are accounted for on the accrual basis of accounting. Revenues are recognized when earned, and expenses are recognized when the liability is incurred. The Program has elected not to apply Financial Accounting Standards Board pronouncements issued after November 30, 1989, as allowed by GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*.
- b. *Investments*—The Program follows the provisions of GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*. GASB Statement No. 31 requires certain types of investments to be reported at fair value on the balance sheet. The Program utilizes established quoted market prices for determining the fair value of its debt securities in reserve funds. Fair value of the Program’s securitized mortgage loans (“GNMA/FNMA”) has been estimated by each bond issue’s trustee using a pricing service.

The Program has reported all investment securities at fair value as of August 31, 2004, with the exception of certain money market investments and nonparticipating interest-earning investment contracts, which are reported at amortized cost (historical cost adjusted for amortization of premiums and accretion of discounts), provided that the fair value of those investments is not significantly affected by the impairment of the credit standing of the issuer or by other factors (see Note 2).

In accordance with GASB Statement No. 31, changes in the fair value of investments are reported in the statement of revenues, expenses and changes in net assets as net increase in fair value of investments.

- c. *Mortgage-Backed Securities*—The Program’s portfolio of mortgage-backed securities consists of pools of mortgage loans exchanged for mortgage-backed securities or mortgage pass-through certificates.
- d. *Note Receivable*—The note receivable represents a long-term receivable from a third party. It is due and payable in 2005.
- e. *Loans Receivable*—Loans receivable are carried at the unpaid principal balance outstanding less the allowance for estimated loan losses and deferred commitment fees. Interest on loans is credited to income as earned. Loans are generally placed on nonaccrual status when the Department becomes aware that the borrower has entered bankruptcy proceedings or when the loans are 90 days past due as to either principal or interest or when payment in full of principal and interest is not expected. Deferred commitment fees are recognized using the interest method over the estimated lives of the single-family loans and the contractual lives, adjusted for actual repayments, of the multifamily loans.

- f. *Real Estate Owned*—Properties acquired through foreclosure are carried at the unpaid principal balance on the related property plus accrued interest and reimbursable expenses through the date of foreclosure, less any sales proceeds, reimbursements received from mortgage insurers and an allowance for estimated losses on such properties. After foreclosure, foreclosed assets are carried at lower of cost or fair value minus selling costs.

Interest on real estate owned is credited to income as earned based on a calculation of interest recoverable in accordance with the Department's agreements with its mortgage insurers.

- g. *Allowance for Estimated Losses on Loans and Foreclosed Properties*—The allowance for estimated losses on loans is available for future chargeoffs on single-family and multifamily loans. The allowance for estimated losses on real estate owned is available for future chargeoffs on foreclosed single-family loans.

All losses are charged to the allowance when the loss actually occurs or when a determination is made that a loss is likely to occur. Periodically, management estimates the likely level of future losses to determine whether the allowances for estimated losses are adequate to absorb anticipated losses in the existing loan and real estate owned portfolios. Based on these estimates, a provision for estimated losses on loans and real estate owned is made to the allowances in order to adjust the allowances to levels estimated to be adequate to absorb reasonably foreseeable losses.

While management uses available information to recognize losses in the loan and real estate owned portfolios, future adjustments may be necessary based on changes in economic conditions. However, it is the judgment of management that the allowances are currently adequate to absorb reasonably foreseeable losses in the existing loan and real estate owned portfolios.

- h. *Commitment Fees*—Commitment fees received in connection with the origination of loans are deferred and recognized using the interest method over the estimated life of the related loans and mortgage-backed securities, or if the commitment expires unexercised, it is credited to income upon expiration of the commitment.
- i. *Deferred Issuance Costs*—Deferred issuance costs on bonds are amortized using the interest method over the contractual life of the bonds to which they relate. Prepayments on the bonds result in the proportionate amortization during the current year of the remaining balance of deferred issuance costs.
- j. *Discounts and Premiums on Debt*—Discounts and premiums on debt are recognized using the interest method over the life of the bonds or collateralized mortgage obligations to which they relate. Prepayments on the bonds result in the proportionate amortization during the current year of the remaining balance of discounts and premiums on debt.
- k. *Restricted Net Assets*—The net assets of the Program are restricted for various purposes of the bond trust indentures.
- l. *Invested in Capital Assets*—This component of net assets consists of capital assets, net of accumulated depreciation.
- m. *Cash Flows*—For purposes of reporting cash flows, cash and cash equivalents consist of cash and short-term investments with a maturity at the date of purchase of three months or less, which are highly liquid and are readily exchanged for cash at amounts equal to their stated value.

- n. *Interfund Transactions*—The Program has transactions between and with other funds of the Department. Quasi-external transactions are charges for services rendered by one fund to another, and they are accounted for as revenue or expense. All other interfund transactions are reported as transfers.
- o. *Gain/Loss on Refundings of Debt*—Any gain/loss on refunding of bonds is deferred and amortized as a component of interest expense using the interest method.
- p. *Loss on Early Extinguishment of Debt*—Any loss on extinguishment of debt prior to its stated maturity is recorded in the period the debt is retired.
- q. *Estimates*—In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the balance sheet and the reported revenues and expenses for the period. Actual results could differ significantly from those estimates. Management judgments and accounting estimates are made in the evaluation of the allowance for estimated losses on loans and real estate owned and in determination of the assumptions with respect to prepayments on loans and mortgage-backed securities in the recognition of deferred commitment fees to income.

2. CASH AND CASH EQUIVALENTS, INVESTMENTS AND MORTGAGE-BACKED SECURITIES

At August 31, 2004, the Program had cash and cash equivalents, investments and mortgage-backed securities as follows (in thousands):

	Fair Value
Cash and cash equivalents:	
Cash	\$ 4,168
Money market accounts	12,545
Mutual funds	42,588
Repurchase agreements	<u>128,825</u>
	<u>\$ 188,126</u>
Investments:	
Guaranteed investment contracts	\$ 464,036
U.S. Treasury securities	34,131
Mortgage-backed securities	<u>683,637</u>
	<u>\$ 1,181,804</u>

At August 31, 2004, the Program’s bank deposits amounted to \$2,765,216, with bank balances of \$2,765,216. The entire amount was in a depository fully collateralized by securities held with a Trustee in the Department’s name or covered by Federal Deposit Insurance Corporation (“FDIC”) insurance coverage. Collateralized cash held by and in the name of paying agents, trustees, and depositories amounted to zero. At August 31, 2004, the Program’s cash and deposits in the State Treasury amounted to \$1,403,454. This amount was fully collateralized by securities held with a trustee in the State’s name, as reported to the Department of Comptroller of Public Accounts of the State of Texas.

The types of investments in which the Department may invest are restricted by the provisions of the master bond indentures. The indentures generally allow for investments in direct obligations of or

guaranteed by the U.S. government, obligations, debentures, notes or other evidences of indebtedness issued or guaranteed by agencies or intermediaries of the U.S. government, obligations issued by public agencies or municipalities, obligations and general obligations of or guaranteed by the State, demand deposits, interest-bearing time deposits or certificates of deposit, repurchase agreements in U.S. government securities, direct or general obligations of any state within the territorial U.S., investment agreements with any bank or financial institution, commercial paper and guaranteed investment contracts. Certain trust indentures restrict the Department from investing in certain of the aforementioned investments.

All investments are registered or are securities held by the Department or its agent in the Department's name (Category 1), except for \$460,488,287 of investment agreements/contracts at August 31, 2004, which are unsecured. Additionally, the Department held uncategorized investments of approximately \$55,132,398 in constant-dollar money market mutual funds that are not subject to collateralization. The Department considers these investment agreements/contracts to be Category 3. Under an agreement with the Department, the counterparty must maintain a rating on long-term, unsecured, unsubordinated debt obligations at "AAA" by Standard & Poor's, "Aaa" by Moody's and/or other comparable high rating during the term of the agreement/contract. Should the rating fall below the requirement, the counterparty shall either substitute an acceptable replacement guarantor, deliver collateral or repay the principal of and accrued but unpaid interest on the investment. A summary of investments by type at August 31, 2004 is as follows (in thousands):

	Fair Value
Repurchase and other investment agreements	\$ 592,861
Pass-through certificates	683,637
Other U.S. government securities	34,131
Mutual funds*	<u>55,133</u>
 Total investments	 <u><u>\$ 1,365,762</u></u>

*These constant-dollar money market mutual funds are not subject to categorization.

Repurchase agreements and other qualified investment agreements with a carrying amount of \$592,861,477 at August 31, 2004 are generally secured by U.S. government obligations or other marketable securities with market values in excess of the cost. At August 31, 2004, the agreements were with the following counterparties (amounts in thousands):

3. RESTRICTED ASSETS

Cash in bank, cash equivalents, short-term investments, loans and contracts, interest receivable and investments (which include mortgage-backed securities) totaling \$2,316,107 are restricted by the trust indentures of the related bonds and collateralized mortgage obligations. The trust indentures of the Department also require the establishing of accounts for the segregation of assets and restricting the use of bond proceeds and other funds in connection with each bond program. Such restricted assets, primarily investments, are as follows at August 31, 2004 (in thousands):

Program	Mortgage and Debt Service Reserve	Unspent Bond Proceeds	Revenue Account	Self- Insurance	Rebate Account
Single-family	\$ 1,706	\$ 241,150	\$ 43,369	\$ 1,788	\$ 302

Total	<u>\$ 3,940</u>	<u>\$ 464,443</u>	<u>\$ 71,504</u>	<u>\$ 2,189</u>	<u>\$ 2,414</u>

Additionally, deferred issuance costs and real estate owned totaling \$11,236 and \$552, respectively, are also restricted.

4. LOANS RECEIVABLE

Loans receivable as of August 31, 2004 consisted of the following (in thousands):

Single-family loans	\$ 65,510
Multifamily loans	868,143
RMRB (1987 Series A) single-family loans	2,273
Miscellaneous loans	<u>2,658</u>
Total loans	938,584
Deferred commitment fees, net of accumulated amortization of \$280,472 in 2004	(1,734)
Allowance for estimated loan losses	<u>(2,593)</u>
Total	<u>\$ 934,257</u>

All of the loans made directly by the Department are secured by real estate properties located in the state.

Single-family loans are collateralized by first-lien mortgages on the applicable real estate and (i) are federally insured or guaranteed or (ii) are insured by a private mortgage insurer approved by the Department for the amount by which the loan exceeds 80% of the original appraised value.

Certain properties acquired through foreclosure are covered by mortgage pool insurance. The mortgage pool insurance covers the unpaid principal balance of the loan at the ultimate date of sale, delinquent interest up to the claim settlement date and certain other expenses.

The single-family trust indenture requires the Department to obtain and maintain mortgage pool insurance on loans collateralizing each series of bonds issued under that trust indenture. Except with respect to four series, the requirement has been satisfied by purchasing and maintaining a mortgage pool insurance policy for each bond series. For loans collateralizing the other four series of bonds, the Department has entered into Mortgage Pool Self-Insurance Fund Agreements (“Agreements”) with the trustee. The funding requirements of these Agreements have been met as of August 31, 2004.

Multifamily mortgage and lender loans are collateralized by first-lien mortgages on the applicable housing developments, letters of credit, guarantees provided by third parties and collateralized mortgage obligations issued by federally chartered, privately owned corporations.

The activity in the allowance for estimated loan losses is as follows (in thousands):

Balance at beginning of year	\$ 3,711
Provision for estimated losses on loans	<u>(1,118)</u>
Balance at end of year	<u>\$ 2,593</u>

5. REAL ESTATE OWNED

Real estate owned for the Program was as follows (in thousands):

Real estate owned	\$ 526
Allowance for estimated losses	<u>26</u>
Real estate owned—net	<u>\$ 552</u>

The activity in the allowance for estimated losses follows (in thousands):

Balance at beginning of year	\$ 42
Amounts charged off	(21)
Provision for losses on real estate owned	<u>5</u>
Balance at end of year	<u>\$ 26</u>

The provision for loss on real estate owned was recorded to adjust real estate owned to the estimated fair value less estimated costs of disposal.

(Concluded)

Proceeds from the issuance of bonds under the single-family and RMRB Series 1987A programs were used to acquire loans. Proceeds from the issuance of bonds under CHMRB and remaining RMRB programs were used to acquire pass-through certificates backed by mortgage loans. Pass-through certificates were purchased with proceeds from the multifamily 1985 Series G. Proceeds from the remaining multifamily bond issues were used to finance mortgage loans. Interest on bonds is payable periodically.

The single-family, RMRB and CHMRB bonds are collateralized by the revenues and assets pledged under the trust indentures, primarily single-family mortgage loans, mortgage-backed securities and investments. The multifamily bonds are collateralized by varying methods, including, but not limited to, the mortgage loans on the applicable housing developments, certificates of deposit, letters of credit, guarantees provided by third parties and collateralized mortgage obligations issued by federally chartered, privately owned corporations.

The trust indentures contain positive and negative covenants. Events of default include failure to make timely payment of both principal and interest on any outstanding bond; failure to make timely payment of any other monies required to be paid to the trustee; and nonperformance or nonobservance of any other covenants, agreements or conditions contained in the indentures. Management believes that it is in compliance with the covenants of the indentures.

Bond contractual maturities (principal only) at August 31, 2004 are as follows (in thousands):

7. EMPLOYEE BENEFITS

Plan Description—The Department contributes to the Employees Retirement System of Texas (the “System”), a cost-sharing, multiple-employer, defined benefit plan. The Department has implemented GASB Statement No. 27, *Accounting for Pensions by State and Local Governmental Employers*, which standardizes financial reporting for pensions by state and local government employers. The System provides service retirement, disability retirement benefits, and death benefits to plan members and beneficiaries. The System operates under the authority of provisions contained primarily in Texas Government Code, Title 8, Subtitle B, which is subject to amendment by the Texas Legislature. The System’s annual financial report and other required disclosure information are available by writing the Employees Retirement System of Texas, P.O. Box 13207, Austin, Texas, 78711-3207 or by calling (512) 476-6431.

Funding Policy—Under provisions in State law, plan members are required to contribute 6% of their annual covered salary, and the Department contributes an amount equal to 6% of the Department’s covered payroll. The Department and the employees’ contributions to the System for the years ending August 31, 2004, 2003 and 2002 were \$775,708, \$882,122 and \$891,391, respectively, equal to the required contributions for each year.

9. COMMITMENTS AND CONTINGENCIES

The Department is a defendant in legal actions arising from transactions and activities conducted in the ordinary course of business. Management, after consultation with legal counsel, believes that the aggregate liabilities, if any, will not be material to the financial statements.

10. RISK FINANCING AND RELATED INSURANCE ISSUES

The Department is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; efforts and omissions; and natural disasters. It is the Department's policy to periodically assess the proper combination of commercial insurance and retention of risk to cover losses to which it may be exposed. The Department assumes substantially all risks associated with the performance of its duties. Currently, there is no purchase of commercial insurance, nor is the Department involved in any risk pools with other government entities. The Department carries Public Official Liabilities Insurance coverage in the amount of \$10,000,000, errors and omissions insurance of \$300,000 related to loan servicing for others and a \$350,000 public employee fidelity bond.

11. SUBSEQUENT EVENTS

On October 28, 2004, the Department issued \$175,972,700 in single family revenue bonds made up as follows:

\$42,147,700	SF 2004 Series C
\$35,000,000	SF 2004 Series D
\$10,825,000	SF 2004 Series E
\$88,000,000	SF 2004 Series F

The Series 2004C, Series 2004D, Series 2004E and Series 2004F Bonds were issued for the primary purpose of providing funds for the purchase of mortgage-backed, pass-through certificates backed by qualifying FHA-insured or VA- or RHS-guaranteed loans, or conventional loans made to eligible borrowers for single-family residences located in the State of Texas. The proceeds of the Series 2004E were issued for the purpose of redeeming \$10,825,000 of Series 1993 SF MRB CHMRB A/B/C/D/E. The redemption of the 1993 SF MRB CHMRB A/B/C/D/E will occur on November 1, 2004. The trustee will then transfer all Series 1993 SF MRB CHMRB A/B/C/D/E mortgage certificates to the SFMRB 2004 Series C/D/E Mortgage Loan Account. All remaining funds will remain in the 1993 SF MRB CHMRB A/B/C/D/E revenue accounts.

APPENDIX E

FORM OF PROPOSED OPINION OF BOND COUNSEL

[LETTERHEAD OF BOND COUNSEL]

_____, 2005

WE HAVE ACTED AS BOND COUNSEL for the Texas Department of Housing and Community Affairs (the "Department") in connection with the issuance of the Department's Single Family Mortgage Revenue Refunding Bonds, 2005 Series A (the "Series 2005A Bonds"). The initially issued Series 2005A Bonds shall bear interest from the date of delivery thereof. Interest on the Series 2005A Bonds is payable September 1, 2005, and semiannually thereafter on each September 1 and March 1, and as further provided in the Forty-Second Supplemental Indenture mentioned below, until maturity or prior redemption. The Series 2005A Bonds are issuable only as fully registered bonds without coupons in denominations of \$100,000 and any whole multiple of \$5,000 in excess thereof. The Series 2005A Bonds are being issued in the principal amounts, bear interest at the rates and mature on the dates as provided in the Indenture mentioned below. The Series 2005A Bonds are subject to mandatory, optional and special redemption prior to maturity on the dates, at the redemption prices and under the circumstances described in the Indenture.

THE SERIES 2005A BONDS ARE BEING ISSUED pursuant to a resolution adopted by the Governing Board of the Department on April 7, 2005 (the "Bond Resolution"), a Single Family Mortgage Revenue Bond Trust Indenture dated as of October 1, 1980, between the Department's predecessor, the Texas Housing Agency, or the Department, as the case may be, and The Fort Worth National Bank, or its successor, J.P. Morgan Trust Company, National Association, as trustee (the "Trustee"), as amended and supplemented (collectively, the "Single Family Indenture"), and a Forty-Second Supplemental Single Family Mortgage Revenue Bond Trust Indenture, dated as of April 1, 2005 (the "Forty-Second Supplemental Indenture"). The Single Family Indenture and the Forty-Second Supplemental Indenture are referred to herein collectively as the "Indenture". The Series 2005A Bonds are being issued for the purpose of refunding the Department's outstanding Single Family Mortgage Revenue Bonds, 2004 Series F and a portion of the Department's outstanding Single-Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes, Series A, thereby providing funds to make and acquire Mortgage Loans, funding capitalized interest and paying a portion of the costs of issuance of the Series 2005A Bonds. Capitalized terms not otherwise defined herein have the meanings assigned to such terms in the Indenture.

THE SINGLE FAMILY INDENTURE PERMITS the issuance of additional bonds on a parity with the Series 2005A Bonds upon the terms and conditions set forth in the Single Family Indenture. The Department reserves the right in the Indenture to issue other bonds of the Department under the Indenture for other programs similar to the program initially funded with the proceeds of the Series 2005A Bonds or funds made available through the issuance of the Series 2005A Bonds and to refund bonds issued under the Indenture, and further reserves the right to issue bonds payable from the pledges and assignments in trust pursuant to the Indenture that are junior or subordinate to the Series 2005A Bonds, all as provided in the Indenture.

THE SCOPE OF OUR ENGAGEMENT AS BOND COUNSEL extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Series 2005A Bonds and the security therefor and with respect to the exclusion from gross income for federal income tax purposes of interest on the Series 2005A Bonds. We have not been engaged or undertaken to

review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Series 2005A Bonds and we express no opinion relating thereto (excepting only the matters set forth as our opinion in the Official Statement). We have not assumed any responsibility with respect to the financial condition or capability of the Department or the disclosure thereof. In our capacity as Bond Counsel, we have participated in the preparation of and have examined a transcript of certain proceedings pertaining to the Series 2005A Bonds, including certain certified and original proceedings of the Department and the State of Texas (the "State"), and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Department, the State, the Trustee and others. We have also examined executed Bond No. TR-1.

You have authorized us to assume without independent verification (i) the genuineness of certificates, records and other documents (collectively, "documents") and the accuracy and completeness of the statements of fact contained therein; (ii) the due authorization, execution and delivery of the documents described above by the other parties thereto; (iii) that all documents submitted to us as originals are accurate and complete; and (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof.

BASED UPON SUCH EXAMINATION, IT IS OUR OPINION THAT:

1. The Department is a body politic and corporate and a public and official governmental agency of the State, duly created, organized and existing under the laws of the State, particularly Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, the "Act"), and has full power and authority to adopt the Bond Resolution and to perform its obligations thereunder; to execute and deliver the Forty-Second Supplemental Indenture; to perform its obligations under the Indenture; and to issue and sell the Series 2005A Bonds and to utilize the proceeds therefrom for the purposes set forth in the Bond Resolution and the Indenture.

2. The Department has duly adopted the Bond Resolution and has duly authorized, executed and delivered the Forty-Second Supplemental Indenture. The Indenture constitutes a legal, valid and binding obligation of the Department. Pursuant to the Indenture, all of the Department's right, title and interest in and to the Trust Estate, including the Revenues and other amounts to be received by the Department have been validly and effectively assigned and, upon receipt of such Revenues and amounts by the Trustee, pledged as security for the payment of the principal and redemption price of and interest on the Series 2005A Bonds. We draw your attention to the fact that the Bonds are secured on a parity basis with the Department's Single Family Mortgage Revenue Bonds, 1995 Series A-1; Taxable Single Family Mortgage Revenue Refunding Bonds, 1995 Series C-1; Single Family Mortgage Revenue Bonds, 1996 Series A; Single Family Mortgage Revenue Refunding Bonds, 1996 Series B; Single Family Mortgage Revenue Bonds, 1996 Series D; Single Family Mortgage Revenue Refunding Bonds, 1996 Series E; Single Family Mortgage Revenue Bonds, 1997 Series A; Single Family Mortgage Revenue Refunding Bonds, 1997 Series B; Single Family Mortgage Revenue Bonds, 1997 Series D; Taxable Single Family Mortgage Revenue Bonds, 1997 Series F; Single Family Mortgage Revenue Bonds, 2002 Series A; Single Family Mortgage Revenue Refunding Bonds, 2002 Series B; Single Family Mortgage Revenue Refunding Bonds, 2002 Series C; Single Family Mortgage Revenue Refunding Bonds, 2002 Series D; Single Family Mortgage Revenue Refunding Bonds, 2004 Series A; Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2004 Series B; Single Family Mortgage Revenue Bonds, 2004 Series C; Single Family Variable Rate Mortgage Revenue Bonds, 2004 Series D; Single Family Mortgage Revenue Refunding Bonds, 2004 Series E; and Single Family Mortgage Revenue Bonds, 2004 Series F, all issued under the Single Family Indenture. The Department has also issued its Taxable Junior Lien Single Family Mortgage Revenue Bonds, Series 2002A and Taxable Junior Lien Single Family Variable Rate Mortgage Revenue Bonds, Series 2004A, which are secured on a basis subordinate to the Bonds.

3. The Department has duly authorized the issuance, execution and delivery of the Series 2005A Bonds. The authorized officers of the Department have duly executed the Series 2005A Bonds and the Trustee has duly authenticated the Series 2005A Bonds, to the extent required by the Indenture, and delivered the Series 2005A Bonds to the initial purchasers thereof. The Series 2005A Bonds constitute legal, valid and binding limited obligations of the Department and are entitled to the benefit and security of the Indenture. The form and execution of the executed Series 2005A Bonds that we have examined are regular and proper.

4. The Series 2005A Bonds are issued pursuant to the provisions of the Act and constitute limited obligations of the Department and are payable solely from the revenues, funds and assets of the Department pledged under the Indenture and not from any other revenues, funds or assets of the Department. The Series 2005A Bonds are not and do not create or constitute in any way an obligation, a debt or a liability of the State, or create or constitute a pledge, giving or lending of the faith or credit or taxing power of the State. The Department has no taxing power.

5. The enforceability of certain provisions of the Series 2005A Bonds, the Bond Resolution and the Indenture may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, the availability of equitable remedies under the Series 2005A Bonds, the Bond Resolution and the Indenture may be limited by general principles of equity that permit the exercise of judicial discretion.

6. Interest on the Series 2005A Bonds prior to the first date that is an interest rate conversion date for which an opinion of nationally recognized bond counsel is required under the Indenture is excludable from gross income for federal income tax purposes under existing law.

7. Interest on the Series 2005A Bonds is an item of tax preference includable in alternative minimum taxable income for purposes of calculating the federal alternative minimum tax on individuals and corporations under existing law.

IN PROVIDING THE OPINIONS set forth in paragraphs 6 and 7 above with respect to the Series 2005A Bonds, we have relied on representations of the Department, the Underwriters, the Servicer and the Mortgage Lenders, with respect to matters solely within the knowledge of the Department, the Underwriters, the Servicer and the Mortgage Lenders, respectively, which we have not independently verified, and have assumed continuing compliance with the procedures, safeguards and covenants in the Indenture and other documents relating to the requirements of the Internal Revenue Code of 1986, as amended. We have further relied on the report (the "Report") of Causey Demgen & Moore, Inc., certified public accountants, regarding the mathematical accuracy of certain computations. In the event that any of such representations or the Report is determined to be inaccurate or incomplete or the Department, a Mortgage Lender or the Servicer fails to comply with the foregoing procedures, safeguards and covenants in the Indenture, interest on the Series 2005A Bonds could become includable in gross income for federal income tax purposes under existing law from the date of original delivery thereof, regardless of the date on which the event causing such taxability occurs.

EXCEPT AS STATED ABOVE, we express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or acquisition, ownership or disposition of the Series 2005A Bonds. Further, pursuant to the Forty-Second Supplemental Indenture, certain changes of interest rate modes are conditioned on delivery of an opinion to the effect that each such change will not adversely affect the excludability of interest on the Series 2005A Bonds from gross income for federal income tax purposes. The delivery of such opinions will depend on facts and law that exist on such future date or dates, if any. Therefore, we express no opinion regarding the excludability of interest on the Series 2005A Bonds from gross income for federal income tax purposes on and after the date or dates, if any, of any such

changes. Further, we express no opinion on our ability to render the opinion required in connection with such changes.

HOLDERS OF THE SERIES 2005A BONDS should also be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, taxpayers owning an interest in a FASIT that holds tax-exempt obligations and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits" tax on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Series 2005A Bonds.

THE OPINIONS SET FORTH ABOVE are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Series 2005A Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Department as the taxpayer. We observe that the Department has covenanted in the Forty-Second Supplemental Indenture not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Series 2005A Bonds as includable in gross income for federal income tax purposes.

Very truly yours,

(2) The Junior Lien Single Family Revenue Refunding Bonds 1994 Series A&B refunded all outstanding 1983 Series A Bonds. The Taxable Junior Lien Single Family Mortgage Revenue Bonds 2002 Series A were issued for the primary purpose of providing funds to finance single-family mortgage loans, multifamily mortgage loans, downpayment assistance for eligible very low income first-time homebuyers in connection with the purchase or development of homes located primarily in rural and border regions, to pay cost of issuance of the 2002 Series A Bonds and other permitted programs and purposes as determined by the Department from time to time. The Taxable Junior Lien Single Family Variable Rate Mortgage Revenue Bonds were issued for the primary purpose of providing down payment assistance. 2002 Series A and 2004 Series A loan balances are not included in the table above because debt service is not dependent on loan repayments.

The following table characterizes the loan type of the Portfolio Mortgage Loans, excluding loans included in GNMA/FNMA Mortgage Certificates, of the 1980 Trust Indenture:

(3) Total Loan Prepayments includes Portfolio Mortgage Loans (except for loans included in Mortgage Certificates) actually prepaid by the borrower, Portfolio Mortgage Loans acquired by the Department through foreclosure and Portfolio Mortgage Loans repurchased by the originating Mortgage Lender.

From the inception of the Department's single family mortgage program through December 31, 2004, the Department has foreclosed on 3,056 Portfolio Mortgage Loans having an unpaid principal balance at default of \$157,165,142. As of December 31, 2004, the Department continued to hold title to property securing one of such Portfolio Mortgage Loans aggregating \$5,062 in unpaid principal balance. In an effort to maximize its return on real estate owned by the Department as a result of foreclosures, the Department has employed outside contractors to manage, maintain, and arrange for sale, in conjunction with brokers, such real estate owned.

The tables below set forth the Servicers of the Mortgage Loans and Mortgage Loans included in Mortgage Certificates:

Part II: Other Information

Mortgage Loan Information Management System

All Mortgage Loans made with proceeds of the Department's mortgage revenue bonds, including the Portfolio Mortgage Loans and any Mortgage Certificate loans, permit partial or complete prepayment without penalty. Mortgage Loans, in general, may also be terminated prior to their respective maturities as a result of events such as default, sale, condemnation or casualty loss. A number of factors, including general economic conditions, homeowner mobility and mortgage market interest rates, will affect the rate of actual prepayments for a particular portfolio of mortgage loans.

The Department is currently managing its Mortgage Loans (other than Mortgage Loans backing Mortgage Certificates) through review of the performance of the various lending institutions participating in the program, review of the delinquency and foreclosure reports of the lenders, directing the investment of monthly receipts, payment of expenses and supervision of claims under the mortgage insurance policies. The Department does not service the Mortgage Loans

backing Mortgage Certificates; however, the Department monitors the origination and payment of such Mortgage Loans. The Department currently manages the Mortgage Loans using a new Loan Administration and Servicing System from the MITAS Group, Inc. MITAS' Loan Administration software is a comprehensive and fully integrated system that has the ability to combine all types of loans into a central database and is also capable of fully complying with all aspects of loan servicing as prescribed by major secondary market investors.

APPENDIX F-2

OTHER INDEBTEDNESS OF THE DEPARTMENT

[THIS PAGE INTENTIONALLY LEFT BLANK]

Other Indebtedness of The Department

General - Single Family Since 1979, the year of creation of the Texas Housing Agency (the "Agency"), a predecessor to the Department, through December 31, 2004, there have been issued by the Agency or the Department, twenty-seven series of Residential Mortgage Revenue Bonds, thirty-seven series of Single Family Mortgage Revenue Bonds, four series of Junior Lien Single Family Mortgage Revenue Refunding Bonds, ten series of GNMA/FNMA Collateralized Home Mortgage Revenue Bonds, eleven series of Collateralized Home Mortgage Revenue Bonds, and two series of Government National Mortgage Association Collateralized Home Mortgage Revenue Bonds. As of December 31, 2004, the outstanding principal amount of bonded indebtedness of the Department for single family housing purposes was \$1,150,060,000.

General - Multifamily The Department and the Agency have issued one hundred sixty five multifamily housing revenue bonds which have been issued pursuant to separate trust indentures and are secured by individual trust estates which are separate and distinct from each other. As of December 31, 2004, one hundred fifteen series were outstanding with an aggregate outstanding principal amount of \$884,619,187.

Single Family Mortgage Revenue Bonds ("SFMRBs") The Department has issued thirty-seven series of Single Family Mortgage Revenue and Refunding Bonds under a Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 1980, and forty-one indentures supplemental thereto, which are secured on an equal and ratable basis by the trust estate established by the SFMRB Indenture. As of December 31, 2004, twenty series were outstanding with an aggregate outstanding principal amount totaling \$654,845,000.

Junior Lien Bonds The Department has issued four series of its Junior Lien Single Family Mortgage Revenue Refunding Bonds (the "Junior Lien Bonds") pursuant to a Junior Lien Trust Indenture, dated as of May 1, 1994, and four indentures supplemental thereto. The Junior Lien Bonds are secured on an equal and ratable basis with each other and on a subordinated basis to the Single Family Mortgage Revenue Bonds by the trust estate held under the SFMRB Indenture. As of December 31, 2004, two series were outstanding with an aggregate outstanding principal of \$14,085,000.

Residential Mortgage Revenue Bonds ("RMRBs") As of December 31, 2004, the Department has issued twenty-seven series of Residential Mortgage Revenue and Refunding Bonds pursuant to the Residential Mortgage Revenue Bond Trust Indenture and twenty-seven separate series supplements, and are secured on an equal and ratable basis by the trust estate established by the RMRB Indenture. As of December 31, 2004, sixteen series were outstanding with an aggregate outstanding principal amount of \$454,730,000.

Collateralized Home Mortgage Revenue Bonds ("CHMRBs") The Department has issued eleven series of Collateralized Home Mortgage Revenue Bonds pursuant to the Collateralized Home Mortgage Revenue Bond Master Indenture and six separate series supplements, and are secured on an equal and ratable basis by the trust estate established by such trust indentures. As of December 31, 2004, two series of CHMRBs were outstanding with an aggregate outstanding principal amount of \$26,400,000.

Single Family Collateralized Home Mortgage Revenue Bonds – 1993 (SFCHMRB - 1993) The Department has issued five series of single family mortgage revenue bonds under a GNMA/FNMA Collateralized Home Mortgage Revenue Bond Trust Indenture dated as of November 1, 1993, amended as of February 1, 1995 by and between the Department and Bank One, Texas, NA. On November 1, 2004, the SFCHMRB – 1993s were redeemed in whole by the SFMRB 2004 Series E Bonds.

Single Family Collateralized Home Mortgage Revenue Bonds – 1994 (SFCHMRB – 1994) The Department has issued three series of single family mortgage revenue bonds in 1994 and 1995 under a GNMA/FNMA Collateralized Home Mortgage Revenue Bond Master Trust Indenture dated as of November 1, 1994, supplemented by a First Supplemental GNMA/FNMA Collateralized Home Mortgage Revenue Bond Trust Indenture dated as of November 1, 1994, as amended as of February 1, 1995, by and between the Department and Bank One, Texas, N.A. On December 16, 2004, the underlying mortgage backed securities were sold and funds were escrowed to redeem the bonds in whole on their optional redemption dates of February 22, 2005, April 26, 2005 and June 27, 2006.

The Department has issued two series of single family mortgage revenue refunding bonds in 1995 for the purpose of refunding certain notes which previously refunded certain Bonds outstanding, under a GNMA/FNMA Collateralized Home Mortgage Revenue Bond Master Trust Indenture and a First Supplemental GNMA/FNMA Collateralized Home Mortgage Revenue Bond Trust Indenture and Second Supplemental GNMA/FNMA Collateralized Home Mortgage Revenue Bond Trust Indenture, each dated as of November 1, 1994, each amended as of February 1, 1995, and each by and between the Department and Bank One, Texas, NA, as Trustee. On December 1, 2003, all series of SFCHMRB – 1995s were redeemed in whole.

GNMA Collateralized Home Mortgage Revenue Bonds The Department has issued two series of GNMA Collateralized Home Mortgage Revenue Bonds, Series 1989A and Series 1989B in aggregate principal amounts of \$72,000,000 and \$48,250,000, respectively (the "GNMA Collateralized Bonds"), pursuant to two separate indentures, which are not on an equal and ratable basis with each other. The GNMA Collateralized Bonds were sold through two separate private placement transactions with FNMA. The proceeds of the Series 1989A GNMA Collateralized Bonds were used by the Department to redeem in whole the Department's previously issued \$25,000,000 Residential Mortgage Revenue Bonds, Series 1987B, and its previously issued \$47,000,000 Residential Mortgage Revenue Bonds, Series 1987C. The proceeds of the Series 1989B GNMA Collateralized Bonds were used to finance mortgage loans through the acquisition of GNMA Certificates and, except for a portion reserved for targeted area loans, such proceeds were reserved to finance the purchase by eligible borrowers of real estate owned by financial institutions in the State of Texas or by the Department. On December 2, 1999, the GNMA Collateralized Home Mortgage Revenue Bonds were redeemed in whole by the RMRB 1999 Series D Bonds.

Collateralized Mortgage Obligations On May 4, 1987, the Department issued its \$100,000,000 Collateralized Mortgage Obligations, Series 1987A, as an investment vehicle to provide funds to carry out certain housing assistance programs of the Department. As of February 1, 1996, the Collateralized Mortgage Obligations were redeemed in whole.

Policy No.: -N

Effective Date:

Premium:

FINANCIAL SECURITY ASSURANCE INC. ("Financial Security"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of Financial Security, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which Financial Security shall have received Notice of Nonpayment, Financial Security will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by Financial Security, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in Financial Security. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise it will be deemed received on the next Business Day. If any Notice of Nonpayment received by Financial Security is incomplete, it shall be deemed not to have been received by Financial Security for purposes of the preceding sentence and Financial Security shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, Financial Security shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by Financial Security hereunder. Payment by Financial Security to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of Financial Security under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless Financial Security shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to Financial Security which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

Financial Security may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to Financial Security pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to Financial Security and shall not be deemed received until received by both and (b) all payments required to be made by Financial Security under this Policy may be made directly by Financial Security or by the Insurer's Fiscal Agent on behalf of Financial Security. The Insurer's Fiscal Agent is the agent of Financial Security only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of Financial Security to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, Financial Security agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud, whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to Financial Security to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of Financial Security, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, FINANCIAL SECURITY ASSURANCE INC. has caused this Policy to be executed on its behalf by its Authorized Officer.
